

**TOWN OF ROCKLAND  
MASSACHUSETTS  
2010**

**ANNUAL TOWN REPORT**

**STATE REPRESENTATIVE  
ROBERT J. NYMAN**

**August 20, 1960 – June 25, 2010**

Robert J. Nyman was one of the finest men you could ever meet. As State Representative from the 5<sup>th</sup> Plymouth District covering Hanover, Rockland & Norwell, Bob went out of his way to try and make this a better world. The way he interacted with people was most extraordinary. He really cared and that caring carried over to every aspect of his position. As a politician Bob was genuine and was always there to help friends, families and his constituents with the simplest to the most complicated issues. It seemed incredible that he was either at or participated in every cause or event that Rockland had and if you spoke to Hanover & Norwell residents he never missed any of their events either.

Representative Nyman served on numerous boards and committees. Some present committees include partnering with the local officials of all three communities to secure school construction from the Massachusetts School Building Authority; Joint Committee on Children, Families & Persons with Disabilities; Joint Committee on Economic Development & Emerging Technologies, Joint Committee on Financial Services and the Hanover Democratic Town Committee. Bob was also a member of the Rockland Fraternal Order of Eagles #841, Rockland Knights of Columbus, Weymouth Elks Lodge #2232, Cushing Residence, Board of Directors, Plymouth County Democratic League, Harmon Golf Club and was founder of the Howie Nyman Memorial Scholarship Fund.

Bob's accidental drowning is just too tragic to think about. He was the beloved husband of Rhonda L. Nyman and loving father of Kristina and Kara. Rhonda who has worked along side Bob to accomplish so much for the towns was recently elected State Representative. She will be working to maintain the level of services and the great work achieved by her husband over the years. Bob will truly be missed by the Town of Rockland.

The Nyman Family

Bob, Ronda, Kristina  
& Kara

**ROCKLAND POSTMASTER**

**TOWN OF ROCKLAND INFORMATION**

- First Settled:** The town first settled around 1673. It was formerly the northeast section of Abington. Population was 4,000 when incorporated under its present name.
- Name:** Rockland derived its name geologically from its rocky nature. A “large rock” is mentioned in the description of the Town Seal.
- Incorporated:** March 9, 1874. (Acts of 1874-Chapter 44)
- Town Seal:** For complete description of Town Seal, see Town of Rockland By-Laws, Chapter 153.
- County:** Plymouth
- Location:** Southeastern Massachusetts. Rockland is approximately 20 miles from Boston; 8 miles from Brockton, and is bordered by the following towns:  
 North by Weymouth and Hingham  
 South by Hanson  
 East by Norwell and Hanover  
 West by Whitman and Abington
- |                    |                       |                    |
|--------------------|-----------------------|--------------------|
| <b>Population:</b> | <b>FEDERAL CENSUS</b> | <b>TOWN CENSUS</b> |
|                    | 2000 - 17,670         | 2010 – 18,649      |
|                    | 1990 - 16,123         | 2009 - 18,345      |
|                    | 1980 - 15,370         | 2008 - 18,086      |
|                    | 1970 - 15,674         | 2007 - 18,045      |
- Total Registered Voters:** As of December 31, 2010– 12,009
- Town Charter:** Adopted March 8, 1969 at Annual Town Election. Charter became effective on January 1, 1970.

Annual Town Election: Second Saturday in April

Annual Town Meeting: A date to be determined by the Board of Selectmen  
not later than January 31 each year

Type of Government: Open Town Meeting

Land Area: 10.07 Square miles

Miles of Streets: 61 ½ miles

Number of Parcels: 5,600

Altitude: Highest: 180 feet above mean sea level  
Lowest: 92.73 feet above mean sea level

Latitude: North 42° 8m

Longitude: West 70° 55m

Topographic Characteristics:

Gently rolling terrain with one hill (Beech Hill) in the south which rises to about 180 feet, which is 80 feet above general local elevation of 100 feet above mean sea level. Rockland is highest point of land in Plymouth County.

U.S. Geological Survey Topographic Plates:

**23 Commonwealth of Massachusetts**  
**Town of Rockland**  
**Special Town Meeting**  
**May 4, 2010**

**Quorum: 300**

**Attendance: 300**

**Registered Voters: 10,562**

Due to lack of a quorum Monday, May 3, 2010 the Town Moderator Paul L. Cusick, Jr. rescheduled the Special Town Meeting to Tuesday, May 4, 2010 at 7:00 p.m.

A quorum being present, the Special Town Meeting was called to order at 8:00 p.m. Tuesday, May 4, 2010 by Paul L. Cusick, Jr., Town Moderator.

He announced the return of the Warrant by Jerold Loomis, Constable of Rockland.

He then recognized John Ellard, Chairman of the Finance Committee. Mr. Ellard made a motion, it was seconded, and the Town voted the first action be on the recommendation of the Finance Committee.

A motion was made, and seconded, and the Town voted to adjourn the Special Town Meeting and opened the Annual Town Meeting.

After the Annual Town Meeting was opened and adjourned the Special Town Meeting was again called to order.

**ARTICLE #1**

The Town voted to transfer the sum of \$100,000.00 for the Repair, Replacement, or Upgrade of the Community Center's Elevator to ADA compliance and make additional repairs to the building and grounds to meet ADA requirements by transferring \$15,000.00 from Salaries Appraiser, \$51,000.00 from Liability Insurance, \$24,000.00 from Unemployment Insurance, and \$10,000.00 from Health Insurance.

**ARTICLE #2**

The Town voted to approve the Tax Increment Financing Plan and Tax Increment Financing Agreement with Air Xchange Incorporated for the property located at 85 Longwater Drive, Rockland, Massachusetts, located on a parcel of land shown as Lot 15 on "Plan of Land off Longwater Drive, Rockland, March 20, 1974, Loring H. Jacobs and Associates, Inc." and recorded in the Plymouth County Registry of Deeds in Book 4169, Page 587, and Assessors Map 5, Block 12, Lot 0-R pursuant to Chapter 40, §59, on file with the Board of Selectmen and the Town Clerk.

### **ARTICLE #3**

A motion was made and seconded and the Town voted to amend by striking out Fisher Property Group and changing to C S Rockland LLC and voted as amended, to approve the Tax Increment Financing Plan and Tax Increment Financing Agreement with C S Rockland LLC for the property located at 954 Hingham Street, Rockland, Massachusetts, located on a parcel shown on Assessors Map 9, Lots 1, 2, and 25, pursuant to Chapter 40, §59, on file with the Board of Selectmen and the Town Clerk.

### **ARTICLE #4**

**This article was withdrawn by the petitioner.**

Will the Town vote to sell the Town-owned property shown on the Town of Rockland Assessor's Maps as Parcel Map# 7 Lot # 004 on Airport Park Drive for a purchase price of not less than fair market value and including all legal fees and related costs associated with the sale subject to compliance with the Uniform Procurement Act. Or take any other action relative thereto.

### **ARTICLE #5**

The Town unanimously voted to authorize the Water Commissioners to take from the Water Undesignated Fund Balance the sum of Two Thousand Dollars (\$2,000.00) for the purpose of payment of a FY09 bill from the Department of Environmental Protection Bureau of Waste Site Cleanup.

### **ARTICLE #6**

The Town voted to transfer the sum of \$8,523.00 Eight Thousand Five Hundred and Twenty Three Dollars from Legal Services Encumbrances Account # 0115157-578099 to Town Hall Maintenance of Property Account # 0119252-525900 for repairs/renovation of town hall.

### **ARTICLE #7**

Will the Town vote to transfer the sum of \$8,500.00 Eight Thousand Five Hundred Dollars from Health Insurance to Computer Services Account #0113553-530400 for the purposes of merging the school and town's financial software within one server.

A motion was made, and seconded, and the Town voted to dissolve the Special Town Meeting.

A true record, attest:

Mary Pat Kaszanek, CMC, CMMC  
Town Clerk

**Commonwealth of Massachusetts**  
**Town of Rockland**  
**Annual Town Meeting**  
**May 4, 2010**

**Quorum: 300**

**Attendance: 319**

**Registered Voters: 10,562**

Due to lack of a quorum Monday, May 3, 2010, the meeting was rescheduled to 7:00 p.m. Tuesday, May 4, 2010.

A quorum being present, the Annual Town Meeting was called to order by Town Moderator Paul L. Cusick, Jr. at 8:00 p.m. Tuesday May 4, 2010.

He announced the Return of the Warrant by Jerold Loomis, Constable of Rockland.

He asked that all stand to salute the flag and had a moment of silence for our deceased friends and co-workers Arnold Laramee, Bernard Dunphy, Gwendolyn Tomolillo and Philip Vargus.

He announced the meeting is being taped and introduced members on stage with him Town Clerk Mary Pat Kaszanek, Assistant Town Clerk Randalin Ralston, Allan Chiocca our Town Administrator, John Clifford Town Counsel and Robert Galvin, Land Counsel. He then introduced newly elected officials Selectman Bill Minahan and Selectman Ed Kimball and asked that they stand and he congratulated them. He then introduced the "hardest working committee in town" the Finance Committee and asked that they stand, Paula Ferguson, Richard Penney, William Allen, John Ellard, Joseph Gambon, Robert MacDonald, Dolores Baronas, Ian Curran, Rachel Gear, Julia Shaffer and Caryn Stevens and thanked them for their hard work.

He then asked John Ellard, Chairman of the Finance Committee to say a few words as far as the budget is concerned. Mr. Ellard explained last year we were in a much different place than we find ourselves tonight. We were preparing to vote on two sets of budgets, one with an override and one without. We were looking at the very real possibility of closing our Library, Council on Aging, our Youth Commission and seeing our Parks Department scaled down to one person. However, in the Special Election the voters stepped up and passed all four override questions.

Last year we didn't know what would happen with the Middle School project. In September we learned that not only was the MSBA going to approve the new Middle School but decided to add a totally refurbished High School making Rockland the only community to be selected for two schools. Once again the voters stepped up and overwhelmingly passed a debt exclusion and the project is moving forward as we speak.

Looking forward there are several items which my committee and I feel need to be addressed and our recommendations do show some progress in reaching these longer term goals. I will mention that the employment contracts have not been settled in a long time, health care is a huge drain on our budget as we are looking at about an 11% increase this year, and post retirement benefits. The use of free cash and other non reoccurring funds to be used on operating budgets is an issue. These monies should be used on things like capital needs and the budget we are recommending does not use any free cash towards operating budgets. At our meetings we speak of returns on investment. It is important we look for cost effective ways to improve on how the town is able to operate and two examples in this years budget are the Energy Committee and the IT Committee.

The Energy Committee has done an outstanding job in bringing grants to Rockland and they have been doing this without any funding from the town and we are recommending funding for this committee. The IT Committee is another area if we want to begin to invest in new technologies and training and we are recommending new funding here with the expectation that we will see cost savings and improved efficiencies. I would like to thank the Board of Health who was able to negotiate a new waste disposal contract which will save us over \$100,000.00 and enable us to invest in these projects.

The Moderator reminded everyone the rules and procedures are on the second page of the warrant. He asked that if you wish to speak you come down to one of the microphones, wait to be recognized and you can speak. Also, a motion to pass over is the same as making a motion to defeat the article. He also asked that any non-voters in the audience come down front and sit in the designated area to his left.

A motion was made, and seconded, and the Town voted to adjourn this meeting to return to the Special Town Meeting.

After the Special Town Meeting was dissolved, the Annual Town Meeting was again called to order.

A motion was made, and seconded, and the Town voted the first action be on the recommendation of the Finance Committee.

A motion was made, and seconded, and the Town voted to take all articles in order.

Tellers Edward Borges, Stanley Cleaves, Peter McDermott and George Anderson were sworn in by the Moderator.

## **ARTICLE #1**

The Town cast their votes in the Annual Town Election April 10, 2010 for the election of candidates for the following offices:

- One Town Moderator for three years
- Two Selectmen for three years
- One Assessor for three years
- One Board of Health Member for three years
- One Highway Superintendent for three years
- One Housing Authority Commissioner for five years
- Two Library Trustees for three years
- One Park Commissioner for three years
- One Planning Board Member for five years
- Two School Committee Members for three years
- One Sewer Commissioner for three years
- One Water Commissioner for three years

**ARTICLE #2**

The Town voted to fix the salaries and compensation of all elective officers in the Town in the amounts indicated in the Department Budgets and make such salaries and compensation effective July 1, 2010, in accordance with the provisions of the Massachusetts General Laws, Chapter 41 Section 108, as amended, and to raise and appropriate such sums of money for the ensuing year and that all sums be appropriated for the specific purpose designated; and that the same be expended on for such boards and commissions of the Town as voted.

#### ARTICLE #4

The Town **unanimously** voted, on a confirmatory basis, to approve the continued use of portions of the area known as Memorial Park currently designated for use as school buildings and related structures, for the construction of new and renovated school buildings and related structures, and the educational purposes incidental to school buildings as shown on a plan entitled “Plan of Rockland Public Schools -Memorial Park, dated April, 2010”; and to authorize the Town to petition the Legislature to adopt a Special Act confirming the vote of Town Meeting authorizing the foregoing continued use of the designated property for school purposes.

#### ARTICLE #5

*Withdrawn*

#### ARTICLE #6

A motion was made, and seconded, and the Town voted to amend Section 2 of this article to read \$100.00 rather than \$300.00 and the Town **unanimously** voted to adopt the following General Town Bylaw for Non-Criminal disposition of the Town’s General Bylaws or Zoning Bylaws:

#### FINES

Section 1 Non-Criminal Disposition. – Pursuant to the civil infraction procedures set forth in Chapter 40, Sec. 21D of the General Laws, the non-criminal disposition of the following violations is hereby authorized:

Any violation of any town general or zoning bylaw

Section 2 Schedule of Civil Assessments – The civil assessment for any violation shall be the amount(s) set forth in the law, bylaw, order or regulation being enforced, or, if no amount is set forth, the assessment shall be \$100.00.

Section 3 Governing Law – This bylaw is intended to comply fully with the provisions of Sections 21D of Chapter 40 of the General Laws, and to authorize the non-criminal disposition of the infraction set forth above pursuant to the civil infraction procedure set forth therein, the provisions of which shall be controlling in all instances in any case in which the enforcement officer elects to proceed with the non-criminal disposition of an alleged violation of any bylaw.

Section 4 Enforcement – In addition to police officers, who shall in all cases be considered enforcing persons for the purpose of this provision, the municipal personnel charged with enforcing a particular bylaw or regulation, if any, shall also be enforcing persons for such bylaw or regulation. Each day during which a violation exists shall be deemed to be a separate offense.

#### ARTICLE #7

The Town voted to establish a Disability Commission to conform with ADA rules and regulations consisting of seven members including the Town Administrator and six members to be appointed to three year terms on a staggered basis.

## ARTICLE #8

The Town **unanimously** voted that the South Shore Regional School District appropriate the sum of Three Million Three Hundred Thousand Dollars (\$3,300,000.00) for the Roof and Window Replacement Project at the South Shore Vocational Technical High School, located at 476 Webster Street, Hanover, Massachusetts, which proposed repair project would materially extend the useful life of the school and preserve an asset that otherwise is capable of supporting the required educational program, said sum to be expended under the direction of the School Building committee, and to meet said appropriation the South Shore Regional School Committee is authorized to borrow said sum under M.G.L. Chapter 44 or any other enabling authority; that the South Shore Regional School District acknowledges that the Massachusetts School Building Authority's ("MSBA") grant program is a non-entitlement, discretionary program based on need, as determined by the MSBA, and any project costs the South Shore Regional School District incurs in excess of any grant approved by and received from the MSBA shall be the sole responsibility of the South Shore Regional School District; provided further that any grant that the South Shore Regional School District may receive from MSBA for the project shall not exceed the lesser of (1) Fifty-Two and Six Hundredths percent (52.06%) of eligible, approved project costs, as determined by the MSBA, or (2) the total maximum grant amount as determined by the MSBA; and that the amount of borrowing authorized pursuant to this vote shall be reduced by any grant amount set forth in the Project Funding Agreement that may be executed between the South Shore Regional School District and the MSBA.

## ARTICLE #9

**This article was withdrawn by the petitioner**

Will the Town vote to amend the Zoning Map by changing the classification of 140 Union Street, Lots 162 on Assessors' Plan 45 which is currently designated B-1 to Residential Four (R-4) Zone?

## ARTICLE #10

The Town **unanimously** voted to rescind its vote under Article 32 of the 2009 Annual Town Meeting which authorized the Sewer Commission to appropriate from the State Sewer Relief Fund the sum of Fifteen Thousand Dollars (\$15,000.00) be expended by the Sewer Commission as part of the Town's ongoing program to identify and remove sources of inflow and infiltration as required under the terms of the NPDES Permit issued to the Town by the United States EPA and Massachusetts DEP.

Purpose/Reason: The State did not fund the Sewer Relief Fund.

## ARTICLE #11

The Town voted to authorize the Sewer Commissioners to take from the Sewer Department Development Fund Account the sum of Three Hundred Thousand Dollars (\$300,000.00) to be expended by the Sewer Commission as part of the Town's ongoing program to identify and remove sources of inflow and infiltration as required under the terms of the NPDES Permit issued to the Town by the United States EPA and Massachusetts DEP.

The Town is mandated by an EPA Administrative Order to have an ongoing Inflow and Infiltration Program.

#### **ARTICLE #12**

The Town voted to authorize the Sewer Commissioners to take from the Sewer Department Unrestricted Fund Balance Account the sum of Sixty Thousand Dollars (\$60,000.00) for the purchase of influent and effluent pumps as part of facility/pump replacement program.

#### **ARTICLE #13**

The Town **unanimously** voted to authorize and empower the Board of Selectmen to file a petition with the General Court in substantially the following form:

- Section 1. The position of Deputy Chief of Police in the Town of Rockland shall be exempt from the provision of Chapter 31 of the General Laws;
- Section 2. The provisions of this act shall not impair the civil service status of the person holding the position of Deputy Chief of Police in the Town of Rockland on the effective date of this act;
- Section 3. This act shall take effect upon its passage.

A motion was made, and seconded, and the Town voted not to reconsider Article 13.

#### **ARTICLE #14**

The Town voted to pass over raising and appropriating or taking from available funds, the sum of (\$10,000.00) Ten Thousand Dollars, to purchase and equip (1) one Police motorcycle, including the trading in of (1) one motorcycle currently in use as a down payment.

#### **ARTICLE #15**

The Town voted to pass over raising and appropriating or taking from available funds, the sum of (\$64,000.00) Sixty Four Thousand Dollars to purchase and equip (2) two Police Cruisers.

#### **ARTICLE #16**

The Town voted to raise and appropriate the sum of Nine Thousand Five Hundred Dollars (\$9,500.00) for the fifth year of a five year lease/purchase agreement for six voting machines.

#### **ARTICLE #17**

The Town voted to raise and appropriate the sum of (\$24,266.50) Twenty Four Thousand, Two Hundred Sixty Six Dollars and Fifty Cents, to make the first payment (of three) on a lease to purchase and equip (2) two Police Cruisers.

## ARTICLE #18

The Town **unanimously** voted to accept the provisions of Chapter 59 Section 5 K, establishing a program to allow persons over the age of 60 to volunteer to provide services to the Town for which the Town shall reduce the real property tax obligations of such person over the age of 60 on his/her tax bills, and any reduction so provided shall be in addition to any exemption or abatement to which such person is otherwise entitled and no such person shall receive a rate of, or be credited with, more than the minimum wage of the Commonwealth per hour for services provided pursuant to such reduction nor shall the reduction of the real property tax bill exceed \$500.00 in a given year, nor shall the total amount allocated for this program in a given year exceed the amount set by the Assessors and approved by the Finance Committee. Such cities and towns shall have the power to create local rules and procedures for implementing this section in any way consistent with the intent of this section.

## ARTICLE #19

A motion was made, and seconded, and the Town voted to amend this article and the Town voted to approve the construction of a new elderly housing project and senior center by the Rockland Housing Authority and/or Rockland Housing Foundation Inc.; pursuant to section 202 of a federal grant and/or state grants subject to approval of appropriate town boards.

## ARTICLE #20

The Town voted to pass over raising and appropriating or taking from available funds the sum of (\$1,500.00) One Thousand Five Hundred Dollars to create a Sundries Account for the purchase of postage, copier services, paper for bids etc.

## ARTICLE #21

The Town voted to authorize revolving funds for Fiscal 2010, pursuant to M.G.L. Chapter 44, Section 53 E as amended for the following purposes:

<u>Department</u>	<u>Receipt Type</u>	<u>Use of Fund</u>	<u>Spending Limit</u>
Community Center	Building Usage Fees	Building Operations	\$175,000
School Committee	Transportation Fees	Student Transportation	100,000
Board of Health	Recycling Fees	Recycle Center Operation	60,000
Youth Commission	Program Fees	Youth Activities	160,000
Fire Department	Permit Fees	Town wide Alarm System	50,000
Police Department	Red Light Violations	Cruiser Maintenance	75,000
Rent Control Board	Rent Control Fees	Legal Fees	15,000
Town Clerk	Passport Photo Fees	Passport Related Costs	5,000
Police Dept.	Cruiser Details Fees	Cruiser Maintenance	50,000

## ARTICLE #22

The Town voted to pass over raising and appropriating or taking from available funds, the sum of \$400,000.00 to purchase a new 1500 Gallon per minute Pumper. The current Engine #2, a 1987 Ford E-One Pumper was taken off the road after failing to pass the Massachusetts

mandatory motor vehicle inspection in the fall and has subsequently been declared surplus and junked. Replacing this Engine will provide a dependable Pumper for the town with minimal maintenance costs for many years. Failure to replace this Engine will leave the Fire Department with insufficient Fire Apparatus to handle our workload on a daily basis and may have an adverse effect on our insurance rating through ISO that could raise insurance premiums to the inhabitants of Rockland.

#### **ARTICLE #23**

The Town voted to raise and appropriate the sum of \$10,000.00 for a down payment to lease purchase a new 1500 Gallon per minute Pumper. The first lease payment of \$52,000.00 will be due in FY12. This lease purchase will be completed in 2020. The current Engine #2, a 1987 Ford E-One Pumper was taken off the road after failing to pass the Massachusetts mandatory motor vehicle inspection in the fall and has subsequently been declared surplus and junked. Replacing this Engine will provide a dependable Pumper for the town with minimal maintenance costs for many years. Failure to replace this Engine will leave the Fire Department with insufficient Fire Apparatus to handle our workload on a daily basis and may have an adverse effect on our insurance rating through ISO that could raise insurance premiums to the inhabitants of Rockland.

#### **ARTICLE #24**

The Town voted to pass over raising and appropriating or taking from available funds, the sum of \$165,000.00 to purchase a new ambulance. The current Ambulance #2 is a 2000 Ford with well over one hundred thousand miles and is no longer serviceable or dependable. Purchase of a new unit will provide a dependable ambulance and will extend the lifespan of Ambulance #1 which is rapidly accumulating miles and wearing out due to the heavy volume of calls.

#### **ARTICLE #25**

The Town voted to pass over raising and appropriating or taking from available funds, the sum of \$38,000.00 for the first year of a five year lease purchase of an ambulance. The current Ambulance #2 is a 2000 Ford with well over one hundred thousand miles and is no longer serviceable or dependable. Purchase of a new unit will provide a dependable ambulance and will extend the lifespan of Ambulance #1 which is rapidly accumulating miles and wearing out due to the heavy volume of calls.

#### **ARTICLE #26**

The Town voted to pass over raising and appropriating or taking from available funds, the sum of \$40,000.00 to purchase a new 4 Wheel Drive Pickup Truck. This unit will replace the current 1986 Ford Forest Fire Truck which is many years beyond its useful life and is in poor and dangerous condition. This truck will be outfitted at a later date with a portable pump and tank and used for a multitude of purposes to respond to emergencies in bad weather and go off the paved road surfaces. In addition it can be used for certain service calls and save road miles on full size apparatus.

## **ARTICLE #27**

The Town voted to pass over raising and appropriating or taking from available funds the sum of \$10,850.00 for the first year of a four lease purchase to purchase a new 4 Wheel Drive Pickup Truck. This unit will replace the current 1986 Ford Forest Fire Truck which is many years beyond its useful life and is in poor and dangerous condition. This truck will be outfitted at a later date with a portable pump and tank and used for multitude of purposes to respond to emergencies in bad weather and go off the paved road surfaces. In addition it can be used for certain service calls and save road miles on full size apparatus.

## **ARTICLE #28**

The Town voted to authorize the Water Commissioners to take from the Water Undesignated Fund Balance the sum of Fifteen Thousand Dollars (\$15,000.00) for the purpose of continuing the survey and testing in accordance with the Commonwealth of Massachusetts Drinking Water Regulations governing cross connections to our water system (310 CMR 22.22).

## **ARTICLE #29**

The Town voted to authorize the Water Commissioners to take from the Water Fund Balance Reserved for System Development the sum of Fifty Thousand Dollars (\$50,000.00) to be used with a like amount from the Town of Abington for the purpose of the demolition of the original Great Sandy Bottom Water Treatment Plant on Phillips Road, in the Town of Pembroke. The building has been deemed unsafe by a structural evaluation.

## **ARTICLE #30**

The Town voted to authorize the Water Commissioners to take from the Water Fund Balance Reserved for System Development the sum of Forty Five Thousand Dollars (\$45,000.00) to be used with a like amount from the Town of Abington for the purpose of commissioning a Master Plan Update for the Abington/Rockland Joint Water Works.

## **ARTICLE #31**

The Town voted to authorize the Water Commissioners to take from the Water Fund Balance Reserved for System Development the sum of Two Hundred Thousand Dollars (\$200,000.00) to provide and install meters.

## **ARTICLE #32**

The Town voted to authorize the Water Commissioners to take from the Water Undesignated Fund Balance the sum of Fifty Thousand Dollars (\$50,000.00) to be used with a like amount from the Town of Abington for the purpose of purchasing security equipment for the protection of the town's water supply.

## **ARTICLE #33**

The Town **unanimously** voted to reduce from Two Million Forty Five Thousand Dollars (\$2,045,000.00) to Two Million Dollars (\$2,000,000.00) its vote under Article #8 of the May 5, 2008, Annual Town Meeting, which accepted to appropriate Two Million Forty Five Thousand Dollars (\$2,045,000.00) and to determine whether this appropriation shall be raised by

borrowing from the Massachusetts Water Pollution Abatement Trust for the construction of Residual Handling Facilities at the Hannigan, Great Sandy Bottom and Myers Avenue Water Treatment Plants, including without limitation all costs incidental and related thereto for the purpose of the Water Department paying the Forty Five Thousand Dollars (\$45,000.00) from the Water Undesignated Fund Balance.

