NOTICE OF PUBLIC ADVISORY

In response to Governor Baker's *Executive Order No. 591: Declaration of a State of Emergency to Respond to COVID-19* and in an effort to minimize the spread of COVID-19 and protect public welfare, **effective immediately, the Town of Rockland advises the public to refrain from using playground structures and Fields until further notice.**

The Rockland Parks Department strongly urges the public to heed all Federal, State, and Local advisories as you seek outdoor recreation opportunities, including the practice of "social distancing" as well as taking basic health precautions.

Please note, our public officials are in constant contact with local, regional, state, and federal health officials and will continue to monitor and assess this ever-changing situation. The Town of Rockland will continue to provide the public with information and advisories as they may arise.

The Town of Rockland sincerely appreciates your patience and cooperation during this time.
