* bring authorization form or check to out-of-town events

HELP KEEP THE LINE MOVING:

- ✓ Bring items in labeled, closed containers†.
- ✓ Put items in boxes. **Don't bag** materials.
- ✓ Place in **trunk / rear** of vehicle.
- ✓ Have **proof of residency, authorization** or a **check to SSRC if needed** ready

Accepted at all events:

From the workbench:

adhesives
fiberglass resins
oil based paint and stains *
photography chemicals
solvent-based hobby/artist supplies
solvents

From the garage:

flammable liquids and aerosols
gasoline, gas / oil mixtures†
marine, auto and spray paints
other automotive fluids*
tire and carburetor cleaners, degreasers

From the shed:

cesspool cleaners
fertilizers containing pesticides
pesticides, herbicides, fungicides
pool chemicals
wood preservatives

From the house:

acids and bases
drain cleaners
hazardous cleaners and polishes
elemental mercury
mercury-containing products *
moth balls and crystals
poisons
rechargeable batteries*

Accepted at some events:

motor oil* latex paint** (Hanover only)
antifreeze* propane tanks* (Plymouth only)
fluorescent tubes* flares (Plymouth only)
asbestos

Asbestos and elemental mercury need special packaging. **CALL AHEAD 781.329.8318**

Materials not accepted include:

prescription medications *
auto/truck/boat lead acid batteries *
industrial waste
radioactive materials (*smoke detectors may be disposed in trash*)
pathological and medical waste
explosives (*contact your fire department*)

† Bring gasoline in red or yellow **DOT-approved gas cans**. Max 5 gal. containers for all other liquids. Drums require prior approval from Trident 508-229-3545.

* These materials are collected regularly by many retailers and/or towns

** **Latex paint** (soap & water cleanup) **is messy, but not hazardous**

If your paint is still usable

(smooth, not smelly), Recolor Paints will accept it at their facility (small fee) and at the **Hanover HHW event**.

Go to www.RecolorPaints.com or call **833.732.6567** for details.

If your paint's not usable: remove lid.

Absorb liquid with cat litter or paint hardener, and dispose with trash.