## **ARTICLE #34**

The Town voted to amend this By-Law by eliminating Section 11 (penalties) in its entirety.

The Town **unanimously** voted to adopt the Water Restriction By-Law as amended for the purpose of protecting the public health and welfare.

### **WATER RESTRICTION BY-LAW**

#### **Section 1 Authority**

This By-Law is adopted by the Town under its police powers to protect public health and welfare and its powers under M.G.L. c.40, ss21 et seq. and implements the Town's authority to regulate water use pursuant to M.G.L. c.40, s41A, conditioned upon a declaration of a "Water Supply Emergency" issued by the Department of Environmental Protection.

#### **Section 2 Purpose**

The purpose of this By-Law is to protect and preserve the public health, safety and welfare whenever there is in force a State of Water Supply Conservation or a State of Water Supply Emergency, by providing for enforcement of any duly imposed restrictions, requirements, provisions or conditions imposed by the Town or by the Department of Environmental Protection. This By-Law is also intended to protect and preserve the public health, safety and welfare, by restricting and prohibiting unauthorized water use and/or unregistered water use by water users.

#### **Section 3 Definitions**

"Persons" shall mean any individual, corporation, trust, partnership, association, or other entity which uses or is serviced by the Town's public water system.

"State of Water Supply Emergency" shall mean a State of Water Supply Emergency declared by the Department of Environmental Protection under M.G.L. c21G, s15-17.

"State of Water Conservation" shall mean a State of Water Conservation declared by the Town pursuant to section 4 of this By-Law.

"Unauthorized Water Use" shall mean all activations of water services, fire hydrant (excluding Fire Department personnel during Fire

Emergencies), or other segments of the public water system by any person not authorized by the Water Department.

“Unregistered Water Use” shall mean any water utilized or taken from the public water system without a means of calculating actual consumption.

“Water Users” or “Water Consumers” shall mean any public or private users of the Town’s public water system, irrespective of any person’s responsibility for billing purposes for water used at any particular residence or facility.

**Section 4 Declaration of a State of Water Supply Conservation**

The Town through its Board of Water Commissioners may declare a State of Water Supply Conservation upon a determination by a majority vote of the Board, at a public meeting, that a shortage of water exists and conservation measures are appropriate to ensure an adequate supply and adequate water pressure to all water customers. Upon notification to the public that a State of Water Supply Conservation has been declared, no person shall violate any provisions, restrictions, or requirements intended to bring about an end to the State of Water Supply Conservation.

**Section 5 Restricted Water Uses**

A declaration of a State of Water Supply Conservation shall include one or more of the following restrictions, conditions, or requirements limiting the use of water as necessary to protect the public water supply. The applicable restrictions, conditions or requirements shall be included in the public notice required under Section 7.

**Step One – Odd/Even Day Outdoor Watering Restrictions**

All outdoor water uses by water users with odd numbered addresses is restricted to odd numbered calendar days. All outdoor water uses by water users with even numbered addresses is restricted to even numbered calendar days.

**Step Two – Hand Held Hoses Only**

All outdoor water uses are restricted to hand held hoses only. The Odd/Even Day Outdoor Watering Restrictions shall also be observed.

**Step Three – Outdoor Watering Hours**

All outdoor water uses are restricted to hand held hoses only between the hours of 7:00a.m. and 8:00a.m. or between 8:00p.m. and 9:00p.m.. The Odd/Even Day Outdoor Watering Restrictions shall also be observed.

**Step Four – Outdoor Watering Ban**

All outdoor water use is prohibited for all uses.

**Section 6 State of Water Supply Emergency: Compliance with DEP Orders**

Upon notification to the public that a declaration of a State of Water Supply Emergency has been issued by the Department of Environmental Protection, no person shall violate any provision, restriction, requirement, condition of any order approved or issued by the Department intended to bring about an end to the State of Emergency.

**Section 7 Public Notification of a State of Water Supply Conservation and/or Emergency**

Notification of any provisions, restrictions, requirements or conditions imposed by the Town as part of a State of Water Supply Conservation, or by the Department of Environmental Protection as part of a State of Water Supply Emergency, shall be given by the publication of at least one display advertisement in a newspaper of general circulation within the Town, by the posting of removable signs where any state highway crosses the town line, and by such other means reasonably calculated to reach and inform all water users of the declaration of a State of Water Supply Conservation and/or Emergency. Any restrictions imposed shall not be effective until such notification is provided. Notification of the declaration of a State of Water Supply Conservation shall also be simultaneously provided to the Massachusetts Department of Environmental Protection in writing by the Board of Water Commissioners.

**Section 8 Termination of a State of Water Supply Conservation and/or Emergency**

A State of Water Supply Conservation may be terminated by a majority vote of the Board of Water Commissioners, at a public meeting, upon a determination that the water supply shortage no longer exists. A State of Water Supply Emergency shall be terminated by the Department of Environmental Protection upon a determination that the emergency no longer exists. Public notification of the termination of a State of Water Supply Conservation and/or Emergency shall be given by the publication of at least one display advertisement in a newspaper of general circulation within the Town, by the removal of all erected Water Supply Conservation and/or Emergency signs, and by such other means reasonably calculated to reach and inform all water users of the termination of the State of Water Supply Conservation and/or Emergency.

**Section 9 Unauthorized Water Usage**

No person, water user, or water consumer shall activate, or cause to be activated, any water main and/or appurtenances to the public water system without prior authorization of the Water Department.

**Section 10 Unrestricted Water Usage**

No person, water user, or water consumer shall activate, or cause to be activated, any water main and/or appurtenances to the public water system without first having a Water Department approved metering device installed to calculate the amount of water utilized.

No person, water user, or water consumer shall remove and/or alter any metering device.

**THE FOLLOWING SECTION 11 HAS BEEN DELETED**

**Section 11 Penalties**

Any Person found to have violated Section 5 and/or Section 6 of this By-Law will receive a written warning for the first offense and shall be liable to the Town in the amount of \$100.00 for each subsequent offense within the same calendar year. Any person found to have violated Section 9 of this bylaw shall be liable to the Town in the amount of \$300.00 for each offense. Any person found to have violated Section 10 of this By-Law shall be liable to the Town in the amount of up to \$300.00 for each offense. All fines shall inure to the Town for such uses as the Board of

Water Commissioners may direct. Fines shall be levied and assessed by employees of the Water Department and/or the authorized agents of the Board of Water Commissioners upon witnessing any violation, or after investigating and verifying that a violation in fact occurred. Violators shall be entitled to appeal the assessment of any fines with the Board of Water Commissioners, and said appeal shall be held at a public meeting of the Board. Fines shall be recovered by indictment, or on complaint before the District Court, or by non-criminal disposition in accordance with M.G.L. c.40 s21D. Each day on which a violation of Section 5 and/or Section 6 occurred shall constitute a separate offense.

**Section 11 Severability**

The invalidity of any portion or provision of this By-Law shall not invalidate any other portion or provision hereof.

**ARTICLE #35**

The Town voted to pass over establishing a Revolving Account in accordance with the provisions of MGL c.44, §53E½ not to exceed Ten Thousand dollars (\$10,000.00) in FY 2011 for fines and fees collected at the Library Department and authorize the Library Trustees to expend from this account for the purchase of books and related materials or the general operation of the department.

**ARTICLE #36**

The Town **unanimously** voted to add to Article XI §415-90 “Violation and penalties” of the Rockland General Code Zoning Bylaws by **amending paragraph A to read follows and adding a new paragraph D as follows:**

A. Any person who violates any of the provisions of this bylaw shall be subject to fine of \$300.00 per violation for each day of the violation or any successive day the violation(s) continue. Each day or portion thereof during which a violation continues shall constitute a separate offense, and each bylaw provision violated shall constitute a separate offense.

D. This bylaw may be enforced pursuant to the provisions of Chapter 40, Section 21D by the Building Inspector, Zoning Enforcement Officer or other officer having police powers.

### ARTICLE #37

The Town **unanimously** voted to amend Article V §415-37 B. “Home Occupation” of the Rockland General Code Zoning Bylaws to add at the end of §415-37 B **“In no event shall any products be displayed, or sold except those manufactured on the premise.”**

### ARTICLE 38

The Town **unanimously** voted to **add to Article V §415-22 E 3** “Land Alteration regulation” of the Rockland General Code Zoning Bylaws by adding:

- (3) Land clearing: Properties located in business, commercial or industrial districts or use shall not cut, clear, or stump 15 or more trees that are 5 inches or larger in diameter at the base of the tree, in a one-year period unless there has been a recently approved plan for a construction project on the site or in the ordinary course of prevention of storm damage to existing buildings or clearing storm damage. An approved project shall mean an approval of a plan from the Rockland Conservation Commission, Planning Board, Zoning Board of Appeals or the issuance of a building permit by the Town Building Inspector.”

### ARTICLE #39

The Town **unanimously** voted to amend the Rockland General Code Zoning Bylaws Article XI, §415-89 F “Provisions relating to conversions and/or renovations of existing factories or other industrial buildings in the I-1 zoning district.” **by adding a new paragraph (11) as follows:**

- (11) Temporary moratorium on issuance of special permits. There is hereby enacted a temporary moratorium on the issuance of special permits by the Planning Board for conversions and/or renovations of existing factories or other industrial buildings in the I-1 Zoning District. The temporary moratorium will end on November 1, 2011, unless this moratorium is sooner repealed by Town Meeting upon recommendation of the Planning Board. The moratorium enacted by this subsection will provide the Planning Board sufficient time to write amendments that will resolve outstanding problems that have arisen in connection with the implementation of § 415-89F. The Planning Board will also consider during the moratorium period recommending to the Town Meeting that it repeal § 415-89F in its entirety.

### ARTICLE #40

The Town **unanimously** voted to amend Article V §415-24 C by adding the following phrase to the beginning of the paragraph after the title words “Certain alterations excepted,”: “Excepting for properties in business, commercial or industrial use, no” which shall result in the paragraph reading as follows:

- C. Certain alterations excepted. **Excepting for properties in business, commercial or industrial use**, no finding by the Zoning Board of Appeals shall be required for extensions or alterations of legally existing nonconforming structures located on pre-existing nonconforming

lots if the extension or alteration meets current set back, **lot coverage, building height, off-street parking and yard requirements of the Rockland General Code Zoning By-Laws.**

#### ARTICLE #41

The Town **unanimously** voted to add and amend Article V §415-22 “Consultant Review Requirement” of the Rockland General Code Zoning Bylaws by adding a new paragraph H:

H. Consultant review requirement- The Town of Rockland may charge any applicant or proponent of any project which requires any permit or approval from a local board, official, or agency of the Town of Rockland and which involves the construction, replacement, reconstruction, conversion, expansion or demolition of structures or facilities, a peer review fee for compliance with federal, state or local laws or regulations or consistency with good engineering practice. The procedure shall be governed by MGL c. 44, § 53G. The sum to be assessed shall be determined by the applicable reviewing authority and shall be generally equal to the amount deemed by the Town to be desirable or necessary to engage consultants, including but not limited to attorneys, engineers, or other consultants to review applications, plans or other documents, whether technical or not, to ensure compliance with any laws or regulations. The applicant shall provide the Town or boards with sufficient information to fully evaluate the project for the purpose of making a determination as to approval, modification or disapproval of the matter.

#### ARTICLE #42

A motion was made, and seconded, and the Town voted to amend this article to say “**exclude residential zones.**”

The Town **unanimously** voted to amend, as amended, Article V §415-22 E 1 “Land alteration regulations” of the Rockland General Code Zoning Bylaws by amending the first sentence and third sentences to read as follows:

- (1) No gravel, loam, sand, clay, soil or quarried stone shall be removed from land in any zone, **excluding residential zones**, in the Town without a permit from the Zoning Board of Appeals after a public hearing, **an approved site plan from the Planning Board consistent with its rules and regulations relating to earth removal**, and under such conditions as the Board of Appeals may see fit to impose and make a part of the permit.

The plan shall show present and proposed grades and elevations with topography in **two-foot** contours and grades in profile . . . .

#### ARTICLE #43

The Town **unanimously** voted to amend Article V §415-27 B “Lot Width” of the Rockland General Code Zoning Bylaws by **deleting the number “30” and replacing it with the number “40”**

**ARTICLE #44**

The Town unanimously voted to amend Article X of the Rockland General Code Zoning Bylaws “Performance Standard” by deleting §415-79 to 415-87 and replacing with the following:

§ 415-79. Environmental performance standards.

A. Any use permitted by right or special permit in any district shall not be conducted in a manner as to emit any dangerous, noxious, injurious, or otherwise objectionable fire, explosion, radioactivity or other hazard, noise, vibration, smoke, dust, odor or other form of environmental pollution; electrical or other disturbance; glare; liquid or solid wastes; conditions conducive to the breeding of insects, rodents, or other substance; conditions or element in an amount as to affect adversely the surrounding environment. The following standards shall apply:

- (1) Emissions shall be completely and effectively confined within the building, or so regulated as to prevent any nuisance, hazard, or other disturbance from being perceptible (without the use of instruments) at any lot line of the premises on which the use is located.
- (2) All activities and all storage of flammable and explosive materials at any point shall be provided with adequate safety devices against fire and explosion and adequate fire-fighting and fire-suppression devices and equipment.
- (3) No activities that emit dangerous radioactivity at any point and no electrical disturbance adversely affecting the operation at any point of any equipment, other than that of the creator of such disturbance, shall be permitted.
- (4) No emission of visible smoke of a shade equal to or darker than No. 1 on the Ringlemann Smoke Chart as published by the U.S. Bureau of Mines shall be permitted for a period or aggregate period of time in excess of six minutes during any one hour, provided that at no time during said six minutes shall the shade, density or appearance be equal to or greater than No. 2 on the Chart.
- (5) No emission which can cause any damage to health or animals or vegetation or which can cause excessive soiling at any point shall be permitted.
- (6) No emission which contains particle matter shall exceed federal standards of the Environmental Protection Agency.
- (7) No facility regardless of its size shall discharge more than 40 pounds per hour of dust and fumes to the atmosphere.
- (8) No discharge of any material, at any point, into a private sewerage system, stream, the ground, or a municipal sewage disposal system in such a way, or of such a nature or temperature as may contaminate any running stream, water supply, water body, or otherwise cause the emission of dangerous or objectionable elements and accumulation of wastes conducive to the breeding of rodents or insects shall be permitted.
- (9) No activity shall be permitted which causes or creates a vibration, at any point on any lot line, with a displacement and respective frequency listed below.

**Maximum Permitted Steady State Vibration Displacement**

<i>Frequency (cycles per second)</i>	<i>Displacement (inches)</i>
10 and below	.0008
10 - 20	.0005
20 - 30	.0003
30 - 40	.0002
40 - 50	.0001
50 - 60	.0001
60 and over	.0001

**Maximum Permitted Impact Vibration Displacement**

<i>Frequency (cycles per second)</i>	<i>Displacement (inches)</i>
10 and below	.0016
10 - 20	.0010
20 - 30	.0006
30 - 40	.0004
40 - 50	.0002
50 - 60	.0002
60 and over	.0002

(10) Noise.

(a) Maximum permissible sound pressure levels for noise radiated continuously from a facility between 8:00 p.m. and 7:00 a.m. at any lot line shall be as follows;

<i>Frequency Band (cycles per second)</i>	<i>Sound Pressure Level, (decibel re 0.0002 dyne/cm<sup>2</sup>)</i>
20 - 75	69
75 - 150	54
150 - 300	47
300 - 600	41
600 - 1,200	37
1,200 - 2,400	34
2,400 - 4,800	31
4,800 - 10,000	28

(b) If this sound is not smooth and continuous, one of the following corrections should be added to each of the actual decibel levels given:

[1] Daytime operation only: +5

[2] Noise source operates less than 20% of any hour period: +5.

(8) No discharge of any material, at any point, into a private sewerage system, stream, the ground, or a municipal sewage disposal system in such a way, or of such a nature or temperature as may contaminate any running stream, water supply, water body, or otherwise cause the emission of dangerous or objectionable elements and accumulation of wastes conducive to the breeding of rodents or insects shall be permitted.

(9) No activity shall be permitted which causes or creates a vibration, at any point on any lot line, with a displacement and respective frequency listed below.

**Maximum Permitted Steady State Vibration Displacement**

<i>Frequency (cycles per second)</i>	<i>Displacement (inches)</i>
10 and below	.0008
10 - 20	.0005
20 - 30	.0003
30 - 40	.0002
40 - 50	.0001
50 - 60	.0001
60 and over	.0001

**Maximum Permitted Impact Vibration Displacement**

<i>Frequency (cycles per second)</i>	<i>Displacement (inches)</i>
10 and below	.0016
10 - 20	.0010
20 - 30	.0006
30 - 40	.0004
40 - 50	.0002
50 - 60	.0002
61 and over	.0002

(10) Noise.

(a) Maximum permissible sound pressure levels for noise radiated continuously from a facility between 8:00 p.m. and 7:00 a.m. at any lot line shall be as follows;

<i>Frequency Band (cycles per second)</i>	<i>Sound Pressure Level, (decibel re 0.0002 dyne/cm<sup>2</sup>)</i>
20 - 75	69
75 - 150	54
150 - 300	47
300 - 600	41
600 - 1,200	37
1,200 - 2,400	34
2,400 - 4,800	31
4,800 - 10,000	28

(b) If this sound is not smooth and continuous, one of the following corrections should be added to each of the actual decibel levels given:

[1] Daytime operation only: +5

[2] Noise source operates less than 20% of any hour period: +5.

(11) No emission of odorous gases or odoriferous matter in such quantities as to be offensive shall be permitted. Any process which may involve the creation and/or emission of any odors shall be provided with a secondary safeguard system. No objectionable odor greater than that caused by 0.001202 ounces per thousand cubic feet of hydrogen sulfide or any "odor threshold" as defined in Table III in Chapter 5 of Air Pollution Abatement Manual, copyright 1951, by Manufacturing Chemists Association, Inc., of Washington, D.C. shall be permitted.

(12) No direct or sky-reflected glare, whether from floodlights or from high-temperature processes, such as welding, shall be permitted when it is determined that it will be hazardous or obnoxious.

B. In the event of a conflict between the above performance standards and state standards, the standards of a duly organized regional authority, or local standards, the standards which are more stringent shall govern.

§ 415-80. General performance standards.

A. Work hours.

(1) The hours of work will be Monday through Friday, 7:00 a.m. to 6:00 p.m., Saturday, 7:00 a.m. to 3:30 p.m., No Sundays, and no holidays. Following are the holidays to be observed: New Years, Martin Luther King Day, Presidents' Day, Easter, Patriot's Day, Memorial Day, July 4<sup>th</sup>, Labor Day, Columbus Day, Veterans Day, Thanksgiving, and Christmas, for a total of 12.

(2) Any work that is needed after designated hours, on Sundays or holidays will require notification to the Zoning Enforcement Officer, the Planning Board Chairman and direct abutters 48 hours prior to work commencing.

## ARTICLE #45

The Town **unanimously** voted to add and amend Article VIII §415-59 “Site plan review” of the Rockland General Code Zoning Bylaws to add:

### § 415-59 Site plan review and approval

**A. Amend Article VIII, §415-59 Section A to remove existing paragraph A and replace with the following:**

**A.** Contents of site plan. The form, content, style, number of copies of plans and specifications, and the procedure for submission and approval of such plans and application shall follow the most current Rockland Planning Board rules and regulations for site plan requirements in effect at the time of the application for site plan approval. A copy of said rules shall be filed in the office of the Town Clerk.

**B.** Amend Article VIII §415-59 B to remove items (1) – (6) and replace with the following:

- (1) Protection of adjoining premises against detrimental or offensive uses on the site, including compliance with all dimensional requirements set forth in this bylaw, and provision of adequate landscaping, including the screening of adjacent residential uses, provision of street trees, landscape islands in the parking lot and a landscaped buffer along the street frontage.
- (2) Convenience and safety of vehicular and pedestrian movement within the site, and in relation to adjacent streets, property, or improvements. Site plan review shall also include review of a traffic impact and assessment plan associated with the use which shall be certified by a professional engineer or an equivalent professional skilled and experienced in traffic impact and assessment and, where applicable, traffic signal operations.
- (3) Adequacy of the methods of disposal for sewage, refuse and other wastes resulting from the uses permitted or permissible on the site.
- (4) Adequacy of the proposed drainage system within and adjacent to the site to manage all increased runoff resulting from the development on site, and adequacy of the soil erosion plan and any plan for protection of steep slopes, both during and after construction. Site plan review shall also include review of drainage calculations and also a proposed operations and maintenance plan for the approved drainage system to be certified by a registered professional engineer.
- (5) Compliance with Article V of this bylaw, including adequacy of space for the off-street loading and unloading of vehicles, goods, products, materials, and equipment incidental to the normal operation of the establishment.
- (6) Adequacy of lighting, including compliance with Planning Board rules and regulations, such that all lighting and other sources of illumination, whether interior or exterior, and all intense light emanating from operations or equipment shall be shielded from direct view at normal eye level from adjacent properties.
- (7) Building sites shall minimize any material or significant adverse impacts on steep slopes, floodplains, scenic views, grade changes and wetlands.

- (8) Conformance with all appropriate provisions of the Zoning Bylaw except where variance from such provision is applied for and approved by the Board if authorized. All permits issued under this bylaw shall be conditioned upon receipt of all other required permits including those of the Board of Health and Conservation Commission if necessary;

**C. Amend Article VIII, §415-59 by adding a new paragraph C as follows:**

C. As-built plans: Prior to the issuance of a certificate of occupancy, the owner shall provide as-built plans to the Town. The plans shall be prepared and stamped by a registered land surveyor and a professional engineer of the Commonwealth of Massachusetts certifying that the site plan has been built according to the approved plan and submitted to the Building Inspector and Planning Board. Such certification shall also include that the surface and subsurface drainage discharge has been installed according to the approved site plan. Field reports from the design engineer may be requested by the Building Inspector and Planning Board during construction for prior approval of changes from the approved site plan.

**ARTICLE #46**

The Town voted to authorize the procurement of a five-year lease, purchase, or lease/purchase of a 25 seat mini bus or additional vans to transport Special Education students.

**ARTICLE #47**

**This article was withdrawn by the proponent**

To see if the Town will vote to amend the current zoning district of the Town of Rockland by removing references to the I-1 zone as shown on the current Town Zoning Map for the parcel shown as Lot 80 on the Town Assessor's Map 45 and replacing the same with the reference of B-1 or take any other action relative thereto.

**Purpose/Reason-**The purpose of said zoning change is to extend the B-1 zoning to include the above referenced Map and Lot (aka 31 East Water Street) as shown on the attached plot plans (exhibit A + B) of the Town of Rockland Assessors Map. Property is currently zoned I-1.

**ARTICLE #48**

The Town **unanimously** voted to accept as a gift by deed and transfer custody to the Rockland Conservation Commission the land situated in Rockland, Plymouth County, Massachusetts, being shown as lots 9 and 30 on Assessor's Sheet 32 and whose deeds are recorded at the Plymouth County Registry of Deeds in Book # 8930, page 242 (lot 9) and Book # 8730, page 095 (lot 30) containing a total of 10,980 s.f., to be maintained as open space.

**COMMONWEALTH OF MASSACHUSETTS  
TOWN OF ROCKLAND  
SPECIAL STATE ELECTION  
JANUARY 19, 2010**

The Special State Election to fill the seat of Senator Edward Kennedy who died August 25, 2009 was held in the Rockland High School Gymnasium, 52 MacKinlay Way for Precincts 1, 2, 3 and 4 and the R. Stewart Esten School, 733 Summer Street for Precincts 5 and 6. A Warrant issued by the Selectmen November 16, 2009 was posted in each of the six precincts by Adam Loomis, Constable of Rockland.

Specimen ballots, Massachusetts Voters' Bill of Rights, Information on Federal and State Laws that Prohibit Fraud and Misrepresentation and Instructions to Voters were posted as required by the Laws of the Commonwealth.

The polls were opened at 7:00 a.m. after the election officials in each of the six precincts examined the ballot boxes to show they were empty and printed a list of the candidates to ensure there were no votes on the vote tabulator.

Accu-Vote optical scan vote tabulators were used at the polls. The polls were closed at 8:00 p.m. Ballots cast were 6,583, 62% of the 10,654 registered voters. Included in this total were 37 absentee ballots in precinct 1, 95 in precinct 2, 24 in precinct 3, 33 in precinct 4, 33 in precinct 5 and 47 in precinct 6.

Tapes from the optical scan tabulators with unofficial results were posted in the Rockland Town Offices at 8:15 p.m. and posted on cable station WRPS. Associated Press was also advised of our results. Final official results were declared as follows:

	<b>Prec. 1</b>	<b>Prec. 2</b>	<b>Prec. 3</b>	<b>Prec. 4</b>	<b>Prec. 5</b>	<b>Prec. 6</b>	<b>TOTAL</b>

**TOWN OF ROCKLAND  
ANNUAL TOWN ELECTION  
APRIL 10, 2010**

The Annual Town Election was held in the Rockland High School Gymnasium, 52 MacKinlay Way for Precincts 1, 2, 3 and 4 and at the R. Stewart Esten School, 733 Summer Street for Precincts 5 and 6 on Saturday, April 10, 2010. Attested copies of the Warrant issued by the Selectmen March 25, 2010 was posted in each of the six precincts March 25, 2010 by Jerold Loomis, Constable of Rockland.

Specimen Ballots, Instructions to Voters, Abstracts of the Laws imposing penalties on voters and the Massachusetts Voters' Bill of Rights were posted as required by the Laws of the Commonwealth. Accu-Vote tabulators were used in each of the six precincts and each polling location has a Voter Assist Terminal for the convenience of handicapped voters.

The polls were opened at 8:00 a.m. Election officials in each of the six precincts printed a zero tape of all candidates to insure there were no votes on the tabulator and that each candidate was listed. The tape was posted in a conspicuous place in the precinct.

