

Climate Change and Natural Hazards Public Meeting

Natural hazards have serious impacts on the
Town of Weymouth and its residents

The Town of Weymouth is updating its Hazard Mitigation Plan to prepare for future extreme weather events. The plan will make the Town eligible to apply for funding of priorities identified in the plan. Please join us for a presentation on the final draft of the Plan hosted by the Planning Board. The Plan will also be available for public comment until September 28, 2021; it will be posted on the Planning Department website.

Date: Tuesday, September 14, 2021
Time: 7:00 PM
Location: McCulloch Building
182 Green Street
Mary McElroy Room

For more information, please contact MAPC Environmental Planner Anne Herbst at (617) 933-0781 or email aherbst@mapc.org.
