

For over 100 years, Veterans' Service Officers have provided a helping hand to anyone in the community in need of guidance or assistance in matters relating to military service.

Our Mission is to advocate on behalf of all the Commonwealth's Veterans, to provide them with quality support services, and to direct an emergency financial assistance program for those Veterans and their dependents who qualify and are in need.

We remain fully committed to our mission and encourage community members to contact us with any questions or concerns.