The polls were closed at 8:00 p.m. Total ballots cast were 2,617, 25% of the 10,561 registered voters. Absentee ballots included were 17 in precinct 1, 40 in precinct 2, 3 in precinct 3, 5 in precinct 4, 23 in precinct 5 and 13 in precinct 6.

Unofficial results were posted in the Rockland Town Offices at 8:20 p.m. Final results were declared as follows:

**A TRUE RECORD, ATTEST:**

Mary Pat Kaszanek, CMC, CMMC  
Town Clerk

**TOWN OF ROCKLAND  
STATE PRIMARY ELECTION**

The State Primary Election was held in the Rockland High School Gymnasium, 52 MacKinlay Way for Precincts 1 through 4, and the R. Stewart Esten School, 733 Summer Street for Precincts 5 and 6 on Tuesday, September 14, 2010.

Attested copies of the Warrant issued by the Board of Selectmen August 31, 2010 were posted in each of the six precincts by Adam Loomis, Constable of Rockland.

Specimen ballots, instructions to voters, abstracts of the laws imposing penalties upon voters and voters bill of rights were posted as required by the Laws of the Commonwealth.

The polls were opened at 7:00 a.m. after the election officials in each of the six precincts examined the ballot boxes to show they were empty and printed a listing of all candidates to show there were no votes on the tabulator. Accu-Vote OS optical scan vote tabulators were used.

The polls were closed at 8:00 p.m. Ballots cast were 1,388 Democrat, 1,130 Republican and 3 Libertarian for a total of 2,521, 24% of the 10,525 registered voters.

Tapes from the optical scan tabulators with unofficial results were posted in each of the six precincts and at the Rockland Town Offices. Official results were declared as follows:

A TRUE RECORD, ATTEST:

MARY PAT KASZANEK, CMC, CMMC  
TOWN CLERK

**TOWN OF ROCKLAND  
STATE ELECTION  
NOVEMBER 2, 2010**

The State Election was held in the Rockland High School Gymnasium, 52 MacKinlay Way for Precincts 1, 2, 3 and 4 and at the R. Stewart Esten School Gymnasium, 733 Summer Street for Precincts 5 and 6 on Tuesday, November 2, 2010. A Warrant issued by the Selectmen October 18th, 2010 was posted by Jerold Loomis, Constable of Rockland.

Specimen ballots, Cards of Instructions, Massachusetts Voters' Bill of Rights and Abstracts of the Laws imposing penalties upon voters were posted as required by the Laws of the Commonwealth.

The polls were opened at 7:00 a.m. after the election officials in each of the six precincts examined the ballot boxes to show they were empty and then printed a listing of all candidates to ensure there were no votes on the vote tabulator.

AccuVote optical scan vote tabulators were used at the polls. Also, for the convenience of some handicapped voters we have an AutoMARK Voter Assist Terminal in each polling location. They have touch screens, a Braille keypad, headphones, a puff-sip device, etc. to assist a handicapped voter in marking their ballot.

The polls were closed at 8:00 p.m.

Total ballots cast were 6,692, 63% of the 10,639 registered voters. Ballots cast included 311 absentee ballots, 56 in precinct 1, 96 in precinct 2, 35 in precinct 3, 32 in precinct 4, 38 in precinct 5 and 54 in precinct 6.

Tapes from the optical scanners with the unofficial results from each of the six precincts were posted in the schools and then at the Rockland Town Offices at 8:15 p.m. and after they were tallied Associated Press was notified at 9:00 p.m.

Official results were declared as follows:

TOTAL	<u>12,009</u>

INFORMATION ON VOTER REGISTRATION

Residents must be 18 years of age or older, born in the United States, or be a Naturalized citizen.

Once registered, residents do not have to re-register unless they have left Rockland and have been taken off the voting list. If they return to Rockland, they must re-register.

There are no residency requirements. You may move into Town one day and register to vote the next day.

There are 3 political parties in Massachusetts: Democratic, Republican and Libertarian Party.

In addition to the political parties there are political designations. If you enroll in any political designation you may not vote in any state or presidential primary.

**Total Estimated Receipts & Other Revenue Sources** \$ **24,034,872.04**

### IV Summary of Total Amount to be Raised & Total Receipts from All Sources:

Total Amount to be Raised	\$ 48,462,375.22
Less Estimated Receipts & Other Revenue Sources	\$ <u>24,034,872.04</u>

**Fiscal Year 2010 Real and Personal Property Tax levy** \$ **24,427,503.18**

The Property Tax Levy is the revenue the community can raise through real and personal property taxes. The property tax levy is the largest source of revenue for the Town of Rockland. It represents approximately 50% of the town's total budget for fiscal year 2010.

It is the Assessors' responsibility to establish fair market value for all properties in the Town of Rockland. Fiscal year 2010 was an interim valuation year and the Assessors adjusted property values to keep pace with what was a depreciating real estate market in Rockland. According to Department of Revenue guidelines, property values should fall within a range of 10% plus or minus of 100% fair market value. Arms-length sales were classified and analyzed and market trends were identified. The new parameters were applied consistently to all properties.

The total valuation of the town as approved by the Department of Revenue was \$1,697,533,230 with a uniform tax rate of \$14.39 per thousand dollars of assessment. Fiscal year 2010 assessments can be accessed through the Town of Rockland website in addition to being available at the Assessors' Office at Town Hall.

The Board of Assessors would like to take this opportunity to publicly thank Robert Brinkmann, Assessor/ Appraiser for the Town of Hanover and Darleen Sullivan, Assessing Assistant for the Town of Hanover for serving as Interim Assessors for the Town of Rockland for several months of fiscal year 2010. Bob and Darleen with their many years of assessing experience ably led the office through the fiscal year 2010 interim year assessment and abatement process. We would also like to thank administrative assistant Delshaune Flipp who was our only full time staff member during this time for her competent administration of the day to day operations of the office.

Mr. Brinkmann and Ms. Sullivan also assisted us through the process of fully staffing the Assessors' Office. With their help, we hired a new full-time Assistant Assessor/Appraiser Debra Krupczak who brings over seventeen years of experience as an assessing professional to the Town of Rockland. We were also fortunate to hire Rockland resident, Lisa Flaherty who has an extensive customer service background to fill the administrative assistant vacancy.

We would like to acknowledge the hard work and dedication shown by Ms. Krupczak and her assistants Delshaune Flipp and Lisa Flaherty throughout the year.

In addition, the Board of Assessors would like to express our sincere thanks to all the town officials and clerical staff for their help and cooperation during the past year.

Finally, the Board would like to thank the residents of Rockland for their patience and understanding through this difficult transition process. We are pleased to report that the office is fully staffed with quality personnel and running efficiently to serve the taxpayers of The Town of Rockland.

Respectfully submitted,

Dennis M. Robson, Chairman  
Jeffrey S. Reale

# TOWN COLLECTOR

To the Honorable Board of Selectmen and the Citizens of Rockland:

I, Judith A. Hartigan, Town Collector, hereby submit the Annual Report from the Town Collector's Office for fiscal year 2010 for taxes and fees collected and turned over to the Treasurer from July 1, 2009 through June 30, 2010.

## Current and Prior Years

## **BOARD OF SELECTMEN**

2010 Report to the Town. The Board of Selectmen welcomed William H. Minahan, Jr. and Edward F. Kimball to the Board of Selectmen after the April elections. The Board wishes to thank both James J. Simpson and Michael Zupkofska for their years of service to the Board.

Budgets and finances continued to be the main focus of the BOS throughout the year. The economy and reductions in local aid created challenges for all town boards and committees.

Another large focus of the community has been the School Construction project. Virtually every board and committee has been involved with some aspect of the construction project. The BOS has continued to work closely with the School Building Committee.

New Open Meeting Law has required all Town Boards and Commissions to post more detailed meeting agendas. Seminars were held to update and educate all Town Boards on the new requirements. The BOS has directed all committees appointed by them to meet in rooms in Town Hall that have audio and video recording capabilities.

After a long search the BOS appointed Rockland Fire Department Captain Scott Duffey as the new Fire Chief. The BOS wishes Chief Duffey every success as begins his new

position. The BOS also wishes to thank retiring Fire Chief Robert DiPoli for his service to the Town.

The ongoing development of Southfield at the site of the former U.S. Navy airbase continues to be a major focus of the BOS. The East West Parkway is proceeding and is expected to promote economic opportunities in the region. The Town has also entered into a revised addendum to the previous mitigation agreement with LNR, the developers of Southfield.

The BAT Bus public transportation route was amended to better service the community. Daily ridership continues to increase on the scheduled routes.

The BOS successfully negotiated a new three year contract with Town Administrator Allan Chiocca ensuring stability in his position and the continuing of the forward progress we have been making as a community.

The BOS have also successfully completed contract negotiations with the police, AFSME, and the RITE unions.

The reconstruction of the downtown Union Street sidewalks was begun between North Avenue and Water Streets in the fall. When completed the downtown reconstruction will feature new sidewalks, trees, benches and bike racks. The project is scheduled to be completed in the spring of 2011.

Respectfully submitted,

Lawrence J. Chaffee, *Chairman*  
Deborah A. O'Brien, *Vice Chairman*

*Selectmen*  
Michael P. Johnson  
Edward F. Kimball  
William H. Minahan, Jr.

## **2010 ANNUAL REPORT BOARD OF HEALTH**

To The Honorable Board of Selectmen:

It is with pleasure that we submit the 2010 Annual Report of the Rockland Board of Health.

At the Annual Town Election in April, Patricia Halliday was re-elected to the Board.

The Board reorganized its officers in May. Victoria Deibel was elected Chairman of the Board and Stephen Nelson was elected Vice Chairman.

Over the past year, the Board and the Health Agent have continued active participation in the Plymouth County Region 5 Emergency Preparedness Coalition. This group provides support and direction in planning for emergencies which may affect the public health of its member communities. The group also provides the Town with equipment and training opportunities needed to respond to public health and safety emergencies. The various emergency response plans are continually reviewed and updated. Over the next year, the Board of Health and the local emergency management team will be working to recruit and train volunteers to assist in the event of an emergency or natural disaster.

Additional State supplied H1N1 vaccine was provided to the Town in early 2010 allowing the Board of Health to extend vaccine availability to all residents. Clinics were held in the early part of 2010 at the Rockland Memorial Library. In total, over 250 Rockland residents received vaccinations. These clinics were provided at no charge to the Town. All supplies and costs incurred for nurses were covered by the Plymouth County Region 5 Emergency Preparedness Coalition.

For the second year in a row, Rockland was spared a heightened risk of exposure to mosquito-borne diseases. None of the testing pools were positive to infected mosquitoes. It was not necessary to close any fields in the town. Residents should still take the necessary precautions to reduce exposure to mosquitoes.

The Board continues to work with various vendors in furthering its recycling outreach programs. The South Shore Recycling Cooperative is continually providing its member towns with diverse recycling opportunities.

Initial site work continues at the Pleasant Street/VFW Drive landfill property. Camp, Dresser and McKee has filed the necessary paperwork with the Conservation Commission as work on the site over the next year will be within the 100 ft. buffer zone. More invasive site work will begin during the upcoming calendar year.

Also, with the Town's vote to allow the property to be sold, the Town's Tax Title attorney has begun work on the title search.

Solid waste and recycling tonnages remained stable with no significant changes. DEP continues to aggressively check trash loads for unacceptable quantities of recyclable materials. It has also begun to increase its inspections of transfer stations and closed landfills. Failure to comply with regulations could result in fines being assessed.

In July, the Board of Health instituted single stream recycling which allows residents to place all recyclables in one container. There is no longer a need to separate paper from plastics, metals, and glass. Single stream barrel stickers are available to residents at no charge at the Board of Health office.

During the year, 237 complaints were addressed, 198 routine inspections were performed for food service establishments, additional inspections were performed on housing units, swimming pools, schools and mobile vendors. Emergency response services were provided at the requests of the police and fire departments.

As is customary, the Board extends its sincere thanks and gratitude to all departments for their cooperation with specific thanks to Rockland Fire and Police Departments, Peter Ewell and his staff at the Park Department, Bob Corvi and his staff at the Highway Department, and Sewer Superintendent John Loughlin for their additional assistance and continued support.

Respectfully submitted,

Victoria Deibel, Chairperson  
Stephen B. Nelson, Vice Chairperson  
Patricia Halliday, Member  
Janice R. W. McCarthy, Health Agent  
J. Patricia Donnelly, Administrative Assistant

## REPORT OF THE TOWN ACCOUNTANT

To the Citizens of the Town of Rockland:

In accordance with Chapter 41, Section 61 of the Massachusetts General Laws, I hereby submit report as the Town Accountant for the fiscal year ending June 30<sup>th</sup>, 2010. The report includes the Town of Rockland's Financial Statements and the Budget Summary Schedule. I would like to thank the Selectmen for my position and their continued support. I would also like to thank all the department heads, the Town Administrator, and my assistants Susan Ide and Diane McClure for their patience and cooperation. It is a pleasure working with all of the department heads and I thank you for your cooperation through the budget process.

I look forward to construction of the new Middle School and the rehabilitation of the High School and what this will do for the children of Rockland. I am happy to participate in the contract management of this great project, as there is no greater investment for the future than our children.

Respectfully submitted,

Eric A. Hart  
*Town Accountant*

**TOWN OF ROCKLAND, MASSACHUSETTS**  
 Reconciliation of Statement of Revenues, Expenditures, and Changes in Fund Balances -  
 Governmental Funds to Statement of Activities  
 For the Year Ended June 30, 2010

Revenues and other financing sources (under)		
expenditures and other financing uses - governmental funds	\$	(540,637)
Governmental funds report outlays for capital assets as expenditures, however the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense in the Statement of Activities.		
Capital outlays during the fiscal year		7,323,172
Depreciation recorded for the fiscal year		(1,922,751)
Revenues are recognized on the modified accrual basis of accounting in the fund financial statements, but are recognized on the accrual basis of accounting in the government-wide financial statements.		
Net change in deferred revenue		(376,244)
Net change in unbilled receivables		99,937
Net change in allowance for doubtful accounts		(98,017)
The issuance and repayment of long term debt are recorded as other financing sources or uses in the fund financial statements, but have no effect on net assets in the government-wide financial statements. Also, governmental funds report issuance costs, premiums, discounts and similar expenditures when paid, whereas these amounts are deferred and amortized on a government-wide basis.		
Principal payments on long term debt		458,761
Issuance of long term debt		(2,828,541)
The fund financial statements record interest on long term debt when due and revenue from related subsidies when received. The government-wide financial statements report interest on long term debt and revenue on subsidies when incurred.		
Change in accrued interest expense		(5,263)
Certain liabilities are not funded through the use of current financial resources and, therefore, are not reported in the fund financial statements; however, these liabilities are reported in the government-wide financial statements. The change in these liabilities is reflected as an expense in the Statement of Activities.		
Net change in OPEB obligation		(3,147,265)
Change in the landfill monitoring cost liability		32,857
Capital leases recorded during the year		(24,999)
Principal payments on capital leases during the year		9,880
Net change in compensated absences liability		70,716
		70,716
Change in net assets of governmental activities	\$	(948,394)

## COUNCIL ON AGING

To the Honorable Board of Selectmen and the Citizens of Rockland:

The Council on Aging was established forty-seven years ago. Since that time, a variety of programs and activities have been offered to enhance the lives of our Senior Community. Our programs are offered Monday through Friday in the Senior Center located in the Community Center building.

An informational newsletter goes out monthly providing the seniors with notice of events, seminars, programs and activities. Services offered at the Center include Blood Pressure Screenings, Chair Massage, Foot Massage, Podiatrist, Hearing Screenings, Notary, Shine, (Serving Health Insurance Needs of Elders) Fuel and Food Stamp applications, (seniors and non-seniors) information and referrals, Legal Services, Bereavement group and Caregiver's group. Classes in exercise, Chair Yoga, Ceramics, Dance Work-out, Painting and Mah Jongg are also offered. Movies are shown the second and fourth Friday of the month. Birthday celebrations are held on the last Tuesday of the month and are sponsored by South Shore Rehabilitation and Skilled Care Center. Our coffee hour on the first Friday of each month is sponsored by Coyne Healthcare Center.

A department is only as good as its support system and the Council on Aging is most fortunate to have a hard working and dedicated staff. The Council on Aging consists of eleven members who are very supportive for our programs and activities. Members of the Board serve as delegates to Old Colony Planning Council and Old Colony Elderly Services. Council meetings are held on the second Wednesday of each month at 9:30 a.m. and are open to the public. The Friend's of the Rockland Seniors and the Golden Agers hold their monthly meetings here at the Center. Both groups financially support the Council on Aging and our activities.

Eleanor Murphy is our Outreach Coordinator, a position that is funded by a grant from The Executive Office of Elder Affairs. Eleanor makes home visits, delivers books to homebound seniors in collaboration with the Rockland Memorial Library, takes fuel assistance applications, and many other various services. Liza Landy is our van driver and transports seniors three days a week to various medical appointments, shopping, and activities here at our center. During that time she transported 2,245 seniors to various locations. Our transportation service is funded strictly by donations. Angela Keller is our Senior Aide, funded by Senior Community Service Employment Program.

North River School Culinary Arts program prepares meals each day for our Congregate and Meals on Wheels programs on site here at the Senior Center. During the past year 10,955 meals were prepared by Hilary Parker, Chef Instructor, Jean Mann, Nutrition Aide and the Students of North River School. Volunteers deliver the meals Monday through Friday to homebound and frail seniors. Not only does a senior receive a hot meal, but it is also a well-being check on the senior. This is a very unique program and benefits both the senior and students. The organizations who donate towards this important and vital program are The Fraternal Order of Eagles #841, The Knights of Columbus, and The Ladies Auxiliary VFW #1788 and Save Our School Committee. We appreciate their generosity, caring and support.

I would like to thank all the residents of the community for their continued support of the Council on Aging by attending our various activities, for their gifts of volunteer time, donations of items for our gift shop, donations made towards meals on wheels, books for our library, medical equipment for our loan closet, postage expense, yarn, table

decorations for our dining area, coffee supplies and monetary donations. Your support never goes unnoticed and is greatly appreciated.

Respectfully submitted,  
Margaret A. Bryan, Director

**Council on Aging Board Members at their Annual Holiday Tea**

L-R: Nancy Callahan, Grace DiTocco, Audrey Ryan, Bev Ladner,  
Cynda Childs, Luanna Crowley, Rita Howes and Chris Kelly.

Not Present: Ed Borges, Eleanor Cole & Sandra Pelland

## HIGHWAY DEPARTMENT

To the Honorable Board of Selectmen and Citizens of the Town of Rockland:

I hereby submit the Annual Report of the Highway Department for the year 2010.

### MAINTENANCE OF ROADS

Springtime saw many potholes due to the winter months taking its toll on our roads. During the summer we replaced the cold patch in the potholes with hot top. We repaved Vinton Terrace, Brooks Road, Spring Street and Beech Street.

### CATCH BASINS

Damaged catch basins and manholes were rebuilt or repaired. Other catch basins were cleaned of sand and leaves for proper water flow. We repaired drainage on Huggins Road and Blossom Street.

### TRAFFIC SIGNS AND STREET MARKINGS

Street lane markings were painted on main roads. The stop lines and crosswalks were also painted. Street signs were installed at the request of the Board of Selectmen and the Police Department.

### MISCELLANEOUS

Other projects during the year were the filling of potholes, patching roads and sidewalks, sanding and plowing Town streets, sweeping roadways, repairing and doing preventive maintenance on all trucks and equipment, as well as assisting other departments with equipment and manpower.

At this time, I wish to express my sincere thanks to the residents and other town departments for their cooperation throughout the year. A special thanks to the men and our Administrative Assistant, Betty Parker, at the Rockland Highway Department for a job well done over the year.

Respectfully submitted  
Robert Corvi, Jr.  
Highway Superintendent

## TREE WARDEN

The Honorable Board of Selectmen and the Citizens of Rockland:

The following is a report of the Tree Department for the year 2010

During the past calendar year the Tree Department has had a very busy year with tree trimming.

The Tree Department would like to thank the Highway Department and all other department for their continuous help and effort.

Respectfully submitted,  
Robert Corvi, Jr.  
Tree Warden

The snows of 2010 proved troublesome for our saluting soldiers. The female Army soldier's beret is just visible in the far left snow bank.

## **ROCKLAND OPEN SPACE COMMITTEE 2010 ANNUAL REPORT**

To the Honorable Board of Selectmen and the Citizens of the Town of Rockland:

2010 was a gratifying and exciting year for the committee. George Anderson, long-time member of the committee and steward of the Rockland Town Forest was honored at festivities in May, organized by the Board of Selectmen and the Conservation Commission. The town forest is now named for George and a beautiful sign at the entrance signifies George's tireless work to transform the property into a wonderful natural retreat for all to enjoy. Many thanks to those who participated and to all whose work and donations have helped realize George's vision for the Town Forest.

For a number of years the committee has been working with the Town of Hanover to convert the unused West Hanover Branch of the Old Colony Line Railroad to a recreational trail. Through the Board of Selectmen, the Town was approached by the Iron Horse Preservation Society about its work in various parts of the country, including Massachusetts, transforming old rail beds into walking trails. IHPS has begun its work on this project, removing brush and rails throughout much of the town. It is expected that Hanover will be participating in the Spring and that the project in Rockland will be completed in 2011.

The committee continues to monitor development at the former South Weymouth NAS as it affects resource and open space concerns of Rockland.

Respectfully submitted,

Donald J. Cann, Chairman  
Michael Bromberg, Vice Chairman  
Katherine Kirby, Secretary  
George H. Anderson  
Edward Givler  
Scott MacFaden  
James Norman

## **SEWER COMMISSION**

To the Honorable Board of Selectmen and the Citizens of the Town of Rockland:

The Board of Sewer Commissioners respectfully submits the annual report of the Sewer Department for the year 2010.

The Board welcomed new member Ronald Savickie and gives much thanks to Gerald Esposito III for his years of service.

The Department completed the installation of 1350 lf of a cured in place pipe lining system on Webster street.

The Department continues to work on its plan to identify and eliminate sources of inflow and infiltration.

In March and April of 2010 the Department performed flow isolation, manhole inspections and follow-up television inspection work of 92,814 lf in mainline sewer.

In August of 2010 the Department entered into a contract for the inspection and rehabilitation of mainline sewer, lateral service connections and manholes as follows:

Excavation and repair of mainline sewer on Hartstuff Street

Joint testing/sealing in 8-in sewer (80 joints)

Joint testing/sealing of 21-inch sewer (150 joints)

Joint testing/sealing of 24-inch sewer (30 joints)

Joint testing/sealing of 27-inch sewer (15 joints)

Joint testing/sealing of 30-inch sewer (40 joints)

Chemical sealing of manholes (25)

Spot repairs in 8-in sewer (2 locations)

Cleaning, inspection, testing and sealing of lateral service connections (530 lf)

Chemical treatment and root removal of service connections (100 lf)

In October of 2010 the Department contracted to raise and reset sewer manhole risers, frames and covers in 23 locations.

The Department conducted outfall sampling and laboratory analysis as required by the Towns Municipal MS4 storm water discharge permit as well GIS mapping and connectivity fieldwork.

Again we are asking all residents and business owners to help us reduce the amount of inflow into the sewer system. Please do not direct storm water from your basement sump pumps, floor drains or roof drains into the Towns sanitary sewer system. It is illegal and very costly to the Town.

The Rockland Board Sewer Commissioners would like to extend our thanks to all the residents and departments in Town for their continued cooperation and valued support throughout the year.

Respectively submitted,

Walter Simmons, Chairman

William E. Stewart, Commissioner

Ronald Savickie, Commissioner

John F. Loughlin, Superintendent

Christine McGuinness, Administrative Assistant

## ROCKLAND HISTORICAL COMMISSION

To the Honorable Board of Selectmen and the Residents of the Town of Rockland:

2010 proved to be an interesting year for the Rockland Historical Commission (RHC), featuring some noteworthy accomplishments, along with one very unfortunate loss. As always our efforts are focused on increasing our public visibility in order to create awareness and interest in preserving Rockland's historical heritage.

Our collaboration continued with the Grand Army of The Republic Hall (GAR) at 34 School Street, the Hartsuff Memorial Association and the Sons of the Union Veterans of the Civil War (The GAR serves as the headquarters for these organizations, as well as providing storage space for some of the RHC's larger artifacts). Over the course of 2010, the RHC continued to co-sponsor fund-raising and events at the GAR. This year, our *History Lecture Series* at the hall featured multimedia presentations and lectures by Donald Cann and John Galluzzo. Among the topics presented were the history of the South Weymouth Naval Air-Station, and the story of Paragon Park. In addition to being educationally and historically stimulating, each event raises needed funds for RHC and Hartsuff. November 27<sup>th</sup> 2010's Holiday Stroll open-house, held annually at the GAR, attracted the largest crowd to date. Visitors were welcome to view a layout of historical artifacts, and were treated to snacks and warm cider. As always, the event featured re-enactors of the Mass 22nd Regiment and officers of Hartsuff Camp 50, dressed in full Union Army attire. The GAR hall is one of Rockland's most beautiful and important historical assets. As such, the RHC continues its mission to see the hall brought back to its former glory.

No discussion of 2010 would be done justice without covering the sad topic of Rockland's 1745 House, which tragically burned to the ground in the early morning hours of October 10<sup>th</sup>. The 250 year-old homestead, known as "The Oldest House in Rockland," was among the Town's most important and well-known historical properties, making its loss by fire a genuine tragedy. After decades of un-checked dilapidation, and as part of the construction of the new high-school, our 1745 House was slated for dismantling later in the fall. The RHC had begun to discuss a plan to *carefully* remove important antique fixtures and wood from the structure. We were formulating ideas as to how to preserve these items for historical posterity, as well as creating souvenir items made from the wood to utilize for fundraising purposes. Additionally, we were exploring how best to de-construct the house, as opposed to simply demolishing it. The fire, deemed man-made by the Rockland Fire Department, brought an undignified end to the historical old homestead. Luckily, prior to the fire, the RHC was able to arrange a traditional military send-off and salute to the landmark, performed by Revolutionary War re-enactors, who fired their muskets in a fond farewell.

On the subject of the new middle/high-school, now under construction; the necessity to arose to move some historical items which occupied the same site as the 1745 house, as the location will be paved-over for parking. A plaque placed by the Daughters of the American Revolution, a vintage granite water-trough, and a buried time-capsule have already been removed from the site and will be placed (and in the case of the time-capsule, be re-buried) at the Rockland Town Offices in 2011

A set of beautiful framed photo prints of 1912 Rockland, expertly produced from vintage glass negatives by photographer Stephanie Olsen, went on display at the Rockland Public Library in 2010. They were mounted in the library's rotunda gallery through the second half of the year, where there were admired by visitors of all ages.

The RHC was pleased to receive even more antique glass negatives in to the town's collection, donated to us by Joe and Marylee Weisgerber.

Another donation to a grateful RHC was made by Michael Gerry, who gave us hand-drawn planning map of Rockland, dated 1916.

The removal of Rockland's 160-year old train-tracks gained the RHC's attention in the past year. We were able to collect dozens of original iron spikes, which we're using as fund-raising souvenirs. Additionally, we are looking at the possibility of creating a 50ft outdoor museum/recreation section of the railroad, at the site of the old station at Union and East Water streets.

As always, the RHC is eager to accept donations of historical items, photos and documents, along with financial contributions to further our mission.

The RHC would like to thank Rockland residents, businesses and civic groups for their support last year. Their continued generosity is greatly appreciated. We welcome interested residents to attend our meetings at Town Hall on the 4<sup>th</sup> Tuesday of the month to ask questions and share resources.

Respectfully submitted,

The Rockland Historical Commission

Jim Paul, Chairman

Peter Dow, Vice-Chairman & Treasurer

Adrienne Donovan, Secretary

Larry Donovan

Dean Sargent

Bill Ferguson

Drew Townson

Tony LaCasse

***A FIERY DAWN:***

Members of the RFD could do little as Rockland's 1745 House went up in flames on October 10, 2010.

## PARK DEPARTMENT

To the Honorable Board of Selectmen and Citizens of Rockland:

The following is a report of the Rockland Park Department for the year ending December 31, 2010.

The main function of the department is to supply the best conditions possible on our fields and parks for the children and the community. We maintain 133 acres of land; 15 ball fields; 2 running tracks; 2 basketball courts; 2 playgrounds and the recycling center. Roughly 16 permits were issued this year from company softball games to scouting groups, etc.

Thanks to Jack Spurr (AW Perry) his past year we made our final payment on our industrial tractor saving us \$7,000.00 per year by mowing the landfill ourselves. Again we had trial court services working on various jobs for us throughout the Town and we thank them. The youth athletic groups continue to make major improvements to our fields and we thank them as well.

We have 1,900 children involved with the different sports ranging from ages five to twenty-five, not to leave out our track walkers and children on the playgrounds. We have the only stadium in the South Shore that hosts most of our sports programs, graduations, state finals and miscellaneous events.

Thanks to the middle school project, this year we are looking forward to the upgrading of our fencing around the stadium.

As always a special thank you to the water, sewer and highway departments for their help on a daily basis.

Respectfully submitted,

Peter D. Ewell, Superintendent  
Robert Mahoney, Chairman  
Richard Furlong, Field Coordinator  
Mark Maguire, Secretary

The Park Department creates artwork on the field which adds a special touch to the games.

**ROCKLAND SCHOOL BUILDING COMMITTEE**  
**2010 ANNUAL TOWN REPORT**

It is my pleasure to submit the fourth Annual Report of the Rockland School Building Committee to the Citizens of Rockland. The last year has been a year of great progress and excitement.

We all know that November 2009 Rockland Citizens gave final approval at a Special Election to construct a new Middle School and to completely renovate the High School. Needless to say this was due to a lot of hard work by many people and a tremendous vote of support by the Taxpayers. Again, on behalf of the thousands of children who will benefit by these great new educational facilities –THANK YOU ALL.

It has been a long year with lots of hard work behind the scenes by members of your Building Committee to finally see actual construction begin. It was a great sight to see when on November 23, 2010 the heavy equipment began digging the hole for the foundation of the new Middle School. In late October the School Superintendent and his staff put on a wonderful Groundbreaking Ceremony attended by many State Officials and Town residents. Since the November 2009 approval the final building design for both the new Middle School and the renovation plan for the High School had to be completed and specifications had to be developed for the many bids that would have to be advertised and awarded.

First was the early bid package for the temporary parking that had to be in place for the opening of school in September. Even though this was tight, bids were advertised, awarded and the work completed on schedule. Next was the early bid package for the Middle School Foundation. This was awarded on Tuesday, November 16<sup>th</sup> with work beginning November 23<sup>rd</sup>. The foundation is expected to be completed by the end of January 2011, before you receive this report. Another early bid package was for Waste Management Plans which had to be awarded in time to receive the building permit.

At the same time all this was being done, bids had to be prepared and advertised for the following Sub Trades: Masonry, Miscellaneous Metals, Waterproofing & Dampproofing, Metal Windows, Glass & Glazing, Acoustical Tile, Tile, Resilient Floors, Painting, Elevator, Fire Protection, Plumbing, HVAC and Electrical. These bids were advertised, opened on December 15, 2010. After a thorough review and check of the Bids, they will be awarded late January or early February. We anticipate a savings but as of this report it is too premature to determine an exact amount. If all goes well actual work in constructing the Middle School should begin early spring 2011 and completed by August 2012 in time for the opening of school in September.

It is planned to renovate the High School in four phases beginning late winter 2011. Each phase should take about six months and with work on the gyms, cafeteria and WRPS, the High School should be complete by December 2012. One section of the High School has been made available by moving the Administration Offices to the Lincoln School and the Pre-School program to the Jefferson. When that wing is completed students will move into that wing with work beginning on the next wing etc. The section being renovated will be sealed off from the rest of the school and every precaution will be taken to insure the safety of the students.

Once again I would like to thank the Architects Don Walter and Jon Richardson, our Project Manager Sean Fennell and our Construction Firm Agostini Construction Company. Also, much thanks to all our Town Officials, Department Heads and Town

Committees who have been outstanding in their support and assistance this past year. As usual our Superintendent, John Retchless and his staff have worked above and beyond the call of duty to keep this project on track. Last but not least, thank you to the Citizens of Rockland who made this all possible?

Respectfully submitted on behalf of the School building Committee whose efforts throughout the year have been second to none. Members are as follows: Larry Chaffee, Ken Dunn, Dick Jones, David Gear, the late Arnold Laramee, Julie Shields, Bob Manzella, Richard Phelps, Richard Penney, Tom Mills, Regina Quirk, John Retchless, Doric Scarpelli, Steve Sangster, Paul Stanish, Beth Bohn, Marilyn Werkheiser, Pam Worden and Jared Valanzola.

Sincerely,

John Rogers, Chairman

Construction began in November 2010

## **ROCKLAND SCHOOL COMMITTEE 2010 ANNUAL TOWN REPORT**

The past year has brought many new challenges to our school system. With the school building project looming, financial concerns still on the front burner, and student excellence a big concern, our commitment to the system was going to remain high. Spring elections passed and to my pleasure the Committee remained intact to continue the hard work it started.

First on our agenda was to see that the building project was moving along in a timely manner. Marilyn Werkheiser and Pam Worden serving on the Building Committee to represent the school system have given countless hours to the project. Attending a few of their meetings I truly see the professional work that this group gives to our Town. The residents of Rockland should be confident that their monetary commitment to the buildings is being well controlled to give them the best buildings at the best value. Students in Rockland are going to be given the opportunity to have the latest technology, first class learning classrooms, music and arts centers above all and athletic facilities beyond anything in the area. As a parent and as a Committee member, I am truly grateful to the commitment the taxpayers have afforded generations of children to come.

With the budget override, the taxpayers also approved many programs to be returned to our school system. Health classes, additional guidance counselor, new textbooks, and much more have begun to improve our educational offerings. The system has also acquired new technology to put us on the cutting edge of 21<sup>st</sup> Century learning.

The other exciting facility news came in the form of several grants for improvement to the Esten School building. The Town Energy Committee secured a solar array on the roof to reduce energy costs. Hard work by our Administrative offices also returned a grant to fund new windows and doors to reduce energy costs and to improve the comfort level within the building.

The Committee continues to prioritize improving MCAS testing scores by directing the Superintendent to develop a long range plan to achieve those goals. We are always exploring new ways to improve education for our children through technology and other means of learning. Ways of educating children are always evolving and we must remain open to exploring all ideas presented.

Lastly, I again want to thank all of the Committee members Michelle Pezzella, Tom Mills, Marilyn Werkheiser, and Mike Mullen for their support and dedication to our goals. It has been an honor and pleasure to serve as the Chairman for the past year and look forward to serving in the future.

Respectfully submitted,  
Mark S. Norris, Chairman Rockland School Committee

## **SUPERINTENDENT OF SCHOOLS 2010 ANNUAL TOWN REPORT**

### **Progress and Achievement**

In 2010 Rockland Public Schools continued on the path of academic improvement. Under the No Child Left Behind Act, schools must meet the standard of Adequate Yearly Progress (AYP), as measured by MCAS testing. The Memorial Park School achieved AYP and was named as a “Commendation School” by the Department of Secondary and Elementary Education. Both the Esten and Jefferson Schools showed improvement especially in the area of Mathematics. New texts were purchased in mathematics for Grades K-8 and Social Studies at the High School. The impact of these purchases is expected to show in the 2011 MCAS results.

The focus on Mathematics continues, and in September of 2010, an additional focus on non-fiction writing was initiated. Research has shown that the greatest jumps in achievement in English happen when students can write clearly and read for comprehension in the content areas. This focus is continuing into 2011. We continue to use computer based testing throughout the school year to track progress of students, particularly in Grades K-8. This allows teachers to adjust their teaching to the level of mastery the students are achieving as the year progresses.

During the summer, two innovative activities took place. Our annual summer school became computer based with students following individual plans and using on-line software under the supervision of the summer school staff. A Title 1 summer school in August allowed forty second graders to get a head start in English and Math before beginning third grade.

### **Administrative Changes**

2010 saw the retirement of Mr. Paul Stanish from the Rogers Middle School and Dr. Robert Levine and Mr. Gerald Kohn from the Jefferson School. Their contributions to the education of Rockland’s students are greatly appreciated. We reached out to Boston Public Schools to hire Mrs. Christine Pruitt for the Jefferson School. At the Rogers Middle School, Assistant Principal Ms. Beth Bohn became the Principal.

### **Budget and Finance**

The budget for the 2010 year was impacted severely by an increase in Special Education costs as a result of students who needed specialized educational settings outside the district moving to Rockland over the summer. It is impossible to anticipate these expenses and they put a strain on the budget. The district was the recipient of stimulus funds from the federal government. These were used to fill budgetary “holes”, but as this was one-time money, an increase in the schools budget will be needed in the future to continue to offer the same services.

### **Technology**

The increase in technology and its use in the Rockland Public Schools accelerated in 2010. By the beginning of the 2010-11 school year, Rockland teachers were using 32 SmartBoards along with

document cameras, interactive LCD projectors, and Flip video cameras. These are having a revolutionary effect in the classroom as they give the teacher many new options for delivering a lesson and engaging students in that lesson. As the completion of our building project approaches, it is the goal of the district to have technology in our elementary schools that matches that in the new buildings.

### **Energy Conservation and Green Projects**

The district continues to be aggressive in pursuing opportunities to reduce energy costs. In 2010, our productive partnership with the Town Energy Committee resulted in a second solar array being erected in the district, this time at the Esten School. The district applied to the Massachusetts School Building Authority Green Repair Program. Our proposal to complete the window replacements at the Esten School was accepted and this work will take place in 2011.

### **Building Project**

2010 was a year of planning, drawing, and bidding that resulted in a groundbreaking ceremony in October and the beginnings of foundation work in December. Over the summer, the pre-school was relocated to the Jefferson School and the Superintendent's office reoccupied the Lincoln School. This emptied space in the high school that could be used as swing space once renovations began. The school year began with the high school parking lot fenced off with an enlarged parking lot behind the middle school. This resulted in new traffic circulation patterns and also changes in access to the high school. I would like to thank everyone for their patience as we adjusted to the new realities.

### **Rockland Education Foundation**

Once again the foundation continued to make a major impact on the enrichment activities available to students in our schools. Teachers at all levels applied for funding for a diversity of projects. The Foundations work is deeply appreciated by everyone in Rockland Public Schools.

### **Retirements**

The following staff members retired in 2010: Patricia Miller, Elizabeth Osborne, Paul Stanish, and Jean Richardson. They all made significant contributions to the lives and education of the children of Rockland. Their experience and commitment will be missed.

### **Conclusion**

Rockland Public Schools has maintained its staffing as districts around us have been cutting. Our academic achievement is rising and in 18 months we will be blessed with beautiful modern schools in Grades 5-12. The key to the future will be sustainable funding to enable Rockland to maintain its resources and eventually begin to restore resources lost in previous budget cutting cycles. Everything is in place for Rockland Public Schools to move to a new level.

Respectfully submitted,

John Retchless  
Superintendent of Schools

## **PUPIL PERSONNEL SERVICES 2010 ANNUAL TOWN REPORT**

The Pupil Personnel Services Department oversees the implementation of some of Rockland's exemplary programs and services including special education, English Language Learners, homeless students and youth, school-based Medicaid claiming, nursing, psychological, guidance, home/hospital instruction, and home schooled students. It maintains a balance between providing for the increasing intensity of student needs with the increasing accountability demands of both the state and federal governments in an era of limited financial resources. ARRA funds are being used in a variety of ways to maintain programs, provide for professional development, and build capacity to serve students in the district. For students who are Medicaid eligible, we have implemented additional reporting procedures to comply with the changing regulations pertaining to Medicaid reimbursement.

Special education continues to be the predominant area of Pupil Personnel Services. A major focus of the 2010 year was the transition to the new computerized version of the Individual Educational Program (IEP). Professional development has focused on the transition of students to adult services and agencies, improving the quality of educational program plans, and ensuring compliance with all state and federal regulations and mandates. This school year saw the transition of the preschool program back to Jefferson School while construction is underway at the High School/Middle School as well as other elementary classroom changes to accommodate the changes in student populations at both Jefferson and Esten Schools.

At the elementary level, the special education department continues to work with general education to implement Response to Intervention (RtI) in both English Language Arts and mathematics. We have begun a process of evaluating how we serve certain populations at this level through this model and will use the information to make changes where needed.

At the middle school level, a new program was implemented in September to enable students who were transitioning to the middle school level another opportunity to remain in the district as opposed to outside placements. This program is evolving as we develop strategies and services to meet the needs of our students.

At the High School, special education, guidance, psychological and social worker staff has continued to examine student needs to ensure that we can serve more students in the district, particularly those with mental health needs. Our school social worker was able to get a social worker intern to work with her this year to assist us. An additional social worker was hired through the use of grant monies to serve students at the middle school level, and the two social workers collaborate together with the intern and the two elementary social worker interns we have through a North River Collaborative program.

We received a continuation of the Pre-kindergarten to grade three grant which is enabling us to study the curriculum, instruction and assessment used in special education and general education. The study group is focusing on mathematics instruction working on curriculum mapping and additional resources and supplementary materials that will work with the new textbook adoption to assist students with disabilities to access the curriculum.

We continue to serve students who fall under the auspices of the McKinney-Vento (education of homeless students and youth) Act by coordinating services, providing transportation and ensuring that all homeless students continue to have an uninterrupted education by either remaining in Rockland or working with their new place of residence.

We have enhanced our services to students whose first language is not English (English Language Learners or ELL) by adding more time to our ELL staff and developing a high school curriculum for

students who are beginning their education in the United States at the high school level.. We have completed a review of our program and are pleased with the successes of our students. Teachers are continuing to improve their professional development in Sheltered English Immersion enabling students to be better served in general education classrooms.

Our nursing, guidance and psychological staff continue to provide for the needs of our students outside of the typical classroom/educational realm and provide a necessary and helpful linkage to the community as a whole. In addition to what would typically be considered normal nursing duties, the nursing staff works with the principals to ensure those students who require home and/or hospital tutoring are provided with a quality program. Nurses provide the connection with the student's physician and may assist in setting up the tutoring. The mental health needs of our students are managed by the school guidance counselors, social worker interns, the two school social workers, and the psychologists in consultation with the families and any outside therapists the students and/or families may have.

Finally, for those parents who choose to home school or privately school their children we provide linkages to the school system to help ascertain and provide for the student's educational needs. The Pupil Personnel Services department is privileged to be a part of the Rockland Public Schools in its efforts to provide a variety of quality educational opportunities for the students of Rockland.

Respectfully submitted,

Kathryn Salem  
Director Pupil Personnel Services

## **GUIDANCE DEPARTMENT 2010 ANNUAL REPORT**

The Guidance Department currently consists of two full time counselors, one half time and one 1/7<sup>th</sup> time. Mrs. Melanie Shaw, the Guidance Director, continues to perform the administrative duties of the department, including management of AP testing, SAT's and PSAT's, MCAS, and acts as SSD coordinator. In addition to the duties of a guidance director, Mrs. Shaw has a student caseload of the entire senior class, approximately 146 students this year. In addition, she plans and organizes the administration of all MCAS testing for the high school. Mrs. Black's caseload includes all juniors and half of the sophomore class. Mr. Graziano spends 1-2 periods a day in guidance and has a caseload of one half of the sophomore class. Ms. Davidson continues to split her time between the middle school, serving both the 8<sup>th</sup> and 9<sup>th</sup> grades. Ms. Davidson also processes all South Shore Vocational School applications, private school applications, and all PCC applications.

We continue to have the resources of Mrs. Lisa Whelan and Dr. Stephen Hughes, School Psychologists, one day per week for testing and limited consultation on specific student cases. Mrs. Freea Leahy is the social worker for the high school population, as well as a resource to all other schools. Mrs. Carol DelPrete is our department secretary and, while facilitating the day to day operation of the department, also has large responsibilities in the college application process and the town scholarships. Mrs. Nancy Borden, North River Collaborative, continues to provide invaluable vocational advising and evaluation to referred students, as well as organizing group career activities in the classrooms with the counselors.

Due to large caseloads, the counselors have made an attempt to spend more time in the classrooms in order to deliver more information regarding career exploration and post high school educational opportunities. The teachers have been very accepting and understand the value of the guidance

programs. Topics often include study skills, adjustment to high school, valuable websites, vocational search activities, self- evaluation, college search programs and more. Approximately 70 sophomores participate in the Job Shadow Program each year, which is coordinated by Mrs. Borden and the sophomore counselors.

Other activities, which are ongoing throughout the year, include development of new courses by the various departments, resulting in a revised Program of Studies each year, student course advising and selection. All counselors are involved in career inventories, awareness of opportunities and career planning. All counselors are responsible for keeping accurate student records, child study meetings, 504 plans, court referrals, CHINS petitions, 51A reports to DCF, home tutoring and more.

All counselors meet with the nurse and assistant principal weekly as part of the Learning Assistance Team. The team receives referrals of concern from teachers, who also are encouraged to attend the meeting, and develops an action plan to assist the students. Issues may include attendance, poor grades, emotional and psychological concerns.

The Guidance Department continues to explore new technology and websites that inform and assist students in college search, vocational/career search, financial aid opportunities and the college financing process. Counselors continue to attend South Shore Guidance Counselor meetings to meet college representatives and to “compare notes” with other school counselors.

***Highlights of the past year:***

\*Counselors use the CIS information program, which ties in with the Quincy and Plymouth Career Centers, as well as the College Board website, to search careers and college information.

\*Counselors use the Naviance Program for college/career search and record keeping.

\*Several free programs are offered to our students during the year by Monster.com:

Freshman: Making High School Count

Juniors: Making Your College Search Count

Seniors: Making College/Career Count

\*Senior and Junior parents are encouraged to attend College Financing information nights hosted by the Guidance Department. The program is offered by MEFA, Massachusetts Educational Financing Authority.

\*Counselors participate in the 8<sup>th</sup> grade orientation night each year.

\*Counselors sponsor a Program of Studies night for parents in March, during which the class requirements and elective opportunities are explained.

\*Counselors are familiarizing themselves with the Massachusetts School Counselors (MASCA) guidance model through professional conferences. The model assists counselors in basing class programs on benchmarks set by the Dept. of Elementary and Secondary Schools, and in interfacing guidance curriculum with the subject frameworks. Time is being spent developing a guidance department mission statement and evaluating our current curriculum.

\*The Guidance Department continues to work together with the teachers and administration to provide a coordinated program of school guidance, career awareness and post high school educational opportunities for each student.

Respectfully submitted,

Melanie Shaw  
Guidance Director

## **ROCKLAND HIGH SCHOOL 2010 ANNUAL TOWN REPORT**

Rockland High School has completed another very successful year. The educational program continues to meet the diverse needs of the student population. The Academic Council and School Council made up of parents, students, department chairpersons and teachers continue to assess and revise curriculum to meet 21<sup>st</sup> Century Education Skills.

The building renovation has begun with the moving of 16 teachers, the pre-school to the Jefferson School and the Superintendent's office to the Lincoln School. The result of the building project will be that all science labs will be renovated to meet the NEASC recommendation of updating all science labs during Phase II of the renovation project. This will complete the remaining NEASC recommendation from the ten-year report.

The high school has completed the review and revising of the current Mission and Expectations for Student Learning. The high school's Core Values, Beliefs and Learning Expectations have been completed and approved by the Faculty, School Committee and High School Council. The NEASC Self-Study should be completed by June for the October 2011 NEASC Visitation.

The educational programs of Rockland High School continue to flourish. A dedicated and hardworking faculty has made the following achievements possible:

1. 88% of the Class of 2010 continued their education after graduation with students receiving acceptances to 78 different educational institutions.
2. Twenty seven high school students, grades 9-12, received their academic "R" Lamp of Knowledge letter for earning honor roll status six consecutive terms or by making the honor roll ten times. The letter winners were honored at the Academic Awards/Academic Hall of Fame banquet, joining the 55 seniors, juniors and sophomores who had previously earned their "R" Lamp of Knowledge letter. The following graduates were inducted into the Academic Hall of Fame: Karen Lee PhD. 1981, Angela Antonelli PhD. 1981 and Dr. Russell Maling 1979.
3. The Music Department continues to prosper in numbers as our students continue to receive awards from SEMSBA and Jr. SEMSBA. This year Andrew Houldcroft was selected to the Senior District Chorus and the High School Band won a silver medal at the MICCA Competition.
4. The 2010 topic for the Spellman Oratorical Contest was "Who so would be a man must be a nonconformist". Eight seniors competed for \$3,600.00 in prize money. The speeches were articulate, erudite, and provocative. Winners of the contest were Elisa Soper first place, Kayla Doyle and Maura Corbett tied for second, fourth place went to Elizabeth Gladstone, Scott Shea came in fifth, and honorable mentions went to Alexander Tape, Emily Veiga and Lindsey Murphy.
5. The RHS Drama production GODSPELL: Director Carol Cahill with the assistance of Samantha Hoyo, Angelina Armstrong, Matthew Harden, Janice Issac Wright and Dianne Little Banks put on one of the most successful dramatic productions in recent years. Both performances were well attended and student actors such as , Andrew Houldcroft, Estevao Figueiredo, Susan Allo, Cassandra Bates, Richard Bernache, Elizabeth Byron, Nicholas Collyer, Kimberlee Ercolini, Kathryn Golden, Devri Goodspeed, Rachel Smith, Shannon Rose, Natalia Rzepka, and Emily Williams thrilled the audience with their engaging performances.

6. The Superintendent's Leadership Award went to Hieu Nguyen for academic excellence and leadership. The Principal's Leadership Award went to Suzanne Delprete.
7. Rockland High School Art students continue to be recognized in state-wide and regional competitions. Winning awards at the Scholastic Art Boston Globe Show – Gold Key Winner Meaghan Mitchell, Silver Key Winners Kylie Doyle and Scott Shea, Honorable Mention went to Murilo deOliveira and Mitchell Downing. Meaghan Mitchell and Cameron Paul were selected to attend Art All-State's two-day workshop held at the Worcester Art Museum.
8. During the month of November, Christopher Carchedi, grade 10, was selected to attend The Hugh O'Brien Leadership Conference and Timothy Lorgeree was chosen to represent Rockland High School at MassSTAR's Citizenship Conference. Both were chosen from essays written on the topic of leadership. Faculty members read and rated the essays entered. Rockland was represented at Boys' State by Shay Morton and D.J. Austin and Girls' State Molli Gibbons and Bridget Roberts.
9. The Rockland Student Government, under the leadership of Mr. Rowe and Mr. Flanagan, continues to grow in student membership and their participation in events throughout the school community and state.

In closing, it is important to recognize on behalf of the students of Rockland High School that we all work together to ensure their needs are met to the best of our ability. Sincere thanks to Superintendent John Retchless, Assistant Superintendent Doric Scarpelli, and the School Committee for their continued support.

Respectfully submitted,

Stephen P. Sangster  
Principal

## **JOHN W. ROGERS MIDDLE SCHOOL 2010 ANNUAL TOWN REPORT**

The past year has been an extremely exciting time at the Rogers Middle School as the Building Project continues to move forward at an amazing pace. Students and staff returned this September to a newly configured parking lot as well as a construction fence that stretched between the middle school and the high school. Heavy equipment has been in full swing since the day after the Thanksgiving break and daily progress is truly remarkable. Thank you to the people of Rockland for making this dream a reality!

The Middle School staff continued their commitment to increased academic rigor. This fall, the middle school extended the school day and revised the daily schedule to increase time on learning. The Galileo Program has provided the staff with valuable data to improve math instruction for our students. Finally, all curriculums continue to be assessed during monthly department meetings and in-service days.

The Middle School would like to highlight the following student achievements:

1. Lily Margolis and Caitlin Sugrue received the New England League of Middle Schools Scholar- Leader Award in May.
2. Alexandria Pigeon and Katherine Delorey were selected to attend the Advanced Study and Leadership Program at Massachusetts Maritime Academy in July.
3. The National Junior Honor Society raised money for the food pantry, organized a CD/DVD drive for the troops, participated in the high school Project Pumpkin Run and the Holiday Stroll.
4. The Student Council facilitated a Grade 5 orientation, raised money for Boston Children's Hospital, donated candy sale proceeds to earthquake victims in Haiti, sponsored a Staff Appreciation Day, organized a Spirit and Sports Day, and collected coins for Holiday Magic.
5. Eighth grade Student Council Members attended the Student Council Summit in Middleboro.
6. A team of eighth grade students entered MARC's statewide anti-bullying public service announcement contest. They received an honorable mention for their presentation. The team was comprised of the following members: Kaira Arias, Derek Crowe, Molly Garrity, Robert Gasdia, Kylie Langhoff, Jose Samayoa, Andrew Scheim, and Olivia Swiatek.
7. Under the direction of Mrs. Stoddard, the middle school held its second annual "Night at the Arts".
8. The middle school music department continues to flourish under the direction of Mr. Harden.

The Parent Advisory Council (PAC) has been actively fundraising to provide students with exciting academic, cultural, and enrichment activities. The Rockland Education Foundation (REF) awarded the middle school staff six grants to enhance student learning. Thank you to the PAC and the REF for their continued support.

Thank you to Mr. Retchless, Mr. Scarpelli, and the Rockland School Committee for their support and assistance throughout the school year. Finally, congratulations to Mr. Paul Stanish! Mr. Stanish retired after serving as Middle School Principal for the past fourteen years. We thank him for his tireless devotion to the students of Rockland.

Respectfully submitted,

Elizabeth Bohn  
Principal, John W. Rogers Middle School

## ROCKLAND ELEMENTARY SCHOOLS 2010 ANNUAL REPORT

Mrs. Christine Pruitt was chosen by a committee of parents, teachers and administrators to be the new principal at the Jefferson School. She assumed her duties on July 1, 2010 and was warmly welcomed by the staff and the students. This position had previously been held by Dr. Robert Levine and Mr. Gerald Kohn who both retired in June after working with the children in Rockland for several decades.

The focus at all three elementary schools continued to revolve around the math, reading, and written language curriculum standards as reflected in the Massachusetts Curriculum Frameworks. During the past year several initiatives were introduced to the elementary students to help insure that they would enjoy a successful academic experience. Included in these were:

- the adoption of a new math program entitled *EnVisions*. This math program was introduced to students in Kindergarten through Grade 5 and incorporated technology, manipulatives, and critical thinking as mathematical skills were taught to solve problems.
- opportunities for students to access mathematics online both at school and at home. Programs such as *First in Math*, *Reading Eggs*, and *Study Island* allowed students to learn mathematical concepts, compete with other students and themselves, and improve their knowledge of math while they played math games online.
- opportunities were given to students to learn their math facts with automaticity through a program entitled *Rhymes and Times*.
- the *Telian Phonics Intervention Program* which allowed students to learn letter sounds and form a strong phonological base in order to become confident readers.
- a collaboration with the *Buzzards Bay Writing Project*, which was funded by a grant written by Mrs. Janice Sheehan and Mrs. Lee Scott. This grant allowed the elementary teachers in Rockland to observe lessons being taught to our students by a visiting teacher from the project. These lessons encouraged our students to write about non-fiction topics and the teachers were then able to incorporate these modeled lessons into their own curriculum planning.
- the adoption of a new penmanship program in grades Kindergarten and Grade 1, entitled *Handwriting Without Tears*, was implemented and will be expanded to Grade 2 students next year.
- R.T.I., Response to Intervention, was introduced to students in kindergarten this year; and it was also expanded from reading to selected math classes.

During this past year the use of technology within the elementary classrooms also increased significantly allowing the students to keep pace with learning in the 21<sup>st</sup> Century. The teachers had opportunities to integrate the use of Document Cameras, SMARTBoards, and Flip Cameras into their daily lessons. At this time these resources are shared by the teachers; however, it is hoped that in the near future, every elementary classroom in Rockland will have these technological tools. At this time all three schools have updated computer labs that are visited by each student on a weekly basis.

The Rockland Public Schools was able to hire an additional Elementary Physical Education teacher in November. This position was made possible by funding awarded to the North River Collaborative through the STRIDE grant which was supported by Rockland. As a result, the students are able to participate in physical education activities twice each week, rather than once. Also, this year, the music department was reorganized to allow the students in Grades 1-5 to

participate in music lessons each week rather than every other week. Instrument lessons are taught to interested students in Grade 5 and students in Grade 4 have an opportunity to participate in chorus each week. Students are also given opportunities to participate in drama activities and talent shows. The art department continues to develop creative artists in our schools and their work is displayed every April during the Arts Festival at the High School.

All three schools enjoyed improvements to their buildings, many of which were funded through energy grants. A new boiler, new windows, solar panels, new rugs and floor tiles, bathroom sinks, urinals, and improved parking lots were among these updates.

The pre-school students in the E.A.S.E. program moved from Rockland High School to the Jefferson School; and the kindergarten students were divided between the Esten School and the Jefferson School. These changes were necessitated by the Middle School building project.

Once again, the parents at all three schools actively supported the PAC organizations. Their fundraising activities allowed the students to enjoy cultural enrichment activities, science programs, field trips, and field days in the spring. In addition, the Rockland Education Foundation awarded \$29,363.00 to the teachers in Rockland who submitted grants for classroom projects. These projects will enrich the curriculum of our students and provide them with exciting learning experiences. Within our community we are fortunate to be supported by the South Coastal Bank, the Rockland Memorial Library, Serono Labs, Blue Cross/ Blue Shield, the 99 Restaurant, and several other businesses who continue to come forward to help us present a well-designed educational program for our students. It truly does take a village to raise a child.

Respectfully submitted,

Mrs. Carol McGrath, Principal of the R. Stewart Esten School

Mrs. Christine Pruitt, Principal of the Jefferson School

Mrs. Janice Sheehan, Principal of the Memorial Park School

## **ATHLETIC DEPARTMENT 2010 ANNUAL TOWN REPORT**

The Rockland High School Athletic programs continued to be competitive in 2010 as we joined the South Shore League and also in non-league competition. Our girls' soccer team qualified for tournament play. Our football team also won the South Shore League Championship and played in a post- season playoff game.

The sports program at Rockland High School continues to be successful at teaching sportsmanship, honesty, and integrity. We are fortunate to have a coaching staff that instills these qualities to our athletes and program. These values are carried with each graduating student athlete when they leave Rockland. One of the major reasons for our continued success is due to our coaching staff, administrators, and parental support.

As special thank you goes out to our Athletic Boosters for there continued support.

Respectfully submitted,

Gary Graziano, Athletic Director

## **ROCKLAND DAYCARE 2010 ANNUAL TOWN REPORT**

Rockland Public Schools Daycare operates out of the McKinley Community Center. The Daycare programs are for children ages (3) months thru grade (5). After school care is also provided at each of the three elementary schools for students in grades one through five.

At Rockland Daycare we provide a safe, nurturing and learning environment where children can develop to their fullest potential. Recognizing the cultural diversity and individuality of each child and family situation, we understand differences and make a sincere effort to relate to parents and their children according to their physical, intellectual and social needs as children continue to learn through play.

We are pleased to announce that we have 5 daycare staff that have successfully obtained their CDA certificate (Child Development Associate). We continue to strive at our optimal goal of having all daycare employees continue in trainings that are related to CDA Competency Goals and with this goal met it would allow all staff to maintain a stronger more positive program to continue to plan and offer Developmentally Appropriate Practices within the classroom setting.

Respectfully submitted,

Mary Veiga  
Director of Rockland Public Schools Daycare

## **HEALTH SERVICES NURSE LEADER 2010 ANNUAL TOWN REPORT**

School nurses now play a crucial role in the children's primary and preventative health care. More children with chronic illness and special health care needs are entering public schools and are mainstreamed into regular classes. School nursing is now a specialty in the nursing field. School nurses have added responsibilities of dealing with the issues of physical and sexual abuse, Hepatitis B, HIV, sexually transmitted disease, homelessness, chronic illness, and increasing problems of eating disorders, ADHD, and depression.

The school nurse is a liaison between education and health care, providing a link between school, home, and the community. This year the school nurses along with the public health nurses and the board of health worked together at two H1N1 clinics, one was held in Rockland and one was held in Abington. We saw well over one hundred people at these very successful clinics.

It is with great pride that our nurses' are looking forward to the building of the new middle school and the much needed high school renovations.

Respectfully submitted,

Kathi Ryan, RN  
Head School Nurse

## **FOOD SERVICES 2010 ANNUAL TOWN REPORT**

### **ROCKLAND PUBLIC SCHOOLS:**

Accomplishments for the Food Service Department:

- Leadership: Food Service director (Adele Leonard) continues to work in a positive way with the district staff.
  - More effective approach to operational issues
  - Strong team effort and continuity
  - The changes in the food selections more fruits, veggies, whole grains and low fat milk.
  - Staff has taken the state mandatory allergy awareness Class.
  - Majority of the staff have taken a class and passed the serv safe program.
- Vending
  - We put a healthy for you vending machine which is shared with the athletic department.
- Meals and Sales
  - Prices of ala Carte items are being reviewed to best maximize the sales of the reimbursement meals.
  - Breakfast and lunch prices are being reviewed by administration.
  - New Menu items are being introduced to enhance the student meal sales.
  - Parents of students with unpaid balances are getting notices via connect Ed twice a month. Balance provided monthly to administration
  - There is a lack of center of plate donated food from the USDA which causes the purchase of more food.
  - North River is no longer purchasing some of the food for Jefferson. The whole operation is supported by the Rockland School lunch program.
- Partnership with the High School store: Purchasing products and supplying guidance as needed.
- Operations:
  - Reduced product cost by 6.5% despite increases in prices.
  - While the numbers for paid student meals continue to go downwards trend, free and reduced are going up.
  - Has successfully reduced labor year on year but anticipated slight increase because of North River staff cuts.

### Action Plan for the future:

- Getting involved with a school food pantry to help the families of our students in need.
- The director will maintain involvement, as appropriate, with the new construction
- Students and district staff will be encouraged to participate in focus groups for their input in the menu. Food tasting is being done in the district.
- In view of current meal trends, the department will continue to strategize to reduce overall product costs and maximize the donated USDA foods.(which have been very limited this year)
- Will continue to strategize menu develop based on new regulations for health eating

**MAINTENANCE DEPARTMENT  
BUILDING & GROUNDS  
ANNUAL REPORT 2010**

- Relocated Superintendent to 99 Church Street
- Moved pre-school to Jefferson
- Moved Kindergarten from Jefferson School to Esten School
- New construction:
  - A. Moved all seventeen classrooms for phase 1
  - B. Temporary parking lot completed. Also, thanked Bob Corvi and his staff for the jersey barriers and positioning them. They are for the safety of the children going from John Rogers Middle School to/from Senior High School
  - C. Move gas line for kitchen

Window project – new windows – Esten School

Boiler project - new boilers – Esten School

Ken Dunn

Supervisor of Buildings and Grounds

## WRPS 2010 ANNUAL TOWN REPORT

As was the case for most everyone in the high school and middle school, 2010 was a year of planning for construction and change at WRPS. The station staff worked with architects, consultants, and end-users in designing and specifying equipment for the RHS gym and auditorium, the RMS gym and lecture hall, and building-wide infrastructure; including classroom computing and fiber runs for video. The staff held meetings with theatrical system designers and with video integrators to design hardware configurations for both the auditorium and the new WRPS studios. The station manager worked closely with the architects and with Broadcast Signal Labs concerning the relocation of the WRPS-FM tower, FCC filings for same, and possible changes to the station's coverage pattern as a result of the tower move. An FCC-authorized legal firm was retained in order to handle FCC filings concerning the tower move. Station staff decommissioned and removed the existing public address system from the auditorium in late December. It may be relocated to the Middle School gym to accommodate annual Town Meeting and other events.

The WRPS staff and class produced four "Construction Updates" with the Superintendent.

Due to on-going issues with the copper audio and video lines connecting town hall and WRPS, the process of replacing those lines with a fiber optic infrastructure was begun. This will allow us to start the move toward fiber-optics even before the renovation of the high school is completed. This early adoption will allow us to work out any possible kinks in the system and to provide higher quality audio and video for all town hall recordings by WRPS.

The new press box at Memorial Stadium was completed and opened in 2010.

Respectfully submitted,

David Cable-Murphy  
Station Manager, WRPS

## SOUTH SHORE REGIONAL VOCATIONAL TECHNICAL SCHOOL DISTRICT

During the 2010 year, the students of the South Shore Regional Vocational Technical School continue to prosper as productive citizens in their community upon graduation. Over the past fifty years, South Shore students have been known for their keen sense of and attitude towards work ethics. As changing demands continue to be placed before our students, it is the duty of South Shore to provide the best possible vocational education to our students.

On June 11, 2010, 31 graduates from Rockland received diplomas and shop certificates at the South Shore Music Circus. The following students graduated:

<i>Jonathan Buresh</i>	<i>Sarah Carpenter</i>	<i>Nathan Cellini</i>	<i>Shane Chiasson</i>
<i>Jake Chraska</i>	<i>Corey Dagesse</i>	<i>Thomas Doyle</i>	<i>Corey Ferland</i>
<i>Jesse Ferland</i>	<i>Larissa Ferriera</i>	<i>Charles Fuery</i>	<i>Jamie Gauthier</i>
<i>Martina Giannetti</i>	<i>Adrienne Grisolia</i>	<i>Margaret Horan</i>	<i>Daniel Krahe</i>
<i>Zachary Laznick</i>	<i>Bridget Loughlin</i>	<i>Mary Loughlin</i>	<i>Kenneth Lowe</i>
<i>Scott Lowe</i>	<i>Casey Mansfield</i>	<i>Rebecca Moore</i>	<i>Sean Murphy</i>
<i>Anthony Ricciardi</i>	<i>Cristian Ryan</i>	<i>Courtney Summers</i>	<i>Alex Thomson</i>
<i>Julieann Tuffo</i>	<i>Jesse Tufts</i>	<i>David Wladyszewski</i>	

Currently, 41 students from the Town of Rockland are scheduled to graduate on June 10, 2011.

<i>Alexa Araujo</i>	<i>Nicholas Arthurs</i>	<i>Matthew Bass</i>	<i>Jeremiah Beasley</i>
<i>James Boyle</i>	<i>Dominique Clerverseau</i>	<i>Michael Collins</i>	<i>Stephanie Cruz</i>
<i>Rafaela DaSilva</i>	<i>Kevin Davidson</i>	<i>Otoniel DePaula</i>	<i>Thomas Donovan</i>
<i>Scott Drosos</i>	<i>Alyssa Dutcher</i>	<i>John Fallon</i>	<i>Amber Ferland</i>
<i>Zachary Ferrara</i>	<i>Kyle Fitzgerald</i>	<i>Matthew Fitzgerald</i>	<i>Michael Garner</i>
<i>Danielle Guglielmi</i>	<i>David Gustafson</i>	<i>Brian Harris</i>	<i>Nickolas Harrop</i>
<i>Ryan Hill</i>	<i>Jillian Huntress</i>	<i>Steven Kimball</i>	<i>Justine Laakso</i>
<i>Michelle Langley</i>	<i>Rachelle LaPointe</i>	<i>Mark Lavertue</i>	<i>Ashley Martin</i>
<i>Jessica McNeil</i>	<i>James Reed</i>	<i>Gregory Roache</i>	<i>Jillian Rogg</i>
<i>Nicole Shettlesworth</i>	<i>Jennifer Sullivan</i>	<i>Timothy Swanson</i>	<i>Rachel Whitcher</i>
<i>Taylor Wilkie</i>			

During this upcoming summer, construction work for our new roof and window replacement will take place. Recently, a contract was signed with Mill City Construction Inc. from Lincoln, Rhode Island. Upon completion of this estimated three million dollar renovation, we can be assured that this facility will increase its life expectancy for many years to come. This renovation project could not have taken place without the positive approval last year, unanimously, from our eight community members and the support of the Massachusetts School Building Authority.

The South Shore School District is represented by eight appointed School Committee members from each town's Selectmen's office:

<i>Gerald Blake, Chairman – Rockland</i>	<i>John Manning, Vice Chairman – Scituate</i>
<i>Robert Heywood – Hanover</i>	<i>Daniel Salvucci – Whitman</i>
<i>Lenwood Thompson – Abington</i>	<i>Robert Molla – Norwell</i>
<i>James Rodick – Hanson</i>	<i>Kenneth Thayer – Cohasset</i>

In closing, I would like to say thank you to the residents of Rockland who continue to support the mission of vocational education, and especially wish good luck in the future to our Superintendent, Mr. Charles D. Homer, who will be retiring this June.

Respectfully submitted,

***Gerald F. Blake***

Town Representative - South Shore Regional School District Committee

## ROCKLAND HOUSING AUTHORITY

To the Honorable Board of Selectmen and the Citizens of Rockland:

I hereby submit the Annual Report of the Rockland Housing Authority for the year 2011. The Board of Commissioners meets on the fourth Wednesday of the month, alternating between the Studley Court and Garden Terrace Community Rooms.

The staff consists of:

- Executive Director
- Section 8 Leased Housing Administrator
- Bookkeeper/Program Coordinator
- Maintenance Supervisor
- Part Time Maintenance Mechanic

The Annual Meeting was held on Wednesday, April 28, 2010, and the following officers were elected:

Chairman	Rita M. Howes
Vice Chairman	Mary Jane Letizia
Treasurer	Robert A. Sullivan
Vice Treasurer	L. Diane Logan
Affirmative Action Officer	John Rogers
Resident Commissioner	Irene Boudrot

The State and Federal Programs administered by the Authority are as follows:

State (400-1)	Elderly/Disabled	42
State (MRVP/MHFA)	Family/Elderly	25
Federal (133-1)	Elderly/Handicapped/Disabled	40
Federal (Section-8V)	Elderly/Disabled/Family	<u>154</u>
Total Units Administered		261

We are under the jurisdiction of the State Division of Housing and Community Development (DHCD) and the Federal Housing and Urban Development (HUD), and are audited by these agencies.

### Waiting Lists

The Studley Court and Garden Terrace waiting lists are the only open lists at this time. Currently there are 337 applicants on the list for Garden Terrace and 216 applicants on the list for Studley Court.

The Section 8, MRVP and AHVP Waiting List are closed.

The Rockland Housing Foundation, Inc., a non-profit affiliate of the Rockland Housing Authority, was established on April 24, 1998, in order to further address the housing needs of the citizens of Rockland.

I wish to extend my sincere gratitude to the Staff and Board of Commissioners for their assistance and dedication this past year. I also extend my thanks to the Rockland Fire Department, the Rockland Police Department, the Rockland Water and Sewer Departments, and the Rockland Highway Department for their service and cooperation.

A special recognition to the Rockland Council on Aging for all they do to contribute to the quality of life of our Seniors.

Respectfully submitted,

Carolyn Gunderway, PHM, MPHA  
Executive Director

## **EMERGENCY MANAGEMENT**

Report of the Emergency Management Director:

The requirements established by the Federal Department of Homeland Security and the State Emergency Planning Committee have continued to be revised and increased with emphasis on required regional planning and response. Federal grants for smaller communities continue to be reduced in size with more awards directed toward large cities or regional committees. In the meantime budget cuts by both Massachusetts and local communities make achieving the requirements all but impossible without some paid staff.

The Director has again attended monthly MEMA meetings in Bridgewater and has attended training sessions in Taunton, Marlborough, Hyannis, Plymouth, and Framingham.

Most of the town employees and officials have completed the requirements of the Federal Government: the National Incident Management System and to the appropriate level of the Incident Command System, both of which are required for all first responder and administrative personnel. New employees have not been trained and will have to meet the required levels as the Town otherwise must run the risk of having federal assistance withheld. The annual Town certification of completion for those who have met the requirements has been filed as required by presidential directive. School personnel may have met the requirements through a federal grant awarded to the North River Collaborative and may not yet have had their status certified and filed. Several officials and newly hired employees have not yet been certified and must still meet the basic federal requirements in order to meet our annual reporting requirement.

The Citizen Emergency Response Team has not yet become functional. As noted in the last annual report this program will provide individuals trained in disaster preparedness, fire safety, disaster medical operations, light search and rescue, disaster psychology, terrorism, and CERT organization and be available to assist where needed in emergency or other types of situations and should be available to assist in the operation of the emergency dispensing sites being developed through the MA Board of Health. A grant to cover the training remains in our possession and the program should be developed with the cooperation of the Fire Department and other town departments. It should be noted that all volunteers must pass a background check as they will be assisting with young children and the elderly and will be entering private areas when needed. Some other local communities have developed effective programs and have offered to aid in having us use their instructional personnel.

The Rockland Auxiliary Police continues to provide regular back-up to the Police Department. The members all complete an annual firearm's qualification, certification in CPR/AED and as first responders, and an annual in-service program which includes First Aid, CPR/AED, Criminal Procedure, Motor Vehicle Law, and a number of specialized law enforcement areas. All officers also were certified in radar traffic enforcement. The officers assisted at the following activities: Memorial Day Parade, Citizen's Scholarship Toll Booths, Special Education Parent's Advisory Council Toll Booths, So. Shore

Regional Vocational School Toll Booth, and the Christmas Stroll. No assistance was requested for the Veteran's Day parade. Assistance was also provided to a number of out of town details and compassionate assistance was provided at some funerals.

The Auxiliary provides two fully equipped cruisers and manpower back up on Thursday, Friday and Saturday nights or other times as determined by the Chief of Police. This has resulted in many thousand hours of unpaid service to the community. The older cruisers which were in need of replacement (age and mileage) have been replaced at minimal expense to the Town by two cruisers obtained from East Bridgewater PD. It is likely that we will have to cut back on service because of the economic problems the Town faces. This limits the use of the Auxiliary because of the gasoline prices. It also has limited the reimbursement of Auxiliary officers who must provide all of their own equipment and are responsible for their training costs. The up-front expenses have impacted the number of applications of new officers and the movement of some officers to other towns and a substantial number to the regular department as Permanent Intermittent officers.

The construction at the Rogers Middle School and the High School will necessitate major planning changes for emergency sheltering, the emergency dispensing site, and other disaster or storm related assistance. There will need to be alterations made in plans and agreements with the School Department, the American Red Cross, and the school bus contractor for the operation of certified shelters should their need arise.

The diesel generator procured through a federal grant and funds from the equipment budget has still not been connected to the Town Hall power panel at this time due to the Town's lack of funds. It is still possible to use the generator by using portable lighting. We will need to find adequate storage for that and two other portable units. The Town does not appear to have adequate space and we will attempt to locate some private space that can be donated as an alternative.

The Rockland Comprehensive Emergency Plan update was completed and upgraded. However new guidelines make further revision required as will probably continue to be the case on an annual basis.

The mitigation plan for the area between Studley's Pond and the wastewater treatment plant continues to be developed. At some time in the near future there will have to be a formal hearing to satisfy the planning requirements.

Respectfully submitted,

Robert L. Bowles  
Director

## **ROCKLAND LOCAL EMERGENCY PLANNING COMMITTEE**

Report of the Rockland Local Emergency Planning Committee:

The Local Emergency Planning Committee operates under the requirements of the Superfund Amendments and Reauthorization Act (SARA) and Title III: The Emergency Planning and Community Right-to-Know Act (EPCRA). The Committee is mandated by the Commonwealth of Massachusetts and has ten specific categories of governmental and private sector personnel who are *required* to participate. These include Law Enforcement, Fire Services, Emergency Medical Services, Emergency Management, Health Care, Hazardous Materials (businesses that generate Hazmat materials), Public Safety Communications, Public Health, Public Works (Highway, Water, and Sewer), and Government Administrative (Administrator, Selectmen, Accountant, Building, etc.). In addition service clubs (Lions,

Kiwanis, Chamber of Commerce and others) and other civic groups are encouraged to participate on the Committee.

The LEPC normally meets quarterly in general session with all meetings posted and open to the public. In addition the LEPC may meet in executive session for planning and setting guidelines for information that is of a security nature. The LEPC and the Fire Department are the receptors of annual reports from hazardous material facilities located in Rockland and critical needs facilities.

A new required table-top exercise will be planned and results will be submitted to the State in the near future. Recent federal guidelines necessitated additional major modifications in the process to be followed.

The present committee is made up of the following individuals (with their category designation):

Robert Bowles	Emergency Management
Dan Callahan	Water Department (Local Environmental)
Lawrence Chaffee	Elected Official (Chairman, Selectmen)
Robert Corvi	Public Works
Scott Duffey	Firefighting-EMS (Chief)
William Ferguson	Firefighting-EMS (Deputy Chief)
John Llewellyn	Law Enforcement
John Loughlin	Sewer Department (Local Environmental)
Janice McCarthy	Health
David Murphy	Broadcast Media
John Retchless	School/Transportation
Doric Scarpelli	School/Transportation
VNA Rep.	Hospital/Public Health
Representatives currently listed from manufacturing facilities are	
ITW TACC	Kate Ryan
Globe Composite Solutions	representative to be named
National Coating	representative to be named
Venture Tape	representative to be named

We must seek additional representation from churches as well as service organizations to provide true community representation.

The Chairman has attended meetings that dealt with public health concerns and weather or other emergencies. Planning has been completed for emergency dispensing sites at the Memorial Park School and the Community Center. Health Agent Janice McCarthy has completed plans for the sites and has procured signage for their use. Previous plans for the use of the Rogers Middle School had to be abandoned for the period of the new school on that site. Both current sites have been evaluated by a consultant for the State Board of Health and inventories of needs have been established. A study has been continued for adequate access and parking at the Community Center.

The Commonwealth has established planning guidelines for dispensing sites for each community. These will be set up to provide emergency supplies, food, and water in the event of a major power outage (storm or other related) or another widespread disaster. Plans to use the Rockland High School parking area will have to be replaced with a new location for the period of construction and new distribution regulations established.

Respectfully submitted,

Robert L. Bowles, Chairman

## ROCKLAND TOWN FOREST COMMITTEE & CONSERVATION CORPS

To the Honorable Board of Selectmen & Citizens of Rockland:

I will start off by saying “What a year it was at the Rockland Town Forest”. The people of Rockland never cease to amaze me. The celebration on May 2, 2010 in naming the town forest in my honor was totally overwhelming and an unexpected experience. I want to thank the following groups of people: the selectmen, town administrator, conservation commission, open space committee, park, police and highway departments. In addition, the Boy Scouts of Troop 113 and the many people that donated food, etc to make the day one that will be remembered for years to come, and especially to Andy Triantaffelow and my wife Virginia who spent countless hours of planning to make the whole event happen.

So many things happened this past year it is hard to know where to start. In February, after a discussion with the town forest committee I went before the conservation commission to have the new trail named after Albert L. Ingeno. Mr. Ingeno worked with me for eighteen years as a member of the Rockland Town Forest Committee and helped in making the Rockland Conservation Corps meet its objectives. He was instrumental in creating the lower fire lane which is now part of the trail named in his honor. Mr. Ingeno passed away the end of August at age 90. I was glad he had a chance to see what the years of work at the town forest ultimately accomplished. He was wonderful caring family man and loved the town and the town forest. The trail now called the “Albert L. Ingeno Trail” which I have spoken so much about in the past few years is near completion. The length is 3,350 feet and has sixteen bridges. Three major bridges were constructed by town forest committee members this past year. The trail can be used just about all year for hiking. During the winter it can be used for snowshoeing. There are several beautiful vistas along the trail and there is much history and geology associated with the area.

Work constructing the bridge abutments and stone wall replication was completed by Don Springhetti and Mike O’Brien. This year alone they have spent well over two hundred hours of volunteer time on this project. Jim Norman spent numerous hours clearing brush and debris along the trail, access road and parking areas.

In addition, we had another Eagle Scout project completed this year by Andrew Gerrish of Troop 113. The project involved constructing and erecting twelve back to back bird houses throughout the town forest. The project was completed in mid-June and by the end of July several vacancies were already filled. This will hopefully bring a wide diversity of avian life to the town forest for all to enjoy.

The garden did fairly well this past year and we now have a donation canister at the parking area off North Avenue for anyone wishing to help defray maintenance costs and continue our projects. I want to add that there were many volunteers that participated in the town forest this past year and they contributed greatly to its further success. I sincerely thank them for their help.

We now have a newly constructed parking lot off the Spruce Street entrance to the town forest that was constructed in mid-October. Depending on what takes place at old Naval Air Station we may be able to open that parking lot on weekends at designated times to allow people to drive in off the street. It certainly will make it easier for people on Spruce Street to enjoy the beauty of the town forest.

I can honestly say that over the last twenty-five years that I have been involved in the town forest adventure I never imagined that it would have come this far. I can only hope that this endeavor will not pass away, but will become a vision for someone else and continue to grow in the ideals for which it was intended. As always we do not use tax dollars for our projects, but rely on

donations, organizations, individuals, etc to improve and make the Rockland Town Forest a place for citizens of Rockland and all to use. It should be mentioned that the number people that now use the town forest has increase enormously over the past three years. The positive comments from those that use the town forest are very encouraging.

Volunteer hours from the Rockland Town Forest Committee, boy scouts and other volunteers during 2010: 441 hours

Respectfully submitted,

George H. Anderson, Chairman  
Rockland Town Forest & Conservation Corps.

**TOWN OF ROCKLAND  
CLIMATE SUMMARY  
FOR CALENDAR YEAR 2010**

Station Location: 355 Forest Street, Rockland, Massachusetts  
Map Location: (U.S.G.S.): N 42 9' 15" – W 70 54' 30"  
Elevation above sea level: 151 feet

**Growing Season Data (Based on a killing frost of 32 F)**

Last Killing Frost (spring): April 28, 2010  
First Killing Frost (fall): October 23, 2010  
Length of Growing Season: 179 days (average is ~ 150 days)

**Temperature Data**

Year's Highest Temperature & Date: 102 F on July 6, 2010  
Year's Lowest Temperature & Date: 3 F on January 10, 2010  
Heat Waves Recorded: Dates & Duration: July 4 thru 10<sup>th</sup>: August 29 thru September 2<sup>nd</sup>

(Based on three or more consecutive days with temperatures 90 F or above.)

**Precipitation Data**

Annual Precipitation: 58.35"  
30 year normal: 45.31"  
Most amount of rainfall in a 24 hour period: 3.71" 6 PM on 3/14 to 6 PM on 3/15  
Most amount of snowfall for a single storm: 10.75" from 11 PM on 1/1/2010 to 3 PM on 1/3/2010

**General Comments**

The year 2010 will go down as one of the most extreme weather years in over three decades in our area. Heavy rains from the end of February to near the end of March caused major flooding in many parts of Rockland and the region. We received almost half our annual rainfall in a little over four weeks. The floods were followed by a very hot summer which lasted into autumn. Late December gave us one of the most devastating snowstorms in memory. The water content of the snow made it so heavy more trees came down than in some hurricanes that have passed through the area. As mentioned it was a hot summer which from mid-April until early September gave us two heat waves and an overall total of thirty-four ninety plus degree days. This is three times higher than normal for the area.

Overall the year averaged out 3.3 degrees above average. Precipitation ended up about 30 percent above average and snowfall was about 8 percent below average.

## Rockland Town Forest Committee Financial Report 2010

Balance forward FY 2009:	\$4,243.44
Total Collections:

## TAXAID COMMITTEE 2010 ANNUAL REPORT

On behalf of the TAXAID COMMITTEE, it is my pleasure to submit our second Annual Report. As you may recall at a previous Town Meeting the voters approved an Article for the formation of this committee. This approval also directed this committee to establish a process for voluntary tax donations to assist seniors and disabled persons of low income in paying their real estate taxes.

This past Town Meeting, May 2010, the voters further approved a low income VOLUNTEER WORK PROGRAM which would also provide assistance to low income seniors. In this program seniors would work in various Town Departments a set number of hours at the minimum wage until they are eligible to receive a \$500.00 voucher towards their real estate taxes. Both of these programs were administered with the assistance of Council on Aging Director, Peg Bryan. Without her help it would have been extremely difficult to get these programs up and running.

This committee has been meeting monthly for the past 18 months developing guidelines and the appropriate applications necessary to approve the expected requests for assistance from both of these programs. A mailing was sent to every household in Rockland informing residents of the volunteer tax payment plan. The present tax bills had to be revised to let residents know the proper procedure to follow. Unfortunately, this was more complicated than was expected. With the help of Judy Hartigan, Tax Collector the revised Excise Tax Bill was available this year. The revised Real Estate Tax Bills will be available beginning January 2011. We did receive volunteer donations from the Excise Tax Bill and were able to provide five income eligible seniors each with a \$500.00 voucher towards their real estate tax bill. We expect that by next Fall when we review new applications we will have more money available for assistance. We will have four more opportunities for residents to make donations towards their struggling neighbors. A great big thank you to Tax Collector Judy Hartigan for all of her efforts. Thanks to all who have donated to the TAXAID program

When the voters approved the VOLUNTEER WORK PROGRAM \$5,000.00 was set aside under the Assessor's Overlay Account. This would allow for ten seniors to work in one of the Town's Departments for a total of 62.5 hours in order to earn the \$500.00 voucher towards their real estate tax bill. To date five seniors have been placed in this program. We hope to have the remaining five in place within this fiscal year which ends June 2011.

It appears that through both programs ten seniors will have received a voucher for \$500.00 towards their real estate tax bill. It is hoped that once the new tax bills are operational we will be able to help many more in the following years.

In closing I would like to thank the members of the TAXAID COMMITTEE for their hard work and dedication to helping those in our Community who are in need. – Jeanine Oliver Secretary, Karen Sepeck Treasurer, Dennis Robson Chairman of the Board of Assessors, Patti Penney and Peg Bryan Council on Aging Director. I would also like to thank the staff of the Assessors, Tax Collector and Treasurer Offices for their efforts in making all this work.

Respectfully Submitted,

John Rogers, Chair  
TAXAID COMMITTEE

## ROCKLAND CULTURAL COUNCIL

To The Honorable Board of Selectmen and the Citizens of the Town of Rockland:

The Rockland Cultural Council is pleased to submit the annual report for the year 2010. Rockland Cultural Council continues to be a “streamlined” council due the training of our council members. This allows us a quick turn around time for state funds to be granted and no wait period for state approval to begin projects.

As we all realize the financial climate of the state is a little different than the previous years. Our budget reduced to \$5,550 was as fairly allocated as possible with full emphasis on Rockland and its citizens; to local schools; art associations; the Rockland Memorial Library; museums and the Senior Center.

Monthly meetings are posted in the Town Hall and recorded in the Brockton Enterprise and on cable TV. There are Cultural Survey sheets available at the office of the Selectmen for citizens to express their ideas and suggestions. All Rockland residents are encouraged to ask questions or perhaps join the Council as a member.

Our September meeting is of particular importance as our community input meeting. This gives residents a chance to voice opinions and become informed about grants and the procedure for applying for grants. All our meetings, however, are open to the public. The Council is also proud of the Rita Maher Memorial Scholarship designed for Rockland students enrolled full time in an accredited school leading to a degree in the Arts. This scholarship is funded primarily from proceeds of note cards found at the Selectmen’s Office and from private donations.

This scholarship is open from April to August and forms can be found at the Circulation Desk in the Library and the Selectmen’s Office at Town Hall.

We as a council were especially excited to have sponsored a Rockland student art exhibit and sale in June at the E. T. Wright Building with great help, support and expertise from Sam Homsy, the owner of Premium Art Outlet who provided the gallery space, a great deal of assistance and a very generous discount for framing the student’s pieces of art. We sincerely urge and hope that our residents take advantage of funded programs which have been made possible through the Massachusetts Cultural Council monies.

Respectfully submitted,

Jane Tetslaff, Chair  
Janet Cann, Public Relations  
Claire Garvey, Treasurer  
Sheila Togo, Recording Secretary  
Marcia Adams  
Janet Coughlin

## **BUILDING DEPARTMENT**

To the Honorable Board of Selectmen and Citizens of Rockland;

I hereby submit the Annual Report of the Building Department for the year 2010.

During the year the Commissioner reviewed and issued 447 Building Permits. The scope of these permits ranged from Detached Single Family Dwellings, Attached Townhouse style Single Family Units, Commercial Office Building, as well as Residential and Commercial Remodeling work.

Building Permit Fees collected totaled \$147,549.35 which reflected a Construction Value of approximately \$13,000,000.00.

Inspections made throughout the year also include Certificates of Compliance issued to establishments such as Schools, Restaurants, Bars, Hotels, Day Care Centers and Multi-Family Structures.

I would like to extend my thanks to the Town Administrator and Board of Selectmen along with all Town Departments for their continued assistance and to our Administrative Assistant Bette Burrill for her effort in keeping the office running smoothly.

Respectfully submitted,

Thomas Ruble  
Building Commissioner  
Zoning Enforcement Officer

## **TRENCH PERMITS**

As of January 1, 2010 the permitting authority for trenches collected a total of \$1300.00.

Respectfully submitted,

Thomas Ruble  
Building Commissioner  
Zoning Enforcement Officer

## **REPORT OF THE FENCE VIEWER**

To the Honorable Board of Selectmen and Citizens of Rockland:

As Fence Viewer of the Town of Rockland, I serve the community in several ways. It is the duty of the Fence Viewer to enforce the Fence Laws as per the Massachusetts General laws, as well as the Town By-Laws regarding fences. It is also my duty to attempt to resolve fence issues between abutters.

In 2010, the Fence Viewer took action in a number of “fence situations”. Each of the “situations” was handled to the fullest capacity of the Fence Viewer’s authority. In addition to those situations, the Fence Viewer answered numerous questions regarding fencing via the telephone.

If you have a question or complaint regarding fence issues, please contact me through the Building Department (781-871-0596 ext.3).

Respectfully submitted,

Thomas Ruble  
Fence Viewer

## **SEALER OF WEIGHTS & MEASURES**

To the Honorable Board of Selectmen and Citizens of Rockland;

During 2010 the Sealer of Weights and Measures tested and sealed 17 scales, conducted 98 tests of gasoline and diesel meters, 7 scanning systems, 13 reverse vending machines, 3 cloth measuring devices and 1 wire cordage. All dispensers were sealed. The total amount of fees collected was \$4,955.00.

Respectfully submitted,

Thomas Ruble  
Sealer of Weights & Measures

## **GAS INSPECTOR**

To the Honorable Board of Selectmen;

The following is my report of Gas Inspections for the calendar year January 1, 2010 through December 31, 2010.

During this period our office issued 177 Gas Permits for revenue of \$8315.00.

My thanks to all departments who worked with us during 2010. A special thanks to our Administrative Assistant Bette Burrill, for keeping our office a smooth running operation.

Respectfully submitted,

William Stewart  
Gas Inspector

## **PLUMBING INSPECTOR**

To the Honorable Board of Selectmen and Citizens of Rockland;

The following is my report of the Plumbing Inspections for the calendar year January 1, 2010 through December 31, 2010.

During this period our office issued 186 Plumbing Permits for revenue of \$13,740.00.

My thanks to all departments who worked with us during the year 2010. A special thanks to our Administrative Assistant, Bette Burrill, for keeping our office a smooth running operation.

Also, welcome aboard Michael Tanner (alternate), everyone is looking forward to working.

Respectfully submitted,

William Stewart  
Plumbing Inspector

## **WIRE DEPARTMENT**

To the Honorable Board of Selectmen and Citizens of Rockland;

In the Year 2010 the Inspectors of Wires issued 393 Electrical Permits. We conducted in excess of 1500 inspections. Wiring Permits fees collected totaled \$35,887.00.

Our thanks, to all departments who worked with us during the year 2010. A special thanks to our Administrative Assistant Bette Burrill for her continued patience and support. We look forward to a busy and eventful 2011.

We would like to welcome Michael Dutton as our Alternate Wiring Inspector and look forward to working with him in the years to come.

Also, we would like to thank Charlie Pratt for his 20-plus years of service as a Wiring Inspector, Alternate Inspector and as a helping hand around the office.

Respectfully submitted,

Jim Paul & James Sawaya  
Inspector of Wires

To the Honorable Board of Selectmen and the Citizens of Rockland:

I respectfully submit the Annual Town Report of the activities of your Police Department for the year 2010.

**Mission Statement**

The Rockland Police Department is committed to providing the highest level of public safety and service to the citizens and business people within the community. The members of the Rockland Police Department are empowered to enforce the Laws of the Commonwealth of Massachusetts and the By-Laws of the Town of Rockland, to ensure that the peace and tranquility of our neighborhoods are maintained and that crime and the fear of crime are reduced. We emphasize and value integrity, honesty, impartiality and professionalism from our members in order to create an environment that values differences and fosters fairness and flexibility in our mission.

## Personnel

As of December 31, 2010 the current complement of the Police Department is back up to 32 full time sworn officers. This is up six from this time last year. Four years ago the department had 34 full time officers. We are in the process of filling these positions as finances allow. I hope to be at our prior complement by the end of 2011.

2010 will be known as the year that saw an unprecedented number of new officers join the police department. Eight (8) new Officers joined the ranks of the Rockland Police Department. Officers Brian McDonald, James McLaughlin, Kevin Gallagher, Joseph Rogers, Jeffrey DiRenzo, Joseph Esposito, John Rafferty and John Golojuch all began their careers in 2010. Veteran Sergeant William Shallies retired in September. On behalf of the members, current and retired, we wish him a long happy and healthy retirement.

Along with these new hires came promotions. Officers James Simpson and Peter Chernicki were promoted to Patrol Sergeant. Both of these officers have proven themselves to be exceptional police officers and I am confident that they will continue to excel as leaders in our organization. Officer Brian Coakley was promoted to the department's D.A.R.E. Officer Position. Officer Coakley attended the challenging D.A.R.E. Instructor Certification Program and is now bringing this important program to the Rockland Schools. Officer Susan Llewellyn was named the department's first ever Domestic Violence Officer. As a result of a Federal grant she has been able to devote her full time efforts to assisting victims of domestic violence.

The Police Department currently has 2 Permanent Intermittent Officers (part time civil service positions.) These Officers fill in for the full time Officers when they are unable to work. The Department also has 17 Auxiliary Police Officers. These Officers assist the regular full time Officers on weekends and with special events. They are an invaluable resource to the town. Special thanks to Robert Bowles who leads the Auxiliary Police Officers.

The Department currently has one part time Animal Control Officer. Patricia Whittemore handled over 300 animal complaints in 2010. She also deals with sick, injured and stray animals on a daily basis. The ACO is authorized to isolate and confine domestic animals suspected of being exposed to rabies. Unfortunately, as a result of budget cuts we no longer have a part time ACO to cover calls for service on the weekends and holidays.

The Police Department handles all 9-1-1 calls for medical, police and fire services. The 9-1-1 staff handled over 6,000 calls during 2010. The 9-1-1 call center is staffed with four full time dispatchers and eight part time individuals. Our Dispatchers do an outstanding job and deserve recognition for a position that is extremely important and when well done is often overlooked.

Our school crossing guards are part-time civilian personnel. Currently there are two permanent crossing guards and one part-time who fills in when a regular crossing guard is unable to cover a post. Each crossing guard plays an essential role in ensuring the safety of our children. They also serve as an extra set of eyes and ears for the police department and the community. Each crossing guard has proven their dedication to the children and the community and they are a great asset to Rockland.

Our custodian, Richard Welch, does an amazing job keeping a very busy building clean. Needless to say, a busy police department can get very dirty at times. Mr. Welch does a great job keeping the building clean and functioning. He also performs many repairs around the station, thereby saving hundreds of dollars in service calls.

Executive Assistant Jeanne Gianatassio and Administrative Assistant Leanne McGuinness do an amazing job administering all of the issues that surround the hectic day to day operations of a very busy police department. My sincere thanks to each of them for their commitment and dedication to the department.

### **Service to the Community**

The Rockland Police Department is committed to providing first class service to the residents of the town. To that end, in 2010 the department was involved in the following Community Policing Initiatives:

- D.A.R.E. Drug Abuse Resistance Education
- R.A.D. Rape Aggression Defense Classes for adults and children
- “Click It or Ticket” seat belt enforcement program
- “You Drink, You Drive, You Lose,” and
- “Over the Limit – Under Arrest” enforcement patrols
- Underage alcohol enforcement patrols,
- K-9 program – with cutting edge training for both drug detection, tracking and apprehension programs
- Metropolitan Law Enforcement Council – Regionalized Response Team
- Metropolitan Law Enforcement Mobile Operations Division
- Metropolitan Law Enforcement Computer Crimes Unit
- Free bicycle helmet program
- Applied for and received numerous grants allowing the department to purchase computers, office equipment, cruiser equipment and conduct community policing patrols
- Development and maintenance of a department website
- Rockland Police Special Response Team
- White Ribbon Domestic Violence Awareness Programs
- Unit demonstrations and participation in numerous private and Town sponsored events

The Rockland Police Department K-9 program has been very successful. Officer Somers and K-9’s Boyar and Jessica have tracked and located a number of dangerous criminals, they have successfully located numerous missing persons, and have searched for and found large quantities of drugs in both homes and vehicles. This extremely successful program is funded entirely through private donations and the hard work of Officer Steven Somers.

In 2010 the Police Department logged 21,777 calls. This does not include the thousands of telephone calls for directions, school closings and the requests for general information that the desk officers and the 9-1-1 dispatchers answer. During 2010 the Police Department arrested 485 individuals and placed another 95 into protective custody.

2010 was a very busy year for your police department. The department handled over 14 “Critical Incidents” during the year. A “Critical Incident” is defined as an extraordinary event which places lives and property in danger and requires the commitment and coordination of numerous resources to bring about a safe and successful resolution.

Some of our critical incidents included a murder on January 1<sup>st</sup>; two separate barricaded suspect cases involving firearms; a stabbing which required the victim to be transported via Med Flight to a Boston hospital; an armed robbery of the South Coastal Bank by means of an alleged bomb strapped to a suspect’s waist; a particularly disturbing assault and battery by means of a motor vehicle against four Rockland youth, and a number of armed robberies wherein a firearm was used.

The above a just a handful of the incidents that are handled every day by the men and women of your Police Department.

### Acknowledgements

I extend my thanks and appreciation to the Board of Selectmen, our Town Administrator, Alan Chiocca, and the Finance Committee.

Thank you to Robert Corvi and the members of the Highway Department. Mr. Corvi and his crew provide invaluable services to the Police Department and the citizens of Rockland.

I also wish to thank all of the Boards, Committees, Commissions and Departments within the Town. I believe that the spirit of cooperation among departments is at an all time high.

Thank you to the citizens and taxpayers of Rockland for your continued support.

To the men and women of the Rockland Police Department – I thank each and every one of you for your dedication, professionalism and your spirit. You are truly the foundation our department stands upon.

Respectfully submitted,

John R. Llewellyn  
Chief of Police

## ROCKLAND FIRE DEPARTMENT

TO THE CITIZENS OF ROCKLAND AND THE HONORABLE BOARD OF  
SELECTMEN:

I hereby submit the annual report of the Rockland Fire Department for the year 2010

### THE ANNUAL REPORT

I am very excited to be writing this report. The citizens of Rockland should be proud of their Fire Department. I consider myself extremely fortunate to be the Chief of a group of firefighters who I feel are the best in the business. The Town of Rockland is protected by a group of men who perform their duties unselfishly and without question. Your Rockland Firefighters are true heroes.

A major change this year for the Rockland Fire Department has been my appointment to the position as Fire Chief. The Selectmen have taken a risk in appointing a young chief with limited experience. I am grateful for their support and their confidence in me. I pledge to the Citizens, business owners, and visitors of Rockland that I will do my best to lead the Fire Department to maintain and protect their safety from fire, illness, trauma and hazards. To the personnel at Rockland Fire, I would like to thank you for making my transition from Captain to Chief easy and seamless. I wouldn't want to be working with anyone different. I would also like to thank all the past members of the department who have shown me their support and offered me their advice. I especially would like to thank Retired Chiefs Henderson and Sammon for their continuous support and advice. The job of Chief would be extremely difficult without the help of those that did it before me. The backbone of the Rockland Fire Department is Executive Assistant Mary Ryan. Thank you, Mary, for all you do for us.

Special Thanks must go to Retired Interim Chief Robert DiPoli. Chief DiPoli served the Department by getting it through a time of unknown leadership challenges. His leadership, not only within the department, but throughout the community has helped Rockland Fire move forward.

Once again, the department has exceeded the previous year's emergency calls by just over 5%. For 2010, there was a total of 2,859 calls responded to with at least one fire engine and 2,372 Ambulance responses. Each year the department is busier than the preceding year. This is a trend I believe will continue for my entire career. The department is responding to more emergencies while maintaining a limited staff. Staffing needs are "inadequate" as reported by Retired Interim Chief DiPoli. It is time we as a Town invest in the fire department and safety of this community!

I ask you, the Citizens of Rockland to continue to support **your** fire department. We are here to serve you and do our best to solve any problems, no matter how minor some may seem.

## VEHICLE INVENTORY

Engine Two (Retired Whitman Fire Truck received from a Junk yard)	1250 GPM Pumper	GMC	1988
Engine Three	1250 GPM Pumper	Smeal/HME	2004
Engine Four	1250 GPM Pumper	E-One/Ford	1988 (Out of Service)
Ladder One	105 Ft. Aerial	Smeal/Spartan	1999
Forest Fire One	Light Duty Forest Fire	Ford	1986 (Out of Service)
Forest Fire One	Light Duty Forest Fire	Chevy Pick-up	1986
Fire Alarm	Bucket Truck	Ford F-550	2001
Chief's Car	4 Door Sedan	Ford	2005
Deputy Chief's Car	4 Door Sedan	Ford	1997 (Out of Service)
Car-3	4 Door Sedan	Ford	1993
Rescue Boat	14 Ft. Inflatable	Mercury	
Ambulance 1	Class I Type III	Ford/AEV	2008
Ambulance 2	Class I Type III	Ford/Life Line	2000

As you can see, the fleet of vehicles the fire department is currently operating is aging. We have numerous vehicles out of service due to mechanical issues. These issues are directly related to the age of the trucks and the wear they endure. Also associated with the age of the equipment are the increases in repair bills the department has is having to pay.

We have taken steps forward to replace some of this equipment. We have recently ordered a new 1500 GPM Emergency-One Pumper through Greenwood Emergency Vehicles. Delivery of this truck should be sometime during the summer of 2011. Placing this truck in service will alleviate the wear and tear being placed on the current equipment.

The Fire Department received a 1986 Chevy, utility body, pick-up from the United States Navy through a Military Vehicle Surplus Program and the Massachusetts Department of Conservation and Recreation at no cost to the town. Numerous members of the Rockland Fire Department worked on this truck while on duty and also volunteered their time off duty to move the fire pump and water tank from the existing forest fire to this newer vehicle. Their hard work and innovation saved the Town approximately \$10,000. The Town was facing having to replace the old forest fire truck with a new one in the near future. This project has allowed us to delay that purchase for at least 2 to 3 years and saving close to \$50,000. Thank you to everyone involved, especially Firefighter/EMT Dan DelPrete and Firefighter/Paramedic Thomas Henderson who did the bulk of the work. You all did a great job! The truck looks and runs great!

The Rockland Fire Alarm Division has replaced the 1974 Bucket Truck with a 2001 Bucket Truck. This newer truck allows the fire alarm attendants a safer platform to work from. The Fire Alarm Division has now been able to replace older sections of fire alarm wire throughout town in a more efficient and safe manner. The purchase of the new truck and all upgrades to the fire alarm system have been paid from the Fire Alarm Revolving Account. This account is replenished each year with funds collected from Master Box monitoring fees.

#### PERSONNEL

Your Fire Department consists of the Chief, Deputy Chief, 1 Captain, 3 Lieutenants, 18 full-time firefighters, 2 call firefighters, 2 part-time Fire Alarm attendants and 1 Executive Assistant.

Additions to the department came in hiring 3 new firefighters. These men were hired off the Civil Service hiring list. Rockland residents Henry Kennedy and Christopher Hussey and Hanover resident Jonathan Hickey, all EMT-Paramedics, bring great skills to the already talented pool of Rockland Firefighters.

The Rockland Fire Department currently has 2 vacancies. I am hoping to fill one of these vacancies shortly. Due to budgetary constraints I am uncertain at this time if I will be able to fill the second position.

#### AMBULANCE REVENUE

In the Calendar year of 2010 the Town of Rockland received \$625,739.12 in ambulance billing fees and another \$22,909.00 in permit fees. This is an increase in ambulance fees for calendar year 2009 of \$37,095.03 and an increase of \$6,620.00 in permit fees. For the calendar years 1999 through 2010 the Executive Assistant collected over 6.125 million dollars in ambulance billing fees.

#### APPRECIATION

I would like to thank the families and friends of the Campanile Family and Triantaffelow Family for their donations to the Rockland Fire Department in the memory Regina Campanile and Helen Triantaffelow. These generous donations received from you have been used to purchase training mannequins which will allow members of the Department to maintain medical skills such as CPR. The equipment will also be used while teaching CPR and First Aid techniques to the public. On behalf of the Rockland Firefighters, I would like to thank the friends and family of Henry Golemme for their generous donations to the Rockland Firefighters IAFF Local 1602.

Like previous Chiefs, I must give special thanks to Rockland Fire Firefighter/ Paramedic Charles Williams and Firefighter/ Paramedic Marc Oshry for another successful FEMA grant award. This year Charlie and Marc were able to secure \$138,740 for the installation of a fire sprinkler system and fire alarm system for the Rockland Fire Station. Also included in this package are funds for new 4" hose and related accessories for the fire trucks. The Town and Department are fortunate to have two talented members who have so far brought in over \$900,000 in grant funds over the past 8 years. It must be noted that these men do not receive any extra compensation for the time and effort they put into writing these grants. Most of that time and effort is expended while off duty.

I hope the citizens have noticed the memorial in front of the fire station. Once again, numerous members of the department have taken time to replant the grass, install a sprinkler system and redo the granite curbing and brickwork around the memorial bell. This work is a sign of pride these men have for being Rockland Firefighters. Thank you to all involved, especially retired fighter Anthony DelPrete. At 90 years old, I think Tony worked harder than anyone!

Thank you to the citizens of Rockland! We appreciate all the support you have shown us over the years. We will continue to make you proud and we will keep you safe!

Respectfully Submitted,

Scott F. Duffey  
Chief of Department

## MEMORIAL LIBRARY

To the Honorable Board of Selectmen and the Citizens of the Town of Rockland:

The following is a report of the Rockland Memorial Library for the Fiscal Year 2010, covering July 1, 2009 to June 30, 2010. The Library was funded during this period with a town appropriation of \$353,000. The Town applied for and received a Waiver of the Municipal Appropriation Requirement in February 2010. This is the second year in a row a State Waiver was needed. The waiver guarantees Rockland residents the right to borrow books and other library materials from other public libraries in Massachusetts.

The Rockland Memorial Library is a member of the Old Colony Library Network (OCLN) which consists of 26 public and 2 college libraries. Member libraries share access to almost 3 million items by way of a web-based catalog. Rockland residents with a valid OCLN library card may request and borrow materials from member libraries. In Fiscal Year 2010 OCLN expanded service offerings for mobile users. The “BookMyne” app allows iPhone users to request and renew library material. The “Overdrive Media Console” provides mobile device users with access to e-book and audio book titles. All mobile apps are available free at [www.ocln.org](http://www.ocln.org), the OCLN website. Visit the Library’s website at [www.RocklandMemorialLibrary.org](http://www.RocklandMemorialLibrary.org) to obtain a temporary “E-Card”, view the Library’s holdings, access your account to renew and reserve materials, download audio books, search any of the specialized full-text databases, and view the Library’s calendar of events.

The Library serves as one of the Information Repositories for the South Weymouth Naval Air Station Redevelopment Project. The Local History Room/Archives also houses the minutes from the Selectmen, Water Department, Finance Committee meetings, as well as other town documents. Any resident may inspect these documents during regular library hours. The Library is also a Food Pantry donation site and participates in the IRS Tax Form Distribution program. The annual Flu Clinic was also held at the Library for all Rockland residents.

### **FY 2010 Statistics at a Glance**

- The Library was open to the public a total of 2,040 hours.
- More than 1,600 downloadable audio books and E-books were available for use by Rockland residents.
- The staff answered almost 7,000 reference and research questions, either in person or by email, telephone, or mail.
- Almost 16,500 books and other items were sent from other OCLN libraries and elsewhere to be borrowed by Rockland residents, and the Library in turn sent almost 14,000 items for use in other libraries.
- An average of 330 people per week signed up to use an Internet access workstation – an increase of 17% over last year
- Almost 5,000 adults, teens, and children attended more than 260 programs, events, or classes.

### **Ongoing Regular Programs**

- Weekly Baby & Toddler Story Times (ages 3 and under) and Pre-School Story Times
- Twice monthly Manga Club (teens)
- Monthly PJ (evening) Family Story times
- Annual Summer Reading Program and events
- Monthly Book Discussion Group for adults
- Weekly Drop-In Knitting/Needlework for adults
- “Art in the Rotunda,” a changing art display of local artists

### ***Special Events***

A variety of free programs was also held for Rockland residents including:

- "Monet's Magic Garden", a hands-on workshop and "Music of the Gaslight Era", a musical performance. Both events were funded in part by a grant from the Rockland Cultural Council, a local agency which is supported by the Massachusetts Cultural Council, a state agency.
- Indoor Mini Golf for kids
- "Read to a Dog: Therapy Dogs of Massachusetts", a program for beginner readers that promotes their interest in reading and builds their confidence in reading aloud.
- School Vacation Week programs
- And many more.... View the online calendar for upcoming events.

### **Gifts and Donations**

The Library also benefited from monetary donations by groups and individual members of the community. Monetary gifts can be given directly to the Rockland Memorial Library Gift Account. Again this fiscal year, the Rockland Lions Club generously donated funds to purchase large print books, each of which has a book plate indicating their generous gift. The Library is appreciative of all donations, large or small. Donations supplement the library budget by covering some of the costs of providing library services for Rockland residents of all ages that are not normally covered by town appropriation.

The holiday wreath that graces the Belmont Street door during the winter holidays is donated annually by Lisa Roberts in memory of her grandfather, John B. Fitzgerald, a former Library Trustee who served 51 years on the Board of Library Trustees and in memory of her mother, Elizabeth Roberts, who was also a Library Trustee.

### **In Appreciation**

The Rockland Memorial Library is a community resource that fosters a love of reading and endeavors to improve the quality of life for Rockland residents. The hardworking and creative staff continues to strive to meet the growing informational, technological and life-long educational needs of the citizens they serve. The library is also fortunate to have volunteers who donate their time and energy to assist the staff with a variety of tasks ranging from shelving books to unpacking delivery boxes and other special projects. Their help is much appreciated.

Lastly, the Library Trustees would like to thank all the people who continue to support the library both financially and through their patronage.

Respectfully submitted,

### **Board of Library Trustees**

Kathleen M. Looney, *Chair*

Richard L. Tetzlaff, *Treasurer*

Faith T. Heffernan

Marie Buchan Colburn, *Vice Chair*

Carol Cahill, *Secretary*

Laura A. Walsh

Beverly C. Brown, *Library Director*

## **CAPITAL PLANNING COMMITTEE**

To the Honorable Board of Selectman and the Citizens of Rockland:

During 2010 the Capital Planning Committee continued their role of assembling and assessing the capital needs of all Town departments and submitted their fourth annual town wide 5 year Capital Improvement Plan covering fiscal years FY2010-FY2014 to the Board of Selectman in April. The 5 year plan provides a concise overview all town wide potential large expenditures requiring supplemental funding to move forward. Large expenditures are those over \$50,000. For FY2010, there was progress on many capital projects with some finding alternative sources of funding.

### **Water Department Projects**

- The Lincoln and Chestnut Street Water Storage Tanks
- The purchase and construction of the new Joint Rockland/Abington Water Office & Garage
- The demolition of Great Sandy Bottom water treatment plant in Pembroke.
- Digital meter installation
- Security System for town water supply

### **Sewer Department Projects**

- Waste Treatment Upgrade
- Inflow & Infiltration/NPDES Permit

### **Fire Department Projects**

- Replacement of engine #2

### **School Department Projects**

- Replacement of Middle School and Renovation of High School-With the passage of an override to fund \$86, 201, 449.00 to build a new Middle school and renovate the High School through a debt exclusion with the bulk of the debt to be paid addressed in 2012. The Town of Rockland will only be responsible for 35.7% of the full cost of the build as it will be reimbursed through the MSBA.

It is the role of the Capital Planning to prioritize which projects/purchases are given first opportunity based on a scoring method that assesses the degree of need to the town and/or already allocated funding sources. The current plan consists of project requests, most of them for needed repair work to the Town's infrastructure and equipment requests for replacement of old "dated" equipment needed for daily use.

### **Fire Department Projects**

- Replacement of ambulance #2
- Replace C-2
- Replace Cardiac Monitors
- Replace Turnout gear
- Replace C-3
- Replace engine #4

## Sewer Department Projects

- Replacement purchase of Influent/Effluent Pumps-This is an \$180,000 project over three years to be funded through the Unreserved Fund Balance Account.
- Tank Maintenance-This is a \$300,000 project over three years to be funded through the Unreserved Fund Balance Account.
- Inflow & Infiltration-\$300,000
- Waste Treatment Plant Upgrade-\$500,000

## School Department

- In conjunction with a grant program with the MSBA “Green Repairs Program” there are three proposed projects for the three elementary schools:
  - **Memorial Park School:** \$125,000 for purchase and installation of gas boiler-conversion from oil to gas-conversion from steam to hot water heat.
  - **Jefferson School:** \$83,000 to \$113,000 for the purchase and installation of gas boiler-conversion from oil to gas-conversion from steam to hot water heat.
  - **Esten School:** \$179,680 for completion of replacement windows for interior and courtyard areas-replacement of five vestibules.
  -

*\*The total estimated cost is \$387,680 to \$417,680. Base reimbursement of 55% from the MSBS would be \$229,724 to \$213,224. This would reflect a short fall of approximately \$200,000.Savings with National grid could produce a 2.5 year payback on the project. The CPC recommends any short fall will need to come from the school maintenance budget for lack of other funding.*

## Highway Department

Additional funding for road repair and resurfacing work. The Chapter 90 money provided by the state does not keep pace with the money needed to provide “timely” repaving of the eroding roads in Rockland. Chapter 90 money for the next 3-4 years is estimated under \$300,000.00 per year.

The FY2010-FY 2015 5 Year Capital Improvement Plan report is available on the Town web site for viewing under “[Documents and Forms](#)”, “[CPC](#).”

Respectfully submitted by the Capital Planning Committee,

Kelli O’Brien McKinnon, Co-Chairman  
John Ellard, Co-Chairman  
Kenneth M. Murphy, Vice Chairman  
Scott MacKinlay  
Joseph Gambon, Secretary  
Richard Phelps  
Joseph Waisgerber

## **ROCKLAND CONSERVATION COMMISSION**

**To the Honorable Board of Selectmen and Citizens of the Town of Rockland:**

I hereby submit the annual report of the Conservation Commission for the year 2010.

The Rockland Conservation Commission serves an important role in the community and within the Commonwealth of Massachusetts as they are the Administrator of the state's Wetlands Protection Act, M.G.L. Chapter 131, Section 40, the Rivers Protection Act, the newly promulgated Stormwater Regulations and the local Wetlands Protection By-Law in the Town of Rockland. Under these laws, bylaw and regulations, the Conservation Commission processes many permit applications every year to work in or near vegetated wetlands, floodplains, rivers, riverfront areas and streams. The veteran seven member volunteer board meets twice each month to guarantee compliance with administrative time requirements. They are assisted by a part time Secretary paid for by the Conservation Commission funds. The current Commissioners are:

Douglas Golemme, Chair

Charlene Judge, Vice Chair

Roland Pigeon, Secretary

Andy Triantaffelow, Enforcement

Officer

Lorraine Pratt

Victor Solari

Virginia Hoffman

In 2010, the Commission investigated all citizen complaints regarding potential wetland violations; inspected properties for Building Permit issuances; considered and issued Certificates of Compliance; Determinations of Applicability; Orders of Conditions; Orders of Resource Area Delineation; and represented the Town of Rockland in Department of Environmental Protection Superseding Decisions and Enforcement Cases. Through M.G.L Chapter 44 Section 53G, the Commission collected Consultant Review Fees from applicants to hire technical experts in the fields of permitting, wetland science, stormwater management, oils and hazardous materials and wildlife management to review and render professional opinions that were needed to ultimately render a defensible decision. Taking advantage of this lawful opportunity saves the Town of Rockland significant money that would typically be used for the funding a Conservation Agent position or outside legal counsel.

Some of the projects that decisions were made on in 2011 was the East-West Parkway, Leisurewoods new Senior Housing development on Union St, Town of Rockland joint waterworks site on Centre Ave. and the Rockland Senior Housing project.

Respectfully submitted,

Douglas Golemme, Chairman

## REPORT OF PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

The Commissioners of the Plymouth County Mosquito Control Project are pleased to submit the following report of our activities during 2010.

The Project is a special district created by the State Legislature in 1957, and is now composed of all Plymouth County towns, the City of Brockton, and the Town of Cohasset in Norfolk County. The Project is a regional response to a regional problem, and provides a way of organizing specialized equipment, specially trained employees, and mosquito control professionals into a single agency with a broad geographical area of responsibility.

The 2010 season began with a high water table and above average spring rain fall. Plymouth County was declared a federal disaster area because of the spring flooding in March and April. As we expected the initial requests for spraying were numerous but we were prepared for a busy season, not knowing it was going to be the worst Eastern Equine Encephalitis (EEE) threat in 100 years. Efforts were directed at larval mosquitoes starting with the spring brood. Ground and aerial larviciding were accomplished using B.t.i., an environmentally selective bacterial agent. Over 11,000 acres were aerial laticided using the Project plane. Upon emergence of the spring brood of mosquitoes, ultra-low volume adulticiding began on June 3, 2010 and ended on September 18, 2010. The Project responded to 16,641 spray requests for service from residents.

In response to the continued threat of mosquito borne diseases in the district, we increased our surveillance trapping, aerial and ground larviciding, and adult spray in areas of concern to protect public health.

Eastern Equine Encephalitis (EEE) was first isolated from *Culiseta melanura*, a bird biting species, by the Massachusetts Department of Public Health in Lakeville on July 12, 2010. Of the season's total of 54 EEE isolates, were trapped in Plymouth County as follows:

<u>Species</u>	<u>Collection Date</u>	<u>Town</u>	<u>County</u>	<u>Agent</u>
<i>Culiseta melanura</i> (2)	7/12/2010	Lakeville	Plymouth	EEE
<i>Culiseta melanura</i>	7/14/2010	Halifax	Plymouth	EEE
<i>Culiseta melanura</i>	7/20/2010	Mattapoisett	Plymouth	EEE
<i>Culiseta melanura</i>	7/20/2010	Middleboro	Plymouth	EEE
<i>Culiseta melanura</i>	7/20/2010	Rochester	Plymouth	EEE
<i>Ochlerotatus canadensis</i>	7/25/2010	Plympton	Plymouth	EEE
<i>Coquillettidia perturbans</i>	7/25/2010	Plympton	Plymouth	EEE
<i>Culiseta melanura</i>	7/25/2010	Plympton	Plymouth	EEE
<i>Culiseta melanura</i>	7/25/2010	Duxbury	Plymouth	EEE
<i>Coquillettidia perturbans</i>	7/25/2010	Duxbury	Plymouth	EEE
<i>Culiseta melanura</i>	7/25/2010	Duxbury	Plymouth	EEE
<i>Culiseta melanura</i>	7/27/2010	Middleboro	Plymouth	EEE
<i>Coquillettidia perturbans</i>	7/27/2010	Middleboro	Plymouth	EEE
<i>Culiseta melanura</i>	7/28/2010	Hanson	Plymouth	EEE
<i>Coquillettidia perturbans</i>	7/28/2010	Hanson	Plymouth	EEE
<i>Coquillettidia perturbans</i> (3)	7/28/2010	Middleboro	Plymouth	EEE
<i>Culiseta melanura</i>	7/28/2010	Middleboro	Plymouth	EEE
<i>Coquillettidia perturbans</i> (2)	7/29/2010	Plympton	Plymouth	EEE
<i>Culiseta melanura</i>	7/29/2010	Plympton	Plymouth	EEE
<i>Coquillettidia perturbans</i>	7/29/2010	Plympton	Plymouth	EEE
<i>Culiseta melanura</i>	7/29/2010	Carver	Plymouth	EEE

<i>Coquillettidia perturbans</i>	7/29/2010	Carver	Plymouth	EEE
<i>Coquillettidia perturbans</i>	7/30/2010	Middleboro	Plymouth	EEE
<i>Culiseta melanura</i>	7/30/2010	Middleboro	Plymouth	EEE
<i>Culiseta melanura</i>	8/04/2010	Kingston	Plymouth	EEE
<i>Culiseta melanura</i>	8/04/2010	Plympton	Plymouth	EEE
<i>Coquillettidia perturbans</i>	8/05/2010	Carver	Plymouth	EEE
<i>Coquillettidia perturbans</i>	8/04/2010	Hanson	Plymouth	EEE
<i>Culiseta melanura</i>	8/03/2010	Middleboro	Plymouth	EEE
<i>Coquillettidia perturbans</i>	8/06/2010	Plympton	Plymouth	EEE
<i>Culiseta melanura</i>	8/06/2010	Carver	Plymouth	EEE
<i>Culiseta melanura</i>	8/06/2010	Halifax	Plymouth	EEE
<i>Culiseta melanura</i>	8/06/2010	Kingston	Plymouth	EEE
<i>Coquillettidia perturbans</i>	8/09/2010	Plympton	Plymouth	EEE
<i>Culiseta melanura</i>	8/09/2010	Plympton	Plymouth	EEE
<i>Culiseta melanura</i>	8/09/2010	Halifax	Plymouth	EEE
<i>Culiseta melanura</i>	8/18/2010	Carver	Plymouth	EEE
<i>Culiseta melanura</i>	8/18/2010	Middleboro	Plymouth	EEE
<i>Culiseta melanura</i>	8/25/2010	Plympton	Plymouth	EEE
<i>Culiseta melanura</i>	8/31/2010	Middleboro	Plymouth	EEE
<i>Coquillettidia perturbans</i>	9/01/2010	Plympton	Plymouth	EEE
<i>Culiseta melanura</i>	9/01/2010	Plympton	Plymouth	EEE
<i>Culiseta melanura</i>	9/01/2010	Halifax	Plymouth	EEE
<i>Culiseta melanura (2)</i>	9/01/2010	Carver	Plymouth	EEE
<i>Coquillettidia perturbans</i>	9/01/2010	Carver	Plymouth	EEE
<i>Culiseta melanura</i>	9/08/2010	Halifax	Plymouth	EEE
<i>Culiseta melanura</i>	9/08/2010	Bridgewater	Plymouth	EEE
<i>Culiseta melanura</i>	9/08/2010	W. Bridgewater	Plymouth	EEE

Based on guidelines defined by the Massachusetts Department of Public Health “Vector Control Plan to Prevent EEE” in Massachusetts, ten Plymouth County towns were elevated from “Low Level” or “Moderate Level” for EEE Risk” category to “High Level” EEE risk category. All other towns in Plymouth County Mosquito Project remained in the “Low Level Risk” category. An aerial intervention was needed to effectively reduce human biting bridge vector mosquitoes as well as enzootic transmission of EEE. Governor Patrick, announced aerial spraying would take place on August 4, 5, & 6, 2010 in southeastern Ma. Communities sprayed within the district included Lakeville, Bridgewater, Carver, East Bridgewater, Halifax, Hanson, Pembroke, Duxbury, Kingston, Plympton, Middleboro, Rochester and Mattapoissett to help prevent further spread of EEE infected mosquitoes. In 2010 there were two human cases, one lived within the county the other traveled within the county. Two horses died as a result of contracting EEEV in Plymouth County.

West Nile Virus was also found within the district. A total of four isolations of WNV mosquitoes were found. *Culex pipiens* bird biters were trapped in Halifax on 6/30, and Brockton on 8/11 and *Culiseta melanura* in Plympton on 9/1 and Lakeville on 9/20. We are also pleased to report that in 2010 that there were no human or horse West Nile Virus cases in Plymouth County. As part of our West Nile Virus control strategy a total of 59,251 catch basins were treated with larvicide in all of our towns to prevent West Nile Virus (WNV).

The public health problem of EEE and WNV continues to ensure cooperation between the Plymouth County Mosquito Control Project, local Boards of Health and the Massachusetts Department of Public Health. In an effort to keep the public informed,

EEE and WNV activity updates are regularly posted on Massachusetts Department of Public Health website at [www.state.ma.us/dph/wnv/wnv1.htm](http://www.state.ma.us/dph/wnv/wnv1.htm).

The figures specific to the Town of Rockland are given below. While mosquitoes do not respect town lines the information given below does provide a tally of the activities which have had the greatest impact on the health and comfort of Rockland residents.

**Insecticide Application.** 1,317 acres were treated using truck mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in June and the last in September.

During the summer 2,224 catch basins were treated to prevent the emergence of *Culex pipiens*, a known mosquito vector in West Nile Virus transmission.

Our greatest effort has been targeted at mosquitoes in the larval stage, which can be found in woodland pools, swamps, marshes and other standing water areas. Inspectors continually gather data on these sites and treat with highly specific larvicides when immature mosquitoes are present. Last year a total of 44 inspections were made to catalogued breeding sites.

**Water Management.** During 2010 crews removed blockages, brush and other obstructions from 1,500 linear feet of ditches and streams to prevent overflows or stagnation that can result in mosquito breeding. This work, together with machine reclamation, is most often carried out in the fall and winter.

Finally, we have been tracking response time, which is the time between notice of a mosquito problem and response by one of our inspectors. The complaint response time in the Town of Rockland was less than three days with more than 259 complaints answered.

**Mosquito Survey.** Our surveillance showed that the dominant mosquitoes throughout the district was generally *Culiseta melanura* and *Coquillettidia perturbans*. In the Town of Rockland the three most common mosquitoes were *Cx. species*, *Cq. perturbans* and *Ur. saphirina*.

We encourage citizens or municipal officials to visit our website at [www.plymouthmosquito.com](http://www.plymouthmosquito.com) or call our office for information about mosquitoes, mosquito-borne diseases, control practices, or any other matters of concern.

## DIRECTOR OF VETERANS' SERVICES

### To the Honorable Board of Selectmen and Citizens of Rockland

I hereby submit the Annual Report as the Director of Veterans' Services for 2010

The office of Veterans Services continues to provide a wide range of services to the veterans and widows of the community. There are a variety of services and benefits which may be available to qualified veterans, widows and dependents They are as follows: assistance in obtaining the state bonus, matters related to VA compensation and Pensions, educational and vocational benefits, employment, medical problems, Notary services available reference materials. Also, financial assistance may be provided to those who are in need and qualify, under Chapter 115 of the MGL.

The Selectmen continue to recognize those veterans who have served honorably. Certificates of appreciation have been presented this past year, to veterans who have returned to Rockland from serving their country. This office continues to request the names of those individuals who are presently serving in the Armed Forces from Rockland.

The state legislators have provided great support to various bills regarding veterans, their children and their widows .The state annuity is available for qualified veterans and widows which is \$2000.00. The annuity is paid \$1000.00 in February and August. The state Treasurer's office continues to make a concerted effort to inform veterans of the state bonus that is available to those who have served. The bonus is \$1000.00 for those who served in Iraq or Afghanistan, and \$500.00 to those whose service was in other than a war zone and served under Title 10 of the U.S Code. The State continues to assist with the increased fuel assistance to help those who are in receipt of benefits under Chapter 115 of the M.G.L .Compensation and pension benefits from the Department of Veterans Affairs had no cost of living increase this year. Veterans being discharged from the military have five years of enhanced health care from the VA Medical system

The Union Square Memorial was damaged this past Spring by a car which took out the electrical and water system as well as the flag pole. No expenses were incurred to the town to repair the monument. .A claim was filed against the driver's insurance to restore the memorial.

The 57<sup>th</sup> Annual Tri-Town Veterans Parade was held in Whitman on November 11, 2010. The theme for the parade was: "Honoring the Korean Veterans". Grand Marshall was Ed Karas, a Korean Veteran .There were 6 Divisions. The weather was cold, but clear skies, making for a decent day for the parade. Rockland will be host to the parade in 2011.

Once again, a thank you to the employees of Blue Cross and Blue Shield of Massachusetts, from the Hingham office .who provided food baskets for the veterans and widows of Rockland for the Christmas Holiday.

This office continues to offer a box to place old and worn American flags. The box is located on the ground floor of the town hall. The flags are made available to various organizations and the scouts for proper ceremonial disposal. Also, a box is located in the upper lobby of the town hall for used cell phones. These phones are recycled for "Cell Phones for Soldiers", calling cards. Some cards are available in the veterans' office.

Respectfully submitted,

Anton F Materna  
Director of Veterans' Services

Blue Cross Blue Shield's Christmas Donation Baskets for our Veterans

L-R Mary Leitch, Erin Ford, Debra Carter & Shelly Murphy  
With Veterans' Agent Anton Materna

## **VETERANS' BURIAL AGENT**

### **To The Honorable Board of Selectmen and Citizens of Rockland**

I hereby submit the Annual report as the Veterans' Burial Agent for 2010

The deaths of the veterans who have passed away during the year have been recorded with the General Laws of the Commonwealth. Issues regarding the headstones and markers at the cemeteries, upon the death of a veteran, are done on a timely basis.

On the morning of May 29, a dedication of a square at Union and Market Street was done in honor of Matthew M. Pollini, who was killed in Iraq on January 22, 2009.

Also that afternoon, the American flags were placed on the veterans graves in the cemeteries in Rockland. The Allied Veterans Council, Boy Scouts, Girls Scouts and many volunteers helped in the placing of the flags. Approximately 2000 flags were placed on the veterans graves. There were many volunteers who participated in the placing of the flags. Thank you to all who participated in honoring our veterans.

On Memorial Day, May 31 2010, the parade participants formed at Summit Street. From there the parade proceeded to the Mount Pleasant Cemetery where a short service was given. Invocation was given by Father James Hickey of Holy Family Church. The guest speaker at the cemetery was Senator Michael Morrissey.

The parade proceeded down Union Street. At the Memorial Library, the invocation was given by Father James Hickey. The parade continued to Union Square, and the invocation was again read by Father James Hickey. The Grand Marshall, Robert Keene, a WWII veteran was the guest speaker.

Respectfully submitted

Anton F Materna  
Director of Veterans' Services

**2010 REPORT OF THE  
BOARD OF WATER COMMISSIONERS**

**To the Inhabitants of the Town of Rockland:**

The Board of Water Commissioners respectfully submits the following report for the Rockland Water Department for the year 2010.

The following is a list of some of the major duties performed by your water department in 2010:

Main Repairs	8
Service Repairs	7
Hydrant Repairs	5
Hydrant Replacements	4
Meter Replacements	517
Gate Valve Replacement	1
Curb Stop Repairs	1
Service and Main Locations And Markings for Dig Safe	582

The Department read 24,196 meters throughout the year. All reading data was analyzed to help meet state regulations and also utilized as a tool to help notify customers of potential leaks within their plumbing systems. The 24,196 meters that were read generated routine water bills and the reconciliation of the associated accounts.

2010 completed our twentieth year of our Backflow Prevention Program. This year 61 Commercial Buildings, 1 Industrial Building and 8 Institutional Buildings were surveyed. We have a total of 379 testable devices distributed as follows; 218 reduced pressure zone backflow preventers and 161 double check valve assemblies. This year 473 backflow tests were performed.

Water system flushing is a crucial element of maintaining our water system. We completed our semi-annual system wide flushing program during the month of October. The flushing removes minerals and biological deposits in water lines by moving the water through the mains at a high velocity. This program is our most effective tool in maintaining water quality and delivery of safe water to your tap.

The Water Department continues to remain amongst the leaders in the water work industry. Our thanks go out to all the employees for their dedication and commitment.

**“With Water Works Pride”**

Rockland Board of Water Commissioners

Ray Campanile, Chairman  
*Robert Corvi, Sr.*

**2010 REPORT OF THE  
JOINT BOARD OF WATER COMMISSIONERS**

**To the Inhabitants of the Towns of Abington and Rockland:**

We The Abington/Rockland Joint Board of Water Commissioners respectfully submit the following report and pumping records for the year 2010.

JANUARY	82,471,813 gals	JULY	97,886,860 gals
FEBRUARY	75,111,594 gals	AUGUST	89,073,435 gals
MARCH	77,072,050 gals	SEPTEMBER	80,961,813 gals
APRIL	76,646,469 gals	OCTOBER	80,098,146 gals
MAY	90,183,313 gals	NOVEMBER	77,188,527 gals
JUNE	89,600,256 gals	DECEMBER	81,994,400 gals

The Abington/Rockland Joint Water Works delivered 998,288,676 gallons of water throughout the year. This was a decrease of 12,006,928 gallons from 2009.

The calendar year of 2009 saw a decrease of 63,198,834 gallons from 2008. The accumulated decrease of water usage in the last two years equals 75,205,762 gallons.

This past year we saw the activation of the newly constructed 1,250,000 gallon water storage tank on Lincoln Street in Abington.

In order to meet the requirements of the Federal Safe Drinking Water Act, we have taken the following water samples for analysis throughout the year:

617	Bacteriological
3	Nitrate
3	Volatile Organic Compounds (VOC)
16	Trihalomethane
2	Synthetic Organic Contaminant (SOC)
18	Secondary Contaminant
3	Perchlorate
2	Inorganic Contaminant (IOC)
16	Haloacetic Acids (HAA5)
24	Total Organic Carbon (TOC)
24	Dissolved Organic Carbon

In November of 2010 we realized a long time ambition of consolidating the Abington/Rockland Joint Water Works employees and equipment to one central location. With the Support of the residents we took occupancy of the facility located at 366 Centre Avenue in Rockland. This renovated building along with a newly constructed heavy equipment garage is something we are proud of and thank everyone for their assistance.

OUR MISSION STATEMENT is dedicated to providing, protecting and preserving today's water supplies for tomorrow's consumers. Our commitment is to supply quality water that complies with all the State and Federal Standards, provide education and excellent customer service, and to be the leaders in our profession.

Our employees are dedicated and committed to their jobs. It is certainly rewarding to have employees of their caliber who together were honored this year by being awarded the New England Water Works Utility of the Year. These employees that made it happen are: Jim Brady, Kristel Cameron, Bill Clearo, Tom Dudek, Dave Geddry, Amanda Hall,

JoAnne Hall, Bob Hussey, Joe LaPointe, John Lincoln, Chuck MacDonald, Vic Malafronte, Teresa Manning, John Montalbano, Debra Newcomb, Brian Pappaceno, Tom Royal, Bill Royal, Jim Schwenderman, Susan Schwenderman, Glenn Sullivan and Sossio Tanzi. They are all the reason we were recognized with this honor.

**“With Water Works Pride”**

Abington/Rockland Joint Water Works Commissioners

John E. Warner, Co-Chairman  
Richard D. Muncey  
Steven D. Bradbury  
Daniel F. Callahan, Superintendent

Ray Campanile, Co-Chairman  
William T. Low, Secretary  
Robert Corvi

## ROCKLAND ENERGY COMMITTEE

### To the Honorable Board of Selectmen and Citizens of the Town of Rockland:

Together with our partners, the Rockland Energy Committee has continued to make great progress for our town over the past year, which has set the stage for even greater success as we keep working to advance our collective goals of becoming an all-around sustainable, energy-efficient community.

In November 2009, on the heels of the construction of the new solar array at the Rockland High School, the Committee identified yet another opportunity to bring renewable energy power to the town and our schools through federal stimulus grant funding made available by the state's Department of Energy Resources (DOER). In partnership, once again, with the school department, board of selectmen and our partners in federal and state government, the Committee applied for \$150,000 in grant funding to build a similar-sized solar array on the roof of the Esten Elementary School.

*Technical expertise:* Energy Committee members Phil Wood and Jim Paul survey and assess the roof of the Esten Elementary School for solar panels

After receiving notification that the town had been awarded the grant last February, members of the Energy Committee, along with the school department, spent the first part of the year preparing bid requirements and project specifications in accordance with federal stimulus grant requirements and state procurement laws. To our benefit, we quickly learned that the costs of solar panels and other equipment associated with the project had significantly decreased in the few short months since the high school project was completed. Because of these changes in pricing, the solar array atop the Esten School is about 5kW larger than the array at the high school, though it cost about \$30,000 less.

The project—which will save between \$4,000 and \$6,000 annually in energy costs for the school—was completed just before the start of the new school year. Similar to that of the high school, program components of the array include grade-specific curriculum tools for students at the Esten School, which teachers there have already embraced. Residents can keep up-to-date with the daily and lifetime energy output of the solar array, its status and history on the Energy Committee's homepage, found at: [www.rockland-ma.gov](http://www.rockland-ma.gov).

Looking at more ways to creatively bring renewable energy to Rockland and save the town money, the Energy Committee has also been working with our colleagues in town government to explore the possibility of constructing a solar panel farm at the former landfill on Beech Street through a power purchase agreement (PPA).

Such an agreement, which aligns with the Commonwealth's new Green Communities law, would allow the town to lease space at the landfill to a renewable energy developer, who would, in turn, sell the energy back to the town at a steeply-discounted rate. Recently, a number of local communities and businesses—including Canton, Carver, Kingston, Natick, and even Patriot Place in Foxboro—have begun exploring and entering into these agreements to meet their energy goals and cut costs. In the coming months, we look forward to working with the selectmen, the board of health, the planning and zoning boards and residents to explore this opportunity more carefully.

Over the past year, our Committee has also worked closely with fellow town and state leaders to investigate the state's new Green Communities Designation Program, and discuss the potential of Rockland being designated as a *Green Community*. While earning this designation would allow the town to be eligible for additional state funding to help us reach our goals to become a more energy-efficient community, it first requires that the town meet five qualification criteria to demonstrate its commitment to this work. These include: 1) designating as-of-right siting for renewable energy generation, research and development, or manufacturing facilities; (2) adopting an expedited application and permit process for as-of-right energy facilities; (3) establishing benchmarks for energy use and reduction by 20%; (4) purchasing only fuel-efficient vehicles (with exceptions); (5) and adopting the new stretch code for construction projects.

Our Committee extends a special thanks of appreciation to Bob Rice, a member of the Planning Board and Rockland's representative to the Metropolitan Area Planning Council (MAPC), who has worked closely with us and a number of town leaders to discuss and work towards meeting these criteria. We look forward to continue working with Bob and all town residents to reach these and all of our shared goals around these efforts.

As a committee we also understand that so much of our success would not have been possible if not for a number of people who have worked with us, and have been great friends and partners with us over the past four years. As one of our partners at the State House, former State Representative Bob Nyman, who unexpectedly passed away in June, was a tireless advocate for Rockland and was always there to help our Committee in any way he could. We appreciate all that Bob did for us, and also look forward to working with our new state representative, Rhonda Nyman, wishing her all the best in her new role. Upon moving to Hanover, Heidi Hosmer, one of our original members, had to resign from the Energy Committee. In addition to making a great chili for our booth at the Holiday Stroll in our first year, Heidi was an invaluable member of the Committee, and we hope that she will continue to be a familiar face in Rockland, even though she's now just over the border. Former State Senator Michael Morrissey and Congressman Bill Delahunt have also set out in new endeavors during the past few months, and we also thank them for their constant insight and all they did to help us advance our goals.

***Solar at-a-glance:* A snapshot of the completed array, constructed by Fall River Electrical Associates**

As always, our Committee greatly appreciates the widespread and ongoing support we've received from the board of selectmen, school committee, town department heads and all town residents. We look forward to making continued progress for the town and the residents of our wonderful community in the months and years to come.

Respectfully submitted,

**Michael Mullen, Jr.**

## COMMUNITY CENTER

To the Honorable Board of Selectmen and Citizens of the Town of Rockland

As a vital part of the Rockland Community, the Community Center is currently home to the Council of Aging, WIC, Head Start, Rockland Day Care, Youth Commission, and Teen Center, Meals on Wheels. The Holy Family School has been utilizing the gym for the seventh year and the Girls Scouts, Rockland Little League regularly meet here.

The Rockland Community Center Supervisory committee is made up of five citizens that oversee the income and expenditures, the maintenance of the building and grounds. We also implement guidelines in regards to safety and security for the building and its tenants. All of our funding comes from rents collected from Day Care, Youth Commission, WIC, Head Start, gym rentals and donations.

The Community Center Committee wants to thank the following Town Departments Highway, Park and School for their help over the past year because if it was not for their help we would not be able to continue using the building.

We continue to be optimistic for the future of the building. With economy being down so is the enrolment within the building. Which has in turned force our tenants to down size the space that they need to rent for their programs? This means less revenue for use to run the building and the building is getting older and needs more work to keep it going. The elevator was repaired this year and it is back to running normal.

We have a few major projects that need to be done to help keep the building up and running for the future. We need roof repairs, parking lot repairs, bricks need to be pointed to stop water from coming into the building, rugs replaced and painting needs to be done thru out the whole building. The money collected from rents is just enough to cover the cost of running the building for a year with very little left over for extras.

When the Community Center was started in 2002 it was planned for it to be self supporting but with economy and the age of the building that is not happening. So we are going have to get support from the Town to help keep the Center open in the future.

Respectfully submitted,

Richard Furlong, Chairman  
Tom Banks, Vice Chairman  
Karen Guerrette  
Ed Borges  
Denise Morin

**South Shore Tri-Town Development  
Corporation (SSTTDC)  
Kevin R. Donovan, Chief Executive Officer**

The Board of Directors of the South Shore Tri-Town Development Corporation is pleased to present its Eleventh Annual Report to the Town of Rockland for Fiscal Year 2010. Complete copies of the Corporation's Audited Financial Statements will be available at the Town Offices and the Public Library in October 2010.

Early in the fiscal year the Directors sent a letter to NAVY stating their belief that it was not appropriate to execute the Purchase and Sales Agreement for the remaining Navy owned land due to economic conditions and the new National Defense Authorization Act that was pending in Congress for the return to a No Cost EDC. Final Legislation gave the Secretary of the Navy the discretion to assign a no cost or low cost value to the closed Naval Air Station, factoring in the investment already made to improve its infrastructure.

The Board of Directors hosted a meeting with representatives from NAVY, Mass Housing & Economic Development, SSTTDC Consultants and the LNR team for a strategic discussion on the final land transfer and bonding matters.

The Board continued to work with the State Executive Office of Administration and Finance, Mass Dept. of Transportation, Federal Highway Administration and Federal Transportation Administration on the funding and agreements needed to construct the East/West Parkway and Multi Modal Center.

NAVY granted an easement to allow Parkway construction on land still owned by the Federal Government. Congressman Delahunt and Governor Patrick were very instrumental in negotiations with NAVY to gain permissions to traverse federal property for Parkway construction until the final land transfer was completed. The Board remains ever so grateful for their continuous support. The Parkway is considered to be the catalyst for the whole SouthField project.

The Agreements between the Corporation and the Commonwealth to finance and implement the East/West Parkway were executed. A \$30Million State Bond closed in June providing funds for Phase 1 of the Parkway project.

The Corporation executed a contract with Barletta Heavy Division for design and construction of the eastern segment of the first phase of the East/West Parkway project.

Mass. Dept. of Transportation commenced their procurement process for design and construction of the western segment of the first phase of the East/West Parkway project.

Municipal Update

The Corporation's Tax Plan and Land Values were approved by the Commissioner of the Department of Revenue and the Secretary of the Executive Office of Administration and Finance. The Board of Directors established reserve accounts for future exemption and abatement processes and appointed a temporary Board of Assessors.

In December the first Tax Classification Hearing was held resulting in a single tax rate for FY09 and the Corporation's first tax bills were issued and collected. The Chief Executive Officer determined that the Levy Limit was not enough to sustain the Corporation's operation even with a trimmed down budget. A solution to balancing the budget was reached by LNR agreeing to advance some operations payments to SSTTDC.

The Corporation collaborated with the Department of Revenue to migrate the MUNIS program, a municipal accounting system, from FY09 to FY10 for the next certification process. With an approved Tax Plan, the Corporation was able to continue on with the bonding process to determine debt capacity and market interest.

The FY10 tax rate was split in order to stay within the tax umbrella of the surrounding residential market place and commercial areas of competition. The Corporation collected FY10 taxes, and the MUNIS system was in place for FY11. The Corporation had evolved from a local redevelopment authority into a municipal form of government

The Board established a Stabilization Account and municipal financial stability. A permanent Board of Assessors was appointed with one certified assessor from each Host Town: Pamela Pantermoller-Weymouth, Dennis Robson- Rockland and Jack Pistorino-Abington.

The Corporation was in position to issue a Notice to Proceed for Parkway construction, and reached a major milestone to get the project and the economy moving.

The Board released a \$13Million Preliminary Bond Offering to potential investors.

After public hearing processes the Corporation accepted Shea Drive and Memorial Grove Avenue. Upon transfer to SSTTDC these would be the first public ways at SouthField.

#### SSTTDC Update

The Board of Directors reorganized at the beginning of the fiscal year and elected Mr. Wall, Mr. Eramo and Mr. Lavin into executive positions.

The Chief Executive Officer was authorized to begin a recruitment process to hire a Chief Financial Officer.

The SSTTDC Advisory Board was continually updated throughout the year by the Chief Executive Officer and met jointly with the Directors in March and April to review the Corporation's affairs and budgetary matters. Advisory Board members include Joseph Shea (Chairman), Robert Long, Laurie Delano, Sue Abbott, William Koplovsky, Stan Littlefield, Martin Pillsbury, Kevin White, Eugene Blanchard and alternate member, Bruce Hughes.

#### Going Forward

The Corporation and LNR continue to work together to resolve technical issues with land transfer, parkway design/construction, bonding and land sales.

The Board of Directors thanks the Town of Rockland for the cooperative working relationship established with the Chief Executive Officer and his staff. We sincerely appreciate the support.

Respectfully Submitted  
SSTTDC Board of Directors

Jeffrey Wall, Chairman  
Gerard Eramo, Vice Chairman/Treasurer  
James W. Lavin, Clerk  
John R. Ward  
Joseph A. Connolly

Kevin R. Donovan, Chief Executive Officer

# **YOUTH COMMISSION**

## **2010 Annual Town Report**

To the Honorable Board of Selectmen and Citizens of the Town of Rockland:

During the 2010 calendar year, the Youth Commission carried out its program under Chapter 8E of the General Laws of the Commonwealth. We are pleased to submit the following report that outlines the programs offered to the young people of Rockland.

### **Youth Recreation**

The Youth Commission continued to offer a comprehensive year-round recreational program to the youth of Rockland. With continued support of the people of Rockland, the Youth Commission occupies office space on the 1<sup>st</sup> floor, 3 classrooms on the 2<sup>nd</sup> floor and use of the kitchen and gymnasium on the bottom level of the Community Center.

From January to December, with the exception of the summer months, programs were offered six days a week and included the Youth Commission Dance School with Marie and Diane, the Tot Enrichment “Chipmunk” Pre-School and Nursery School Program, Cartoon Drawing, Preschool Arts and Crafts, Babysitter Training, Cartoon Drawing, Kitchen Kids Cooking, Biddy Basketball, Jr. Basketball, Floor Hockey, Minisports, South Shore Performing Arts theatrical presentation of Little Mermaid, Instructional Tee Ball, Instructional Indoor Tennis, Advanced Tumbling, Gymnastics and Tae Kwon Do.

During the summer months programs offered through the Youth Commission included Skyhawk Multi and Tiny Hawk Sports Camp, Cheerleading, Baseball, Performing Arts, Creative Cooking, Tae Kwon Do, Cartoon Drawing, Basketball, Gymnastics, Tee Ball, Minisports and Instructional Tennis. The Hartsuff Park Recreational Area did reopen its doors to the public for swimming and it’s very popular full day recreation program and the half-day “Chipmunk” program.

Special events this year included the Gingerbread Workshop, February and April Vacation Programs, Philip & Henry’s Magic Show, the Youth Commission Dance Recital and the Annual Fishing Derby at Reed’s Pond.

The Youth Commission was able to continue operating many of its recreational programs through the establishment of a revolving fund in accordance with M.G.L. Chapter 44 Section 53E1/2 for the purpose of operating recreation and leisure services to the children in the community on a self-supporting basis through user fees.

### **Tot Enrichment Program**

The 2009-2010 school year marks the 25<sup>th</sup> year that the Youth Commission, in conjunction with the Rockland School Department, has operated the very popular Tot Enrichment Nursery and Preschool Program. The program was designed in response to the need for a high quality yet affordable program within the community.

The Tot Enrichment Program is a traditional program whereby the Nursery class meets Tuesdays and Thursdays and the Preschool class meets Monday, Wednesday and Friday.

Utilizing two classrooms on the second floor and the gymnasium in the Community Center, head teachers Cathy MacQuarrie and Judy Ketterer were assisted by Karen Crane, Lisa Dutra, Joanne Reagan, Cathy Ewell and music teacher, Sue Simmons.

This year's program serviced 68 children, three to five years of age, encouraging them to be actively involved in the learning process. Classes are structured around a variety of developmentally appropriate activities. All students are encouraged to pursue their own interests. The teachers work with the children in developing their social and emotional maturity in preparation for the school environment.

In addition to our classrooms, we expanded to include a Physical Fitness and Lunch Bunch program. Our very own physical fitness instructor, Ms. Kathleen Arieta provides a weekly program, focusing on gross motor skill development through physical fitness, recreational activities and musical games. This class promotes confidence and high self esteem and is geared to help fight obesity in children.

Lunch Bunch is an after-school enrichment program offered to our preschoolers 3 days a week. After 3 hours of exercising their minds, we invite them to enjoy their packed lunch from home and engage in a special activity with their friends. Special activities included Creative Cooking Mondays, Yoga Wednesdays and Free Form Fridays.

This year's field trips included a trip to Peaceful Meadows with our Nursery children and a visit to Dalby Farm in Scituate with our Preschoolers. The "chipmunks" also enjoyed special activities and events throughout the school year including ice cream parties, holiday parties, reading books and singing with the Council on Aging, visits to the library, special visits from several community helpers, end of the year and graduation celebrations.

In closing, the Youth Commission wishes to extend their appreciation to the Selectmen, the School Department, other town departments and Youth Commission staff for their continued support of programs and activities for the children of Rockland. We especially want to thank all the townspeople who have been a continued source of support.

Respectfully submitted,

Richard Furlong, Chairman  
Marc Craig  
Kathleen Daggett  
Laurie Dolan  
Karen Guerrette, Youth Service Director

## ZONING BOARD OF APPEALS

*To the Honorable Board of Selectmen and the Citizens of the Town of Rockland:*

The Zoning Board of Appeals is pleased to submit its annual report for the calendar year 2010.

During the calendar year of 2010, the Board has been involved with petitions submitted by the Applicants regarding Special Permits, Section 6 Findings, and Variances.

The Board adopted the guide for Best Practices for Streamlining the Permitting Process in 2008 and used that process to permit the new Middle School and the renovations to the High School. This method was also used on the new building for the Water Department on Centre Ave. The Board is currently working with the Rockland Housing Foundation on the permitting process for the new Elderly Housing Complex off of Norman Street.

The Board, in conjunction with the Planning Board, and the Building Commissioner, Tom Ruble has reviewed the existing zoning by-laws and proposed amendments for adoption at the annual Town Meeting. The Board would like thank Chairman Henderson and the rest of the members of the Planning Board for their efforts in making the joint meetings a great success.

The Chairman would like to thank each and every Board member for his/her many long hours of dedicated service in attending monthly ZBA meetings and also would like to welcome our new Land Use Counsel, Attorney Robert W. Galvin, Jr.

The Chairman and the Recording Secretary would like to thank Bette and Tom in the Building Department for reviewing the applications prior to filing; Mary Pat, Randy and Linda in the Town Clerk's Office for their assistance with the ZBA filings; Debbie, Deli, and Lisa in the Assessor's Office for their assistance with the abutters lists; and Mary from the Selectmen's office for being involved with receiving mail and scheduling meetings for the Zoning Board and the other Town Boards, Committees and Town Departments for their input with any Zoning issues.

The Board wishes to thank our Recording Secretary, Candi for all her meeting postings, phone calls, advertisements, correspondence, delivery of packets, typing and all the other run-around needed between the Town Departments and Board members to get her job done.

Respectfully submitted,

**A History of the Rockland Town Forest**  
**By**  
**George H. Anderson**  
**Chairman/Rockland Town Forest Committee**

In July of 1982, a Boston developer (George Shapiro) asked the Rockland Conservation Commission if they would be interested in accepting as a gift, a piece of land on North Avenue, with the stipulation that it be used for conservation and passive recreation. The parcel of land was part of the old Bay State Nursery Company and consisted of 19.8 acres, about fifteen acres of the land were wetlands.

The Rockland Conservation Commission accepted the gift and after two years of legal work the land came under Conservation Commission control. In November of 1984 at the request of the commission the Rockland Board of Selectmen voted to make this area the "Rockland Town Forest"

From 1984 to the present several pieces of land were added to the town forest: a second piece approximately seven acres was added in 1999 after it was taken for tax title; a third piece was added when the Department of the Interior gave a 2.33 acre parcel to the town in August of 2004 with the stipulation that it be used for passive recreational purposes, with the intent that a walking/hiking trail be built from North Avenue to Spruce Street within ten years. The final piece of land needed to connect North Avenue to Spruce Street was gifted to the town by developer Steven Gosselin while he was developing Salem Woods Estates. This was an 8 plus acre parcel which connected up to the first piece of conservation land donated to the town in 1974. After all legal work and town meeting acceptance in 2006 the total size of the Rockland Town Forest is now just over 42 acres with a little over 36 acres of the total area designated as wetlands or floodplain.

The town forest is a unique and diversified area, with uplands, floodplains and wetlands. It supports a wide variety of plant and animal life. Over the years we have tried to catalog as many species as possible within the town forest. New species are found all the time and we try to update the list at least every other year. There are a number of plant varieties which were left when the area was a nursery and now they are large trees or shrubs and their seeds have fallen to produce second generation growth.

Since the town Forest's inception all programs and projects completed under the "Rockland Conservation Corps" never used tax dollars. As chairman of the Town Forest Committee and the Conservation Corps I believe if you want to make something happen, never wait, and don't depend on tax dollars, but go out and work for what you think will benefit the town. Education was the primary point of forming the Rockland Conservation Corps and if its members learned something about the world around them, then we accomplished what we set out to do. The Rockland Conservation Corps lasted for twenty-one years and over those years we had over ninety participants, although it does not sound like a lot, it is impressive. There are a few that lasted a few weeks, but there were those that returned for three and four years, just because they loved it and put in at least thirty volunteer hours per year.

Going back to 1983 the area that is now the town forest was considered a place to torch a stolen car, go "parking", drink, or other general mayhem. After the Conservation Commission took over the area a gate was put up on North Avenue and all the debris was removed, much to the delight of the neighbors.

A lot has been accomplished over the past twenty-five years at the town forest. We started a small Christmas tree farm in 1986. The seedlings are now fifteen to twenty feet tall. With the help of children from the John Rogers Middle School we purchased six blueberry plants in 1986 and they still thrive today. A small garden was started after an area was opened in 1985. The garden has grown from a ten foot by fifteen foot to thirty by fifteen and what was produced over the years paid for awards and improvements at the town forest.

The Rockland Town Forest Committee was formed in 1988 as a sub-committee of the Rockland Conservation Commission to handle the day to day workings at the town forest. It has its own charter and reports to the Conservation Commission, it must submit an annual report to the town.

In 2001, a volunteer contractor put in 350' feet of fire lane at the lower end of the access road and in 2002 another contractor added an additional 350' feet to go to the end of the existing conservation land. We then had a useable fire lane in case of emergencies.

Volunteer help was always wanted and needed. In 1998 we started our new picnic area and the Rockland Girl Scouts built two beautiful picnic benches, they are still there today twelve years later. Scouting organizations in town have played an important part in the development of passive recreation at the town forest. We have been very fortunate to have had five Eagle Scouts do their projects at the town forest. Their efforts have made the town forest more accessible, beneficial, and enjoyable for everyone in town.

The Town Forest Committee is presently working on the construction of a trail from the end of the lower fire lane to Spruce Street. We are anticipating this to be completed in 2010. This will be a walking and hiking trail, it hopefully will ultimately link up with the Southfield Development at the old naval air station, and someday to the rail trail to west Hanover and the North River. The committee wants to make it clear that the primary purpose of preserving this area is for the protection of life and property to residents in the North Avenue area, since it serves as a flood storage area in times of heavy rainfall. We cannot predict post-development water discharge from the old naval base, it is imperative that the Conservation Commission and Town Forest Committee work to preserve this land in its natural state.

We encourage citizens to use and walk the trails of the Rockland Town Forest as they are interesting, education and historic. You never know when you may come face to face with a deer or skunk (as I have done in the past), or that two hundred year old stone wall beside the trail that has been re-build and still exists.

***Postscript: On May 2, 2010 the Town of Rockland acknowledged the work of George Anderson with a dedication ceremony renaming the town forest "The George Anderson Rockland Town Forest". Photograph on back cover courtesy of Christine McGuinness.***
